BLOWING THEIR STACKS

Your article "MAD Salutes The Output Of American Industry" was about as reassuring as an earthquake during open-heart surgery!

Eric Olsen
San Pedro, Calif.

Thanks for giving American Industry's criminal negligence a kick in the *plants*!
Vic Ghidalia
Yonkers, N.Y.

VIOLENT TV COMMERCIALS

If they put your "Violent TV Commercials" on the air they wouldn't sell anything. But it would be an improvement!
Chris Collins
Mill Valley, Calif.

"Violent TV Commercials" was a scream. And that's just what I did when I read it!

Matthew Bird
Flushing, N.Y.

NAVY LAKEHURST SALUTE

Your readers may be interested in knowing that Navy Lakehurst's 50th Anniversary Celebration will occur on June 26-27, 1971. What should particularly delight your readers is a 30 foot radio-controlled flying replica of the famous airship, SHENANDOAH, which will fly about the area, with two huge MADs adorning its sides. I enclose a photo of this ship in flight at Columbus, Ohio, where its construction had just been completed by Lew Gray, of that city. Amongst the other attractions will be the Shooting Stars (Parachute Demonstration Team), the Navy Blue Angels (Aerial Flight Demo Team), Hot Air Balloons, the Goodyear Blimp, and many renowned air daredevil acts.

J.S. Roth
Captain, USN

It's a bird . . . it's a plane . . . it's the MAD ZEPPELIN!

WEST COAST STORY

Your article "West Coast Story" was revolting, repulsive, degenerate and noxious. An accurate estimation of "extremist freaks."

Jack Hensley
Modesto, Calif.

Regarding "West Coast Story," the Left Movement (in general) considers violence as means to a just end. And, since the apathy of the public ignores peaceful revolution, and the government all but makes it impossible, violence is becoming more and more of a reality. Mainly, because it's the only medium any one seems to understand. But thank you for pointing out the moronic insensitivity of the Mass Media. All they see (and show) is the blood . . .

Nancy Barton
Los Angeles, Calif.

A brilliant revelation, showing the struggle for what it really is; a power clash, resulting from mutual intolerance, where both sides engage in tactics they publicly deplore in each other. Really heavy. Thanks.

Ellen Smith
Shimer College, Ill.

HEAVEN-SENT ANSWERS

I think Dick De Bartolo and Donald K. Epstein were angels to help God catch up with His paper work. "Answers To Children's Letters—From God" was . . . er . . . very CREATIVE.

Frank Judge
Grosse Pointe Park
Michigan

I want you to know that I once wrote a letter to God in Heaven and it was returned marked "Unknown At This Address."

Arnold Greenstine
Philadelphia, Pa.

The Zip Code is . . . 00000!—Ed.

"OUT OF ORDER" COVER

I thought your "This Country Is Out Of Order" cover was truly right on! Even up here in Canada we can see the problems.

John Kipky
Prince George, B.C.
Canada

COMMUNISM REVISITED

Cheers for "Communism Revisited"! Not only did you shoot down your own cover theme by bringing out such a fine article, but you showed with the greatest clarity what each side was all about.

Steven Haley
Peterborough, Ont.
Canada

As a college student who is constantly bombarded with the advantages of Communism and "the Revolution," it was a relief to read Max Brandel's article exposing Communism and all its hypocrisy. Thanks for turning me on.

Drew Hegeman
University Park, Pa.

Brandel sees through (as in all of his articles) the hypocrisy of those "Eternal Truths." "Communism Revisited" is a brilliantly conceived article.

John S. Thomas
Winchester, Va.

Make sure the Kremlin and Mao get their copies soon!

Peter Sprigg
Berwyn, Pa.

You could have balanced it out with some quotes of *our* politicians like "equality" and "freedom."

(No name given)
Lynbrook, N.Y.

WHAT IS A PARENT?

I was amazed at "What Is A Parent?" Almost every example was true for me. When did Tom Koch, the writer, meet my parents?

Ann Cardillo
Providence, R.I.

"What Is A Parent?" was uncouth, underhanded, disrespectful, and one of the best articles you've done in ages!

Stephen Eisenbaugh
Manassas, Va.

My Mom suggested you do one on kids!

Diane Emmons
Glendale, Calif.

We wonder if we'll have to do much of a re-write on this same article, twenty years from now.—Ed.

MY THREE SONNY BOYS

Your satire of "My Three Sons" was great. Angelo Torres and Arnie Kogen did an excellent job. The funniest part is, it sounded like the real show!

Mark Houlton
Worcester, Mass.

... it tickled my Sonnybone!

Tony Wolff
Philadelphia, Pa.

TEN MILLION SOLD

Yep, we can assume that ten million readers of MAD Magazine are sold on the idea that these full-color portraits of Alfred E. Neuman, MAD's "What-Me-Worry?" kid, suitable for framing or wrapping fish, aren't worth the paper they're printed on. Because that's how many readers we've got who still haven't ordered them. HIPPIE HUNTING GROUND DEPT.

A few issues back (MAD #140 to be exact!), we presented a MAD movie called "PUT★ON." It was about one of the roughest, toughest, foul-mouthed characters who ever lived. Well, you may not believe this, but "PUT★ON" was a "pussycat" when stacked up alongside the hero of this issue's MAD movie! Say "Hello!" to a guy named...

Shm

But before we introduce you to this middle-aged hard-hat, first you gotta

Hi! My name is Melistless Compost! I'm a typical, normal level-headed teenage girl who has left her two adoring parents and a Park Avenue life of wealth and affluence to find meaningful answers to life... and to achieve total fulfillment with the man of my dreams!

CHEERS!

Hi! I'm the man of her dreams!

Listen, when you're on what I'm on... these are the dreams, folks!

CHEERS!

ARTIST: MORT DRUCKER

WRITER: LARRY SIEGEL

I'm worried, Hank! Popping pills is one thing... but you start taking baths and the next thing you know, you'll be on the hard stuff, like deodorant and cologne!!

Don't worry! I can handle it! I know when to stop!

Surprise, Hank! Look what I got you for your birthday!

Melistless! You shouldn't have! Wow! A monogrammed needle and a matching rubber hose! It must've cost you a fortune!

It wasn't very much! Our family pusher is having a Pre-Halloween Clearance Sale!

Gee, Melistless, you're so good to me! I guess I'm just about the luckiest freak in the world!

noe

meet a couple of teen-aged soft-heads...

Hank, our life together is so beautiful, it scares me! I mean, sometimes I don't think I deserve you! After all, what have I got? Money, family, breeding... NOTHING! While you... you've got acid poisoning. V.D., the plague, EVERYTHING!!

Stick with me, baby, and some day it'll all be YOURS!!

I'm Bull Compost, the wealthy Park Avenue advertising executive! Where's my spoiled daughter, Melistless?

She just flew out of town for a fix!

Where'd she fly to?

Brooklyn!

Don't give me that! Planes don't fly from New York to Brooklyn!!

Who said anything about PLANES?!

The weather is terrible! This is no night for flying!

It sure ain't! Right now, there are thirty freaked-out Yuppies stacked up over The Brooklyn Bridge!

You—you're destroying my daughter! I ought to KILL you!!

DEATH?! Gee, I don't know if I dig that kick! O.K. I'll try it!

What do you mean, you'll try it?

Man, I'll try ANYTHING once!!

I say we grab all the *&¢%\$# Blacks and all the *&¢%\$# Jews and all the *&¢%\$# Catholics and Protestants and line 'em up against a wall an' kick 'em in the *&¢%\$#@ and teach 'em a thing or two!

What do you wanna teach 'em, Shmoe?

For one thing... tolerance!

GET OUT OF THIS COUNTRY ALL YOU *&¢%\$# BLACK, JEWISH, CATHOLIC, PROTESTANT COMMIE PERVERTS! GET LOST, ALL YOU *&¢%\$# MORMONS! GO BACK WHERE YOU CAME FROM, ALL YOU *&¢%\$# INDIANS! GET OUT, ALL YOU *&¢%\$# PINKO LIBERAL TRAITORS!!

Shmoe, before you break my eardrums, tell me... who do you speak for?

THE SILENT MAJORITY!!

And those *&e%\$# Hippies! Boy, would I like to kill me a *&e%\$# Hippie!!

I just killed one!

YOU ... KILLED A HIPPIE?!!

Yes! He was ruining my little girl, so I killed him!

That ... parasite! What did he know about life? Before I killed him, I tried to explain how my generation had to **work** for what we wanted, not sponge off others! How we used to walk miles to school when we were kids! How we had to **fight** our way up the ladder of success to get where we were today! How we had to **sweat and strain** and ...

What'd you do? Shoot him? Knife him?

No ... actually I just bored him to death!!

Listen, Compost! I admire you! I like what you did to that Hippie! What do you say we become friends, and I'll help you find your daughter!

Me?! Become YOUR FRIEND?! Why ... you're nothing but an uncouth animal! You've got a bloated beer belly and you smell terrible!!

Look, I TOLD you I like you! You don't have to butter me up!!

Excuse me, but do any of you happen to know my daughter?

What does she look like, Man?

Well, she's about 16, but she could pass for 50! She's got sunken cheeks, glazed eyeballs, a grey complexion, she dresses like Geronimo, and she has 148 needlemarks in her right arm!

Did you see her??

I'm not sure! Does she have any UNUSUAL characteristics?

I don't see her in this place?

Hey! What's going on here?

It's called an "Orgy"! A group of Hippies smoke some pot ...

Just once, I'd like to crack down on those *&e%\$# commies!

... and they listen to freaky music ...

Just once, I'd like to teach them some Americanism!

... and they engage in all sorts of wild, bizarre sex acts!

Just once, I'd like to be a Hippie!

Hi, Honey!
I'm home! I
brought you
something!

Whadya

What's new, Honey?

HAWKS & DOVES

PRIVATE DOVES

ARTIST & WRITER: AL JAFFEE

THE LIGHTER SIDE OF...

You're always tinkering with that Hi-Fi set-up of yours! From the minute you walk in the door until you go to bed, it's noise . . . noise . . . **NOISE!**

You never have a kind word for me anymore! You never take me out anymore! All you do, night after night, is fool with that—**THING!**

What is it? Tell me! What's so fascinating about a radio that you prefer it to me?!

I can turn it off when I want to!

I'm looking for a birthday present for my husband! That ornamental baseball looks interesting!

That's not really an ornamental baseball! That's a **RADIO!**

Oh, is it? Well—how about that pen and pencil desk set?

That's a radio, too! They hide radios in some interesting things these days, Ma'am!

That old-fashioned phone looks attractive!

That's a radio, too, Ma'am!

Well, if I'm going to get a radio, I might as well get a radio that **LOOKS** like a radio! I'll take that one . . .

Must that radio be blaring into your ear wherever you go?!

Mother, will you stop treating me like a baby! I'm all grown up!!

Let's face it, Mother! I'm fourteen, now! **FOURTEEN!!** I've thrown away my old security blanket! I'm a fully mature woman, now!

SO STOP CRITICIZING ME!!

Dear, I can't hear a word you say with that thing going . . .

. . . so will you please shut off your **NEW SECURITY BLANKET!!**

EQUIPMENT

ARTIST & WRITER: DAVE BERG

That son of ours left his big, complicated Hi-Fi set on! I want to shut it off—but look at all the knobs and switches! How in heck do you do it??

Hah! Listen to the big leading member of the Women's Lib Movement asking her male chauvinist husband how to handle electronic equipment!

Your mouth may be going all the time, demanding equality with men—but, as you can see, you're not our equals when it comes to technology or complicated machinery!

Admit you're inferior in many areas, and I'll show you how simple it is!

Okay! Okay! I'm an inferior female! Now—show me how to shut the darn thing off!!

You pull out the plug!

That's not a radio!

That's a whiskey flask!

Oh, my goodness! What happened to you?!

I... I just took a terrible beating! I—I was completely surrounded by FOUR of them! Two were hitting me from the front, and two from the rear!

Four big hoodlums?!

No... four big LOUDSPEAKERS!!

Our son just demonstrated the new stereo tape player he installed in his car!

Oh, boy! Oh, boy! It's snowing! That means my school will be closed an' I won't have to go!

Don't be so sure, smarty! Turn on the radio! If it IS closed, they announce it on the air!

Aw, that radio's been giving me nothing but trouble lately! Don't bother to turn it on! It hardly ever works!

It seems to be working fine!

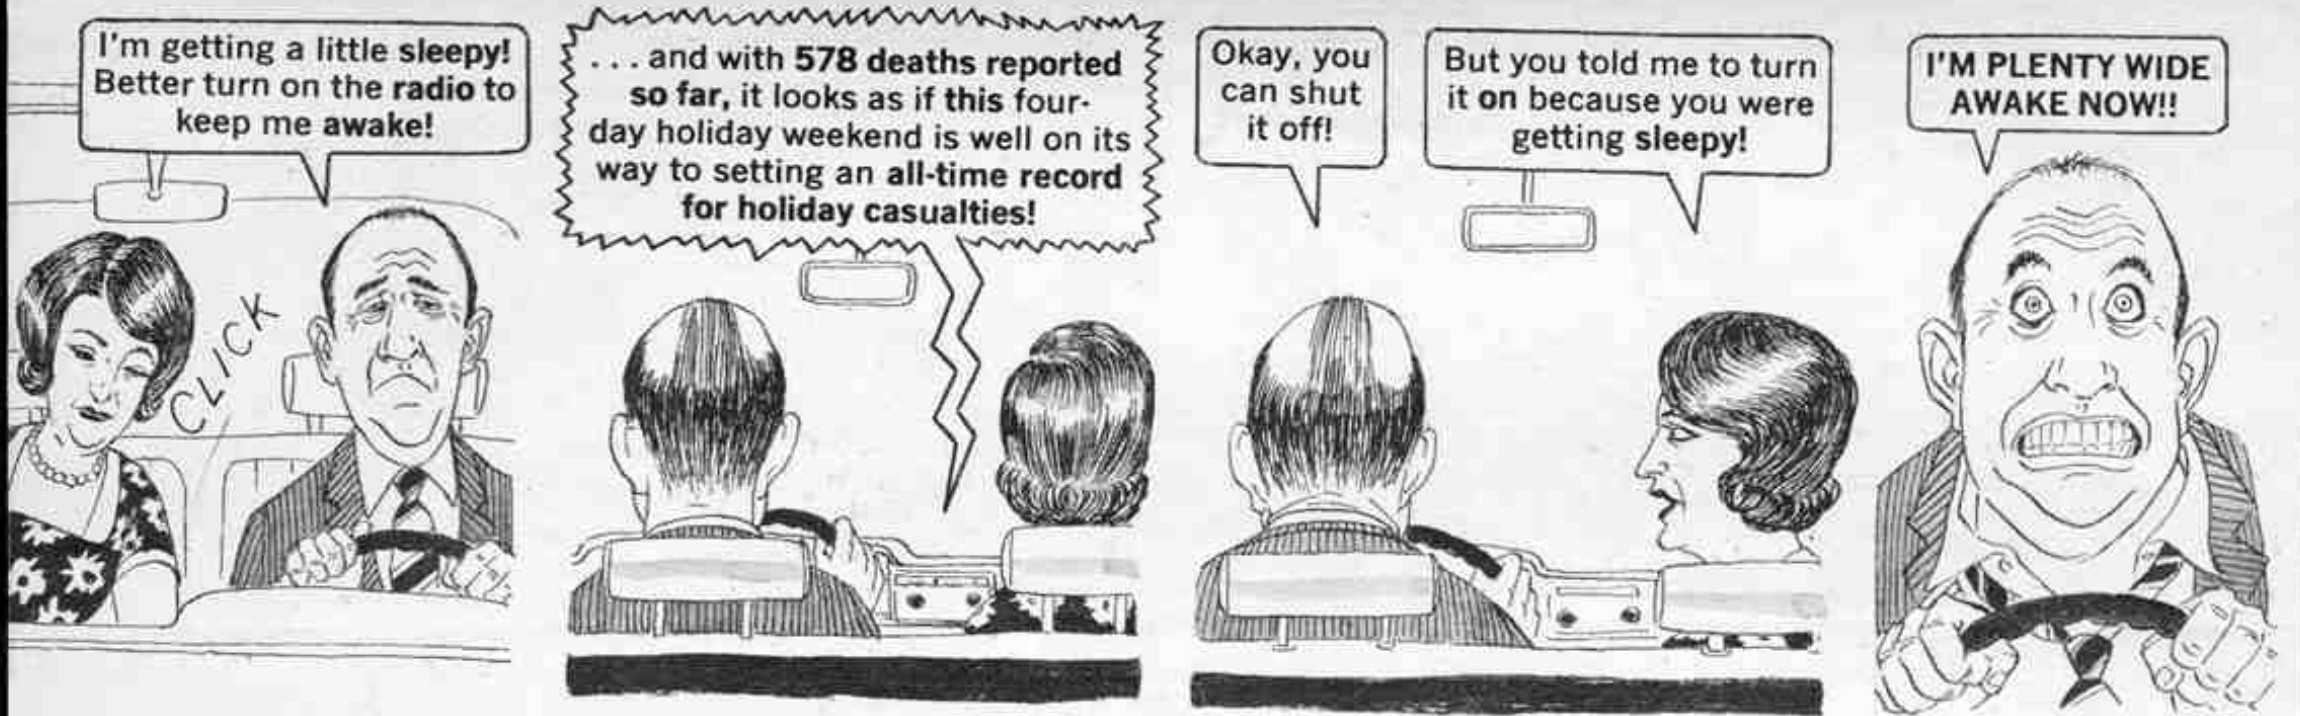

... and despite the storm, all schools will be open today!

DARN!!

Okay, Buster! You heard it yourself! Now get dressed, and go to school!

See!? I told you that radio gives me nothing but trouble!!

Leave a light on . . . and the radio going! That way, burglars will think we're home, and they won't try to break in and steal things!

That's a good idea!

Hey—will you listen to that?

Boy! That sounds like a really expensive set-up!

I was right! There it is! Wow . . . what a beauty! It must've cost a fortune!

Yeah! And those dumb jerks just drove away and left it playing! We—we oughta go in there . . .

Yeah! . . . and steal it!!

Calling Jim Barondess! Calling Jim Barondess! This is Mitch Lipman! Do you read me? Do you read me? Over . . .

This is Jim Barondess! I read you loud and clear! Over and out!

Gee! I can hear Jim so clear! Walkie-Talkies really work great!

They sure do!

And I don't even have my Walkie-Talkie ON!!

I didn't know the Groom was hard of hearing!

He's NOT! . . . Oh, you mean that thing in his ear? Steve is a baseball nut! There's a transistor radio in his pocket, and he's actually listening to the ball game while he's greeting people on the receiving line!

I want to wish you both all the happiness in the world . . .

Thank you!

This must be the happiest day of your life!

Oh, it is!

BELIEVE ME, it is!

THE METS JUST WON!!

Are you SURE you don't want to come along?

I'm sure! I'm sure! I really don't mind! I LIKE being alone! I'll turn on some soft music and read a good book!

HEY! What's the matter with the radio?! It's—it's BROKEN!!

Oh, my gosh! No radio?! I—I don't like being THAT alone!!

HEY! WAIT FOR ME!

A radio?! Are you still using that old "has-been"?! Like, get with it, Man! Radios are out!

Cassettes, Man! That's what's "in" today! Cassettes! Anybody who listens to a radio... with all those commercials and boring D. J.'s... has gotta be out of his ever-lovin' mind!

And you're in control, Man! You make your own program! You can get anything you want on a Cassette today!

Really? Can you get what I'm listening to...? Today's football game?!

Hi, Sidney! What's new?

This shortwave radio with international bands is new! I got it last month and I've been listening to broadcasts from all around the world! Boy... now I know plenty!

I know the Rugby scores in England! I know about air pollution in Japan! I know about the bad crops in India, and the typhoon damage in Thailand, and the drought in Australia!

So what else is new?

The house next door burned to the ground last week!

Really?! That I didn't know!

WILL YOU STOP TALKING SO LOUD?! I'M TRYING TO STUDY!

WILL YOU STOP VACUUMING SO LOUD?! I'M TRYING TO STUDY!

WILL YOU STOP PLAYING SO LOUD?! I'M TRYING TO STUDY!

WILL YOU STOP STUDYING SO LOUD?!!

Did you hear that News broadcast?! I tell you, the world is going mad! I'm sick with worry over what's happening today!

I know what you mean! I feel the same way when I listen to the radio!

I don't know what you guys are talking about! I'M not worried at all!

Y-YOU'RE NOT WORRIED?!? Listen—anybody who's not worried nowadays ought to have his head examined!!

Never mind his head!

First... he ought to have his RADIO examined!!

From time to time, the F.B.I. has been severely criticized for the way it handles its affairs. However, in the series presented each week on television, the F.B.I. is depicted as handling matters in a way that would hardly even raise an eyebrow. Which is why we call our version of this show

THE F.I.B.*

**Editor's Note: One of the sponsors of this weekly TV series is a leading automobile manufacturer. From the subtle references and plugs they make throughout the show, see if you can guess which one.*

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

"On October 19th, a man posing as wastepaper basket repairman gained access to the vault of the Last National Bank . . .

"He escaped from the scene of his crime in a sleek-looking Ford Mustang equipped with bucket seats and stick shift . . .

"The FIB was called in on the case because among the items missing from the vault were Federal Securities, Government Bonds, and a bunch of Mr. J. Edgar Hoover's trading stamps!

"FIB Inspector Lucas Oilyskin, along with Special Agent Tame Coldly and Special Guest Agent L.T.D. Thunderbird, following a few slim clues and several fat hunches, found the hide-out of the safe-cracker, who had returned to the scene of the crime and was living in the bank vault . . .

"The safe-cracker was apprehended, and also caught, and sentenced to 99 years in prison. However, his sentence was reduced to 6 months for having the good taste to use a Mustang as the get-away car. The case was closed and—"

Hold it! HOLD IT!! That blabbermouth Narrator has gone too far! I don't mind that every week he tells most of the story . . . but this time, he's told the whole thing!! We're two minutes into the show, and already he's through the **Epilog!** Now . . . can we please start again with another story!? And if that Narrator tells too much **THIS** time, I'll have him arrested for possessing an illegal mouth!

On December 17th, a young woman came into the Washington, D.C., Office and lodged a complaint that her boyfriend had run off with her diamonds. She was told *thmph—phmmph...*"

Okay! We'll take it from here!

Sorry, Miss! Unless it's an inter-State crime, the FIB can not intercede! Do you know what State your boyfriend is in now?

I imagine he's in a state of ecstasy! Those diamonds were worth a fortune!

Then he's crossed State lines! We'll take the case! Inspector Oilyskin! Would you come in here, please?

I just saw the strangest thing! There's a Ford parked outside!

So?! Ford is one of our sponsors! What's so unusual about seeing one parked outside?

Because **THIS** one is parked outside in your **WAITING ROOM!**

What?! If I told my staff once, I told 'em a thousand times . . . Don't leave cars in the waiting room! Park 'em in the lobby like I do!

Excuse me! Hello . . . ? This is FIB Chief Authority Word speaking!

This call is to warn you that the students of Finster U. are going to burn down the School Library, wreck the New Studies Building, and blow up the Science and Computer Laboratory!

But . . . why are you doing this?

We're protesting violence on campus!! . . . **CLICK!!**

BEWARE OF SPIES BUGS TAPS AND THE CHIEF

Looks like we're gonna have some more campus destruction on our hands . . .

Should we get on it right away, Chief?

Don't be ridiculous! We have more important things to concern ourselves with! This lady, for example, has had her diamonds stolen!

And that's more important than campus unrest?!

Of course! This is "THE FIB," isn't it? Besides, our TV viewers see campus unrest every night on "The News"! Now a diamond robbery . . . that's different!

Inspector Oilyskin, meet Miss Jackie Paxton! Now, Miss Paxton . . . suppose you tell us your boyfriend's name?

Sweetheart! "Sweetheart" isn't a name! It's a term of endearment!

Well, that's what I called the bum!!

You trusted your diamonds to a man known only to you as "Sweetheart"?! You're not a very discerning woman!

Are you suggesting that I'm an easy mark, Inspector?

Yes, Miss Paxton! I am!

Call me Jackie!

Yes, Jackie!

What are you doing after work, Sweetheart?

"Sweetheart?!" So Inspector Oilyskin is "Sweetheart"?! You're under arrest, Oil—

Oh, Chief! He IS a Sweetheart, but not THE Sweetheart!

Jackie, you should be more careful with your affection! The world is full of handsome young men just looking for young ladies like you!

That's great! I thought I was going to have to spend the week-end alone!

Now if you can give us a description of the man who took your diamonds?

He was tall, dark, and handsome!

Oh, him!! We'll get him down here in fifteen minutes!

Wait! That's too easy! We have to do what we do every week on this show! YOU have to come up with some vague, remote, lunatic, out-of-the-way clue that we can seize upon to track down our man!

Well . . . now let me see! I know where he lives!

Too specific!

And I know what bars he hangs out at!

Too simple!

And I know his license plate number!

Too definitive!

And that's all I can think of!

Try!! Search your mind! Something obscure . . . some ridiculous fact . . . something of no importance . . .

Well . . . there IS something! But it's so . . . so stupid!!

That's it!! That's what we want!!

He—he always wears black shoes!!

BLACK SHOES!! That's it! What a great, nothing-to-work-with clue! Now . . . watch us spring into action!

Special Agent Coldly, contact every Shoe Manufacturer in the country, and make a list of the ones that specialize in making black shoes!

Special Guest Agent Thunderbird, go to every Shoe Store in the 50 States, and make a list of all persons who bought black shoes recently!

Meanwhile, I'll go to International Airport and question everyone leaving town who's wearing black shoes! See you later, Chief! This may take time!

It better take less than 45 minutes! That's all that's left in the show!

Hello? FIB ...

Is Mr. Hoover there, please!

No, he's not! But maybe I can help you ... ?

I hope so! I'm having a terrible time with my new vacuum! It won't pick up!

Oh, I'm sorry, but **OUR** Mr. Hoover is not the Mr. Hoover **YOU** want! **OUR** Mr. Hoover is interested in fighting crime!

Well, I paid over **\$100** for a crummy vacuum, and now it **don't** work! If **THAT** ain't a crime ... what is?!

This is Inspector Oilyskin ... calling Special Agent Coldly! How you doing, Tame?

No good, Luke! All the companies that make black shoes make brown shoes too!

Luke Oilyskin ... calling Special Guest Agent L.T.D. Thunderbird! How you doing?

No luck either, Luke! The Shoe Retailers Association said their "Anti-Defamation Division" would start an action against us if we attempted to make a list of people who bought black shoes from them!

I'm not having any luck, either! There isn't one pair of black shoes in this whole darn airport!

Let's meet back at Headquarters and try showing Miss Paxton some slides!

Some slides of suspects?

No, some slides of Puerto Rico! Slides of suspects would make our job too easy!!

Hey, Buddy! Is this your sleek Ford Pinto?

It belongs to The FIB! Why?

Well, we love looking at it ... but would you mind getting it out of the airport terminal building? !

Listen! **MAFIA** is ...

No, no! You gotta me **wrong!** I'm-a Lawyer Italiano! I'm-a tell-a this man ma **FEE-a** is **\$50.00!** If he could afford more, ma fee would-a be **\$75.00!**

I heard that! What about the Mafia?

Boy, I sure hope no one from the **Italian Anti-Defamation League** is watching!

Hi, Luke! I see the crook has given you the **DODGE** so far!

PLEASE, Chief! No plugs for other cars!!

Hello, FIB? We just want you to know that our group has **500 rifles, 200 machine guns** and tons of ammunition! So if you don't stop harassing us, we're gonna open fire on innocent people!!

What is the name of your group?

"The Committee To Keep All Firearms Out Of The Hands Of Sick People!" CLICK!!

Was it anything important, Chief?

Naw! **YOU'RE** on the really important case!

Well, we haven't had one stroke of fate or good luck yet ... like when the guilty man accidentally locks himself in one of our jails!

Miss Paxton, can you give us another ridiculous, obscure, useless clue?

But only if it's **no better** than the **"Black Shoes"** one! Remember, we have a reputation to protect!

Let's see ... Oh! Somebody told me that **"Sweetheart"** moved out of his apartment and is now staying at the **"Cadillac Hotel!"**

You must mean the **"LINCOLN Hotel"** ... and we're not interested!

Well, how about this note he sent to me?

Fantastic! Now, **THIS** we can use! It's written in some sort of **hard-to-decipher complicated code!**

What code?! You're holding it **upside-down!** It's written in plain English! It tells me where to meet him tonight!

In that case, we can't use it! **ANYbody** can get clues that way!

I've got an idea! Let's requisition an official **FIB Ford** ... and go chase a **Civilian Ford** through the city like we do almost every week!

FIB! Chief Word speaking ...

Who's calling Operator?

I have a collect bomb threat on the line! Will you accept the charges?

It's from someone named **"Anonymous!"**

I'm sorry! I don't know anybody by that name!

YAAHOO!

Say, this is more like it, huh, Luke?!

You said it, Coldly! A good car chase always gives me a lift when I'm depressed over a case!

LOOK OUT!! WE'RE SKIDDING!!

CRASH

Don't shoot! I give up! I surrender!!

What are you talking about?

Just let me get my black shoes and the diamonds I stole, and you can take me in!!

Luke! This is it! It finally happened! That lucky break we get every week!

Gee! Just in time, too! The show ends in four minutes!

Well! It's good to see you, Sweetheart!

It's nice seeing you, too, Darling!!

HMMMM

"And so, 'Sweetheart' was caught, convicted and sent to prison for 40 years! Jackie Paxton got her jewels back! And the men of the FIB went on to another case! This case involved an underworld counterfeit ring run by a man named Sidney Gwir—"

And now, I want to show you "The FIB's Ten Most Wanted Persons!"

First... we need a good Producer!

Then... we need a good Director!

And we could use one or two good Scriptwriters!

But what we REALLY need are **ACTORS!**
GOOD ACTORS!!

You can't say I didn't warn him!

AT A RECORDING STUDIO

Hey... there's no toilet bowl in here!!

I know! They took it out! Somebody had an idea... and they're recording the **FLUSH** in Studio "C"!

How do you decide who records in what studio?

The most popular, hottest-selling groups are assigned the larger studios!

I... I hear music coming from this broom closet!!

That's right! The New York Philharmonic records in there!!

BROOM CLOSET

We love you, Jerry, and we love you, Buzzy, and we love you, Mitch, and we love you, Mickey, and we all cut off our hair and knitted you sweaters out of it, and we all ripped out our toenails and made you bracelets out of them, and we all cut away parts of our skin and made you wallets, and we all...

We're busy, now, birds! Leave the junk with our secretary and she'll give you an autographed picture of us!

Oh-oh! I... I think I'm gonna be sick to my stomach!

Quick! Hook up a mike! This could be a **HIT SINGLE!!**

Are you kidding?! Throw a **GROUP** behind him and this could be a hit **ALBUM!!**

Great! Now -- what'll we record next?

I don't know!

I don't care!

What difference does it make, anyway?

Man, like, we don't even remember what we recorded last!

Okay! Then, let's record it **AGAIN!**

Is he a visiting dignitary?

No, his last record was a smash hit!!

No, his last record was a smash hit!!

ONE HOT SUMMER MORNING

It figures! When man becomes confused at the irrationality of the world around him, he looks for meaning, purpose and reason in areas that are often more confusing than the irrationality of the world around him. Don't bother to figure that one out, just read MAD's version of a magazine dedicated to mysticism, and the "Gypsy" in all of us...

Dear Omar:

According to my horoscope, the entrance of Neptune into Capricorn last year meant it was a good time for investment.

So I poured my life savings into an oil stock which turned out to be phony and I lost every penny, not to mention my car and house. How do you explain this?

N.M.
Wurtsboro, N.Y.

Dear N.M.

Oh, that rascal Neptune! How this naughty planet loves a practical joke! Don't worry, N.M., Neptune always evens things out, and will probably make it up to you when it enters Capricorn next trip around in 2134!

Dear Omar:

I am a Gemini with Uranus in my ninth house, Mercury in my fourth house, and Mars in my first house. What shall I do?

A.K.
Encino, Cal.

Dear A.K.

Move into an apartment.

Dear Omar:

I am a professor of astrophysics at M.I.T. and for 16 years have studied astrology from every aspect. I have concluded that there is absolutely no scientific basis for belief in the movements of the stars and planets.

T.S.
Boston, Mass.

Dear T.S.

Such hare-brained views can seriously mar the efforts of dedicated occultists. The editors of this magazine join me in urging our readers to pay no attention to fuzzy-minded intellectual nuts like yourself. If M.I.T. wasn't a Libra, I'd really fix your wagon!

Dear Omar:

I am a Virgo who is thinking of taking a walk around the block. I never do anything without first checking it out on my chart, but I see no mention of strolling. When is the best time for me to undertake such a venture?

J.D.
Jersey City, N.J.

Dear J.D.

This, of course, depends upon the opposition of Jupiter to Venus. As of last week, they still weren't speaking, so I'm afraid that my answer must be an unqualified "Maybe."

Dear Omar:

Is it true that two people born under the same sign share similar personalities, beliefs, and outlooks?

A.B.F.
Candlewood Lake, Conn.

Dear A.B.F.

Yes, absolutely. The following chart will show the marked similarities found in people born under the same sign...

The Marquis de Sade *Lived In My Body!*

An Incredible Occult True-Life Experience
by Morton Fenster

It all started out as a regular seance that night back in 1968. Already we'd chatted with the spirits of Paul Revere, Woodrow Wilson, and Harvey Schmeer, a lately deceased third cousin of mine in Denver who'd died owing me twenty-three dollars. Then, suddenly, a chill swept across the room. The table turned sideways in mid-air, and I knew at that moment that the **MARQUIS DE SADE WAS RIGHT THERE IN THE ROOM WITH US!** I could feel his powerful presence getting stronger and stronger until at last his murky, menacing spirit closed in and **TOOK OVER MY BODY!** The women screamed! The men gasped! I belched! There was no doubt about it—I *had become the Marquis de Sade!* Without warning, I was seized by dark, sinister passions. I embarked on a wild, violent reign of unbridled lust and weird, unnatural cravings. I ran the gamut of sexual fetishes, sensual perversions, deviated septums, and other degenerate pastimes too lurid to think about, let alone list!

For six incredible hours it lasted—my will yielding in every lascivious way to his every sadistic pleasure. I struggled to break free, and finally rallied the forces of my own strong moral fiber and righteous indignation to scream:

"Go away, Marquis! **GO AWAY!**"

And suddenly, as quickly as he came, he was gone. I was possessed no more! I was no longer the Marquis de Sade;

I was Morton Fenster! No longer a creature of lust craving every carnal pleasure; but a balding tax accountant living with my wife and three kids in Muncie, Indiana. And suddenly I found myself screaming:

"Come back, Marquis! **COME BACK!**"

But it was too late. The Marquis had (*Cont. on page 57*)

Mystic Meanderings for the Cosmic Community by Claire Voyant

It's all over with Jomar and Zelda Mishkin (she's the medium). Seems Jomar didn't approve of the week-end Zelda spent in Cleveland with Benjamin Franklin (that D.O.M.) . . . A hearty "Welcome back" to Pittsburgh mystic Brahma Bregstein who's home after spending a well-earned vacation visiting friends in 1981 . . . Vibrate your cosmic condolences to these ill-starred occultists: To karma victim Mauve Muncrief, an Aquarius-Pisces cusp who lost her court battle to legally change her sign; and to Automatic-Writing Wizard Lance Wickwire, who is serving two years in prison for writing John Paul Getty's name on checks while in a trance.

A tip of the psychic hat to super-seer Joshua Freen for correctly predicting the date of his rebirth . . . Numerologists Eric Omicron and Seth Sholtar are still exchanging death curses. The feud flared up when Seth accused Eric of trying to 18 his 46 . . . Baltimore occultists are giving the cold-shoulder treatment to Tea-Leaf Reader Phaedra Dinwiddie. Seems she undercharged a customer, then compounded her goof by predicting a piece of bad news . . . Lincoln, Nebraska's own Abner Meerchaum has become the first Earthling to ride in the new "Jumbo" flying saucer. "There's a lot more room," says Meerchaum, "and it gets you to Orion in half the time despite the fact that we had to circle Betelgeuse Airport for more than a lightyear."

After feuding for fifteen years, rival occultists Orion O'Ryan (left) and Booker Bokar flipped a coin to settle once and for all who was the true reincarnation of Napoleon. Bokar lost and is now seeking the cosmic rights to Alexander the Great.

Sorcerer Presto Pollack has moved back in with his wife after a 6 month separation. Presto solved his domestic problems by turning his mother-in-law into a Beagle.

WHERE ARE THEY NOW DEPT: Cassiopeia Waxrush, first mystic to prove that hamsters meditate, is now a Rosicrucian recruiter in Milwaukee . . . Draco Donnelly, who 20 years ago discovered William Shakespeare's ghost in a Kansas City Super-market, is now a door-to-door mandala-mender in Santa Barbara . . . Capella Calhoun, the former Miss Demon-Worship of 1949, runs a boarding house for retired apparitions in West Orange, N.J.

BIRTH NOTES: It's a boy for Madam Myra the Medium. The father is most likely Jacques Casanova . . . It's a future automobile salesman who'll marry an airline stewardess and settle down in Altoona for prophet Lee Lumbar and his lovely wife Lulu.

Occult insiders expect Vulcan Freen to walk off with the "Sorcerer-of-the-Year" Award. Vulcan won plaudits for his recent conjuring in a New York City restaurant when he actually made a waiter materialize . . . LOOK ALIKES DEPT: Quandra Muldoon, authoress of "How To Win At Tarot Cards," and Satan.

HOW ABOUT THAT? DEPT: During the recent favorable Venus-Saturn conjunction, Astrologer Mandrake Meerchaum was wiped out in the stock market, broke both legs in a Yoga experiment, and lost his home in a four-alarm fire. Undaunted, Mandrake will sue the Solar System.

Headquartered in an abandoned comfort station in beautiful downtown Fresno, The CHURCH OF OOG believes in the divinity of the earlobe. Members meditate alternate Thursdays wearing see-through shrouds of luminous Mediterranean algae.

THE SHRINE OF JOE PEPITONE

This cult possesses divine proof that the spirit of Joe Pepitone lives in six-year-old Francie Gretzer of Morgantown, West Virginia. Bi-weekly seances are conducted by an Appalachian Poltergeist named Floyd.

THE VIBRATORY SYNOD

These cultists have uncovered a set of Atlantean stone obelisks which give off vibrations corresponding to each member's Zip Code number. On their high holy days, members all prostrate themselves before a giant locust idol made of styrofoam.

GLUB

This spiritual group gets its name from the last word spoken by the prophet Leonard when he was drowned in a vat of rose-water by Satan. Fellow cultists exorcise sin by flogging each other with rutabaga leaves.

YOU AND YOUR CRYSTAL BALL

by Minerva, the Medium Rare

THIS MONTH: *Gazing At a Departed Loved One*

GETTING AN IMAGE

As in most cases, the first images to appear are hazy and cloud-like. They will gradually transform into a more definite pattern as you concentrate.

Focus your *eyes* on the diffused shapes, your *mind* on the spirit of a departed loved one. You'll sense, subtly at first, his presence about to materialize.

As the shapes take definite form, do not act surprised or shocked if he appears unrepresentable. After all, he probably wasn't expecting company!

CORRECTING A FAULTY IMAGE

"Rear projectory" is a common mistake of the novice gazer and can be easily rectified by turning the ball *around*. You're facing the wrong side, dummy!

A "split image" is the result of your concentrating on *two* departed loved ones at the same time. Don't be greedy—remove one of them from your thoughts!

Should you contact *someone else's* Uncle Max by mistake, apologize and the image will leave. Notify your Cosmos Supervisor so you won't be charged for the recall.

COMMON GAZING PROBLEMS

The situation above illustrates a simple case of *bad timing*. The problem is that your Uncle Max is currently appearing in the crystal ball of one of your relatives.

Even *worse* timing! Your Uncle Max has reincarnated as a goat in the mountains of Bulgaria. Don't waste time contacting him—he's even less coherent than before!

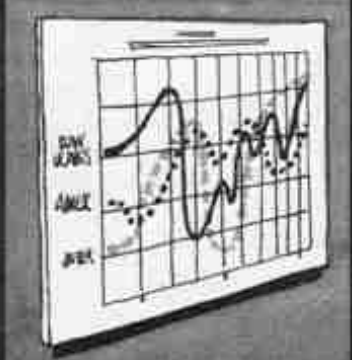

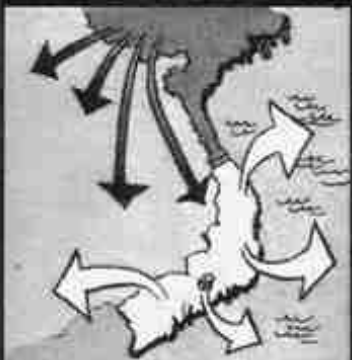

Interference is usually caused by a faulty psychic transmitter, jamming by a jealous poltergeist, or cosmic overload (there's a lot of it going around).
