LETTERS DEPT.

ANTENNA ON THE ROOF

When I saw the cover on your "Antenna On The Roof" issue, I snatched it up, ready for a fantastic take-off on "Fiddler". Instead I got a lecture on the money-mindedness of middle class America. I think Frank Jacobs could have done much better if he had kept the story in Anetevka.

Jane Rosinski
Behesda, Md.

Felicitations! Felicitations! Felicitations! I loved your spoof on "Fiddler On The Roof", although I enjoyed the movie, too. You raked 100 with my Mom on your "Christmas Hate Book", and the rest of the magazine was, as usual, psyched-out!

Sarah Mercier
Shreveport, La.

I thought the movie was good, but your satire was true-to-life, describing the way a lot of people live. Congratulations to the two "goofs" who wrote and illustrated it, Frank Jacobs and Mort Drucker!

Doris Dombi
Coraopolis, Pa.

"Antenna On The Roof" was really up there! Congratulations on a fine job.

Skip Fischer
Philadelphia, Pa.

VIRGINIA'S LETTER ANSWERED

I thought your "If Today's Celebrities Answered Virginia's Letter About Santa Claus" was fantastic! Especially the one from Joe Namath. If you can get in touch with Joe, tell him that he can lay those goodies on *me* anytime!

Patti Kimmerly
N. Creek, N.Y.

PROFITABLE FOOTBALL NEWS

I noticed in your "PROfitable FOOTBALL NEWS" you refused to recognize Canada. Is it our fault we play a better, more exciting game than your money-hungry meat-eaters?

MAD LOOK AT SERVICE STATIONS

As I sat in the local gas station awaiting my car to be fixed, I read "A MAD Look At Service Stations", and cracked-up. So did the guy behind me in line... right into the rear of my car.

Jennifer Baines
Westfield, N.J.

"CLODUMBO"

Credit Lou Silverstone with the pursuit and capture of TV's "defective" detective. Along with his apprehension of "COLUMBO", he also caught the incriminating, not-so-dumb, dum-dum dialogue which makes *me* a captive audience to the show. Please, another immediate assignment for super-sleuth Silverstone!

Molly Rosenkampff
Ardsley, N.Y.

Lou Silverstone really did the trick! Catching "Columbo's" unique speech pattern in his brilliant satire was a triumph. You can just about see Peter Falk in character, if you close your eyes while reading the MAD version. Come to think of it, that's a pretty good trick in itself.

Frank Judge
Grosse Pointe Park, Mich.

Even though Peter Falk is a cuddly, lovable slob of a cop, I enjoyed the subtlety of his totally annoying qualities. Fantastically funny farce.

Pat Zappa
N. Hollywood, Calif.

"Columbo" is one of the few TV shows I will go out of my way to watch, and I was thrilled to see it featured in your January issue. But one thing puzzles me. I always thought MAD did strictly *satire*. Since when have you gone into actual *script writing*?

Maryann Dumas
East Paterson, N.J.

We appreciate your affectionate machete-job on "COLUMBO". We think your writer, Lou Silverstone, knows more about the show than most of the guys who do the teleplays.

Richard Levinson &
William Link
Producers: "COLUMBO"
Universal City, Calif.

MINGO'S UNDER-COVER AGENT

For the past few issues, your covers have been exceptionally well done, thanks to Norman Mingo. For instance, the one with Alfie eating corn, and the one with the straw hat pulled down over his head, and especially the one with The Godfather Family. Which leads me to ask: Why doesn't Norman Mingo do UNDER-COVER work? Not having him do articles *inside* MAD convinces me that you are (partially) the idiots you claim you are.

Ray Weitzel
Pittsburgh, Penna.

CHRISTMAS GREEDINGS

When I saw your "Christmas Greedings", I almost fell off my chair. I'm glad someone else sees who the jolly old man in the red suit really is.

Cathy Garey
Negley, Ohio

MAD CHRISTMAS HATE BOOK

Congratulations to Al Jaffee on his "Christmas Hate Book". I've picked out a bunch of the individual "hates" and left them in obvious places so certain people (teachers, parents, friends, etc.) will find them and take a hint.

Greg Martin
Scott AFB, Ill.

I completely detest "The MAD Christmas Hate Book" and Al Jaffee's work. I thought you had more class.

Raymond Duffy
Astoria, N.Y.

Your "MAD Christmas Hate Book" was very funny but lacked: DON'T YOU HATE . . . magazines that have articles about Christmas in them, during Thanksgiving.

Mike Oliver
Honolulu, Hawaii

How about DON'T YOU HATE . . . finding a price tag on one of your children's presents as you tell him Santa Claus brought it.

Steve Venturino
Bakersfield, Calif.

YOU KNOW YOU'VE REALLY GOT A PROBLEM WHEN . . .

"You Know You've Really Got A Problem When . . ." you've been buying MAD for years and you still enjoy each issue.

"You Know You've Really Got A Problem When . . ." you receive a gift subscription to MAD Magazine.

Nicholas Moffa

DON'T YOU HATE . . . "You Know You've Really . . ." articles?

Cathy Brown

REALISTIC MODEL CAR KITS

Your "Realistic" MAD Model Car Kits" would have been *more* realistic if David Gantz had removed all the hub caps from his exhibits.

Irma Zwan

"LOVE" OF JAFFEE

I must say that Al Jaffee has talent. He not only can write, draw and has a great sense of humor, but he has a rare loving side, too. The "Fold-In" page of your last issue was really nice, but it seemed a little out of place. "LOVE" in a MAD magazine?

HERE'S OUR VERSION OF A "COPS AND ROBBERS" MOVIE THAT'S MAKING THE ROUNDS. THE MOVIE IS MOSTLY ABOUT "COPS"! THE "ROBBERS" ARE THE ONES THAT TAKE YOUR MONEY AT THE BOX OFFICE!

You guys must be the new recruits!

No, we're on our way to a costume party, and we all just happened to decide to dress up as Cops!

No, we're a Bowling Team that just has a "thing" for dark-colored uniforms!

No, we're a Boy Scout Troop suffering from an "identity crisis"!

No, the store down the street just happened to have a great buy on blue serge suits with badges!

Okay, you guys! Knock off the "snappy answers"! Now who knows the names of the five districts in this Precinct...? Who knows the names of THREE of the five districts...? Who can name ONE of the districts...? Who knows the address of THIS Station...? Well, what DO you guys know?!

I know how to short sheet a bed!

I know how to set a pail of water over a door!

I know how to stick a pin into a door-bell so it keeps ringing!

Hmmm! I can see that you guys are gonna be...

THE NEW COMEDIANS

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

C'mon, now! No more fighting! Tell you what I'm gonna do! I'm gonna grant you two a divorce! Would you like that?

Yeah!

No!!

I really mean "Yes!" But if I said that I'd be agreeing with her!

Okay, place your hands on my badge . . . By the power vested in me by the State of California, and by the insane imagination of the writer of this ridiculous film, I now pronounce you UN-husband and UN-wife!

But you can't divorce them!

Why not? Last week, I married them!

Le'me tell you a little bit of Kilvicesky's Law! If somebody gives you a fist, you give 'im a stick! If he gives you a stick, you give 'im a knife! If he gives you a knife, you give 'im a gun!

What if they give YOU a gun!

You give 'em your feet!

How does feet top a gun?

You run like a mother!

Oh-oh! Pull over here! Looks like some trouble that might be good for a few one-liners!

Officer, this lady tried to cash a rubber check!

Well! Looks like we BOUNCED over just in time!

Is it really a rubber check . . . or are you STRETCHING a POINT???

But seriously, folks . . .

Listen . . . I didn't know it was a bad check! You—you gotta believe me!

I believe you!

You do . . . ?! Then how about YOU cashing it for me?

I just stopped believing! Who gave you this check?

A young Black man, about twenty years old, with an Afro haircut, wearing dungarees, a torn T-shirt and dirty leather sandals!

Is this the man?

That's him! That's him!

But this guy doesn't match ANY PART of her description, Kilvicesky!!

That's just another bit of Kilvicesky's Law, my friend! Since Judges throw EVERYTHING out of Court these days, why bother with little details like matching descriptions?!

Bratty stayed up all night so she could have dinner with us when you came home! Aren't you going to say something to her?

Sure! Bratty, because you stayed up way past your bedtime, you can't have ANY dinner!

But, Daddy, I'm hungry—yawn—and I'm tired! Can't I eat dinner and go right to bed?

No . . . you can eat breakfast and go right to school! Unless you want me to arrest you for Truancy!

But seriously, folks—

Boy... the streets are sure filled with a lot of Ladies of the Evening!

Yeah! And there are a lot of Hookers out, too! Let's arrest a bunch of 'em, drive 'em around town, get 'em drunk and then set 'em all free!

Okay, girls! You five! Into the van! Move!

Kilvicesky, you dirty rotten &¢%\$#@&¢%!!

What are you getting sore about! He's not arresting you!

THAT's what I'm getting sore about! I haven't had the Kilvicesky Treatment in MONTHS! I gotta stay here and work my &¢%\$#@* off while those dames go for a joy ride around town with FREE BOOZE!!

Okay, they're so drunk they won't cause any trouble! Let 'em out...

Bye, Kilvicesky! Pick us up again —hic—tomorrow!

Thanks for a won'erful —hic—time!

Calling Van 45! Calling Van 45! There's a bunch of drunken women on the corner of Stagg and Elm! Arrest them!

ARREST them?!? I just put them there!

Well, from now on, just leave 'em on the streets where they stay sober and we never get any complaints about them!

Now, proceed to 22 Bacon Street, where a Mother is reported to be mistreating her baby!

We got a call there's a baby being mis-treated, and: Say! She's quite a baby herself!

Well, then, why don't WE mis-treat HER?!?

Where is the baby, Ma'am? Taking a nap!

Well, then, that baby's under arrest for stealing!

If you touch that baby you'll be sorry!

Why? Haven't you changed his diapers?

I won't let you take it! I'm gonna hold onto his leg!

Good! Then I'll grab his wing!

And I'll take the white meat!

This is a BABY —not a turkey!

You'll change your mind when you see some more of this movie, lady!

Wow, am I bushed! Kilvicesky and I spent the whole night convincing some jay-walker he was going to get the electric chair! Boy, did we have him going!

Now, I need some sleep!

Aren't you even going to talk to me first?!? I'm so lonely lately! You put in such crazy hours, I don't see you any more! We're like total strangers!

Are you starting THAT again, Eleanor?

My name is DOROTHY!

Oh, my gosh! There're a couple of kids making out in this car, and it's right in the line of fire! If there's a shoot-out, they could get hurt!

Hey, you two! Last one out is a rotten eg—

Boy, talk about having no sense of humor . . .

Well? Did you learn anything from that little incident!

Yeah! Never mess with a guy and a girl when they're messing with each other!

I'm glad to see you haven't lost your sense of humor!

No, my sense of humor I kept! What I lost was about fourteen feet of my **INTESTINES!!**

Tell them they no longer have to pay that crooked slumlord \$50.00 each a month for this! They're all moving into **MY** place for \$45.00 each a month!

That's great, Kilvicesky! Gee, your apartment is a hundred times better than **THIS** dump!

My apartment?! I'm moving them into my garage! After all, they're only **wetheads!**

In my garage, they'll be **wet-HEADS!!** The roof leaks!

Er—you mean **wet-BACKS!!**

But, seriously—

Well, guys! I retire today, so you can have all the **Police Equipment** I've gathered over the years! Here's a joy buzzer, a squirting flower, some fake doggie pooh, and a cushion that makes a funny sound when someone sits on it!

What are you going to do **now**, Kilvicesky . . .?

Oh, I'll think of something! How about this . . .?

Oh-oh! I needed this like a hole in the head! But seriously—

He's dead . . . and I know the reason! Kilvicesky shot himself because when someone gives his entire life to the cause of **Justice** . . . and his retirement comes, he's got nothing else to live for!

Wrong! I know a better reason! Kilvicesky shot himself because he thought he was pulling the trigger on **THIS** gun! He was a **comedian** . . . right to the end!

I had to come back! Do you understand why?

Yes! Because I am a woman and you desperately need love!

No! Because you are a **NURSE**, and desperately need bandages!

The punk I was chasing got away! The lousy &¢%\$#@!*

It makes me so mad ... so furious ... so &¢%\$! angry!

Hit it harder, Pig!

You really think you're tough, eh? I wreck your car, and you ask for more!

It ain't MY car, Mack! It's YOURS! I stole it from the parking lot behind the Police Station!

You know, I've fallen deeply in love with you, and it's partly due to your fantastic cooking! What do you call THIS wonderful breakfast concoction?

It's called "toast"!

Gee, I'm really looking forward to today! It's going to be so great, so much fun, so full of laughs!

Oh? You're taking the day OFF?

No ... I'm going to **WORK!!**

Well, you be careful! Because if you happen to get through another eight hour shift alive, I'll make you another one of my specialties ... **CORN FLAKES!**

There's a crazy man up there, with a **GUN!!**

How do you know he's crazy?!? Are you a housewife ... or Dr. Joyce Brothers?!

That's IT Copper! I can't stand no more!

Why?! Gasp! What—gasp—what'd you do THAT for?

Because I've had it up to here! Jokes ... jokes ... jokes! A movie about the **Police**, with nothing but violence and jokes! Where's any mention of the **GRAFT**, the **PAYOLA**, the **KICK-BACKS**, the **SHAKE-DOWNS**, the **FREE MEALS**, the **SLEEPING ON THE JOB**, the **BLACKMAIL**, the **CORRUPTION!!**

Wh-what do you want ...? This picture to bog down in **REALITY!!**? Besides, think of the **RISKS** a Cop takes! He never knows if someone's going to shoot him, or stab him! Danger could be lurking around any corner! He never knows for sure if he's going to come off his next shift alive ... or dead!

Well, you're right about that part! It does take **GUTS** to be a Cop!

Yeah! And—gasp—**HERE THEY ARE!**

See that?!? What'd I tell you?!? Once a comedian, always a comedian!!

General Science II

Special Work Project Report

As my special work project to get extra credit this summer i picked pigs as studying them is very scientific

To do my study project and get my extra credit, i got out all the notes i made a couple summers ago when i went to study pigs on my grand fathers farm in ~~Conz Keos~~ Iowa. Also i got a lot of books out of the libairy.

Part 2 - Scientific Conclussions
Pigs are a branch of the hog family which althow born small grow to be among our larger agricultral animals of probably 100 pounds or probably more. This is probably due to their being fed dayly or oftener which is probably oftener than they need to eat which therefor makes them fat. We probably proved this scientific theory last semester studying how food we eat gets converted into energy which if you don't use it makes you fat.

Therefore, my special work project for extra credit proved scientificly that pigs are like people in this respect. Also the pigs and my grand father smell a lot alike which makes them alike in another respect which is another scientific conclusion i got from my special work project for extra credit. Also they have very small eyes and stare at you, but that is only the pigs.

through the years of drudgery without realizing that the whole ridiculous thing is avoidable. It should be obvious to anyone with an ounce of connivance in his soul that breezing through school without ever cracking a book is a cinch if one remembers two simple facts: (1) The first theme you wrote in second grade can be rewritten to fill every assignment you'll be saddled with later on, merely by adding some appropriate big words and twisting the subject

matter around a little! And (2) teachers seldom read the trash turned in by students anyway! All that really counts is filling lots and lots of pages with words, thus "proving" that you've emerged with a clear grasp of whatever it is you're supposed to be grasping.

MAD herewith demonstrates what an easy swindle it is to master. And once you've got it down pat, you, too, can loaf through the next fifteen crucial and formative years as you're . . .

"A TALE OF TWO CITIES"

I found this book to be 527 paGes long and as talked about in class, a work of grea^t English literature even though most of it seems to be about FRance. It is well written and holds the interest of the reader well; expecially through the first chapter.

My onl y criticiSm of the authors' writing is the way he never says in the first chapter that the rabble (who were the FrenCh country people of their day that started the ~~FRenCh~~ French revolution by killing all the city people) probably raised many pigs on their farms. I think /M/ the book #would have made more sense if the author had said this in THE first chapter because pigs smELL and have to be Fed every day which # could have made the rabble act like they did.

Unless the author wrote about it in later chapter^s, the reader w/ also would not learn that pigs have very small eyes and stare AT you when ~~you look at them~~ you stare at them.

This could make the rabble bloodthirsty as I learned while doing a loT of outside reading in Kansas a couple of years ago. But the author leaveS this important fac^t out of Chapter 1.

I have no other criticiS^m of this book as I found all the reast of it to be a Work of great literature as we talked about it in class.

INTRODUCTION TO PSYCHOLOGY FINAL EXAMINATION

Discuss the role of childhood trauma in producing neurotic adult reactions to external stimuli.

1. Many case histories found in optional supplementary reading for this course prove that childhood trauma produce neurotic adult reactions to external stimuli. A classic example is that of Bertha M., discussed in a large book not available in our library. As a child, Bertha M. was never told that pigs are born small but grow larger and, in time, create an odor that can be transmitted to humans. Frightened by such external stimuli, she lapsed into childhood trauma, which soon worsened when she found that pigs also have small eyes and stare at people. In later life, this caused Bertha M. to develop a phobia about touching pigs even though she didn't look Jewish. Her case is so typical of the type discussed in the assigned reading that citing further examples would merely be repetitious.

CONTRIBUTORY FACTORS IN THE CLOSING
OF THE AMERICAN FRONTIER

Much has been written attributing the ultimate termination of frontier life in the United States (both ethnic and subsidiary) to the Oklahoma land rush, the invention of barbed wire and similar events occurring between 1890 and later on.

However, exhaustive research into the matter reveals that the approaching halt of the nation's westward thrust could be foreseen at roughly the same time as a result of the coming of the domestic pig to such previously untrammelled areas as Kansas.

Though the subject is seldom touched upon except in unpublished source material, the fact that pigs are born small and grow to exceptionally large size could well have played a role in the elimination of the buffalo, the Indian and the cowboy from the Great Plains region. Certainly, the cowboy (a classic frontier symbol) found himself encroached upon by the new swine-oriented culture, and so was forced off the land by the first generation of pigs to grow to maturity.

Additionally, pigs have remarkably small eyes with which they tend to stare at people (including Indians), and this alone is sufficient to reveal a

THE ABSENCE OF RURAL FAUNA AS IT RELATES
TO THE PROLIFERATION OF URBAN DELINQUENCY

A Thesis Submitted for the Degree of Master of Arts
in Sociology by Wilfred J. Eftie, B.A.--1971

Viewed empirically, the sociological discipline has accorded scant notice to the absence of rural-ity as a causation for urban life patterns in general, and, more specifically, for the overall spread of anti-social behavior among the youthful. It is the intent of this thesis to prove, both through existing literature and original research, that urban delinquency is confined chiefly to cities because of a progressive absence of farm animals in such concentrated centers of population.

Indeed, a direct inverse mathematical correlation may be quickly established by the perceptive student through application of the simple formula

$$F = \frac{PSM^2}{H}$$

(Felonies equals the square root of People per Square Mile divided by Hogs).

Though available literature provides few concrete figures on either swine density or felonious crime in the 18th century history of a typical urban center such as the Bronx, the fact remains that pigs have very small eyes with which they stare at people. Furthermore, this staring practice is the apparent sole factor accountable for the crime rate differential between the Bronx and such traditional H.H.D. (High Hog Density) areas as Kansas.

Moreover, existing source material fails to mention that pigs are born small, but then grow to an ominously large size. Obviously, this phenomenon alone would tend to serve as a crime deterrent in H.H.D. areas.

Finally, in the pages that follow, we shall explore the role of pig smell (or, conversely, its absence) in the field of crime detection and many

**A QUALITATIVE ANALYSIS OF SWINE VISION
AS IT PERTAINS TO HUMAN BEHAVIORAL
RESPONSE IN OSBORNE COUNTY, KANSAS.**

A dissertation based upon primary research
and presented as a qualification for the
degree of Doctor of Philosophy in Abnormal
Zoology by Wilfred Jeffred Eftie.

The original research data hereinafter presented is based solely on heretofore unpublished findings as compiled over a two year period¹ during which residents of an ethnically typical Kansas farm were subjected to being stared at by the 42 hogs² comprising this study's "control group".

Without resorting to value judgements, it is the intent of this research project to substantiate an empirical relationship between the small size of the median swine eye³ (as intensified through the pig smell/eyelid blink factor⁴) on the one hand, and resulting intrafamily behavioral oddness on the other.

Though the visual capability of the Poland China hog is not scientifically measurable, the literature abounds with proof that this breed tends to have white bristles⁵. By the same token, animals in the control group progressed, without exception, from small to large size as they matured⁶, thus creating the impression that they could both see more and take increasingly decisive action in response to visual stimuli.

These factors⁷, as will be correlated in the following, tend to bring forth human peer group subservience, thus giving rise to such defensive Kansas colloquialisms as "hog-wash", "schweinhundt", and, most revealing, "in a pig's eye".⁸ This "sour grapes" response typifies the full range of

MAD INTERVIEWS A TYPICAL LIBERAL FAMILY

ARTIST: PAUL COKER, JR.

WRITER: LOU SILVERSTONE

There **DOES** seem to be quite a number of **Black** parents here!

Uh—these aren't exactly parents, Bill! Actually, they're chauffeurs, housekeepers, nurses and maids—waiting to pick up their employers' children!

I see! Tell me, do **ANY** Blacks attend this school?

Bill, there is at least one minority child placed in each class! And not just your common, everyday minorities like Blacks and Puerto Ricans! We've got Indians, Chinese, Italians—even an Eskimo boy! You have no idea how much it costs to fly him from Alaska!

All these underprivileged children are here on **Full Scholarships**, paid for by us—the "**Parents Group**"! It makes one feel good to help children of those less fortunate than one's self!

AND, of course, all the money we contribute is tax-deductible!

What are your views on the **Police**, Mr. Heartbleed?

Cops?!? **Corrupt**, every one of them! Y'know why they harass poor, underprivileged kids instead of going after the **big Syndicate** guys? I'll tell you! Because they're all on the take, and ... **HEY! MY CAR IS GONE!!**

I just paid **THREE GRAND** for that new Ferrari, and now some punk kid's gone and stolen it...

Three thousand dollars for a Ferrari?!? A car like that's worth at least **TEN thousand!**

I know! I got it from a guy I met in a bar! I make it a policy never to ask questions when I'm offered a fantastic deal!

HELP! POLICE! HELP POLICE! I'VE BEEN ROBBED!!

I hope you don't mind if I **picket** for a while, Bill! I feel a person should **STAND UP** for what he believes in!

Go ahead! But don't you find it **strange** that my brother, the **Conservative Senator** from this State, is **ALSO** opposed to this very same housing project?

Yes! It's **amazing** how **LIBERAL** he's getting!

But I was under the impression that you **Liberals** favored low-cost housing!

We do, Bill! I think I speak for all the people here when I say we firmly believe the Government should **build** decent low-cost housing! It's one of the **greatest** needs this country has! Especially in the **South**! Why, have you ever been to **Mississippi**? You wouldn't believe the **terrible** living conditions down there!

Okay, then **why** are you protesting **THIS** housing project?

Bill, New Leftchester just isn't the right place for a development like this! It has nothing to do with race, mind you! It's just that there is a very distinctive quality about this community that we want to preserve!

What's so special about this community?

The houses!

Well... they **ARE** nice! But there's really nothing very distinctive that I can see about their architecture!

This has nothing to do with architecture! It's the price! They cost an average of **\$85,000** each—and **THAT's** what we're trying to preserve!

What are your feelings about Marijuana?

Well, to be honest, Bill, I've never turned on! And I've ordered my kids not to go near the stuff until all the medical research results are in!

Hey, Walden! I need your John Hancock on this petition we're circulating asking the Government to legalize Marijuana!

I had the distinct impression that you were **NOT** in favor of legalizing Marijuana yet! And if that's so, then why did you sign that petition?

Bill, I'm a Liberal, and proud of it! But I can't always do exactly what I'd like! There's such a thing as "taking the Liberal position!" If the Liberal leaders are **FOR** legalizing pot, then I've got to go along! You Conservatives have it easy! If the Left is for it—you're against it!

I guess it's safe to assume that you're **opposed** to the Draft!

You'd better believe it! Our oldest son, **Sacco**, is living in exile in **Canada** rather than fight in a greedy dishonest, immoral war!

You must be worried about his future!

Not really, Bill! It's only a matter of time before the Congress grants those kids amnesty! It's my other son, **Vanzetti**, I worry about! He goes to **Columbia University**!

What's he done, join one of those **EXTREME RADICAL GROUPS**??

I only wish he had! No, I'm afraid you're not going to **believe** this, but he's majoring in **ROTC! ROTC!!** I'm the laughing stock of my Beach Club!

Mr. Heartbleed, you seem to have a great deal of time to devote to causes! What type of business are you in, may I ask?

I'm in Real Estate, Bill! I own a few apartment houses in Harlem and in Brooklyn!

Our Teacher says we have to write a report on slums for homework! Daddy... what's a "Slumlord"?

Er... don't bother your Daddy now, Sweetness! I'm very busy with this man!

What do you think is the major crisis we face today?

What worries me most are the threats to our freedom! Just look what's happening! The FBI is spying on people, the Vice-President is trying to intimidate the media, protestors are being unlawfully jailed, kids are being forced to stand for the National Anthem at football games! It's a frightening situation!

Are you active in any of the groups that deal with these problems?

Absolutely! I belong to THE CIVIL LIBERTIES FREE SPEECH SOCIETY, THE BILL OF RIGHTS CONCLAVE, THE JUSTICE LEAGUE OF AMERICA and THE FREE LOVE AND FREE SPEECH ASSOCIATION!

How do you feel about organizations like THE JOHN BIRCH SOCIETY?

The Government should clamp down on those crackpot groups! They have no place in a free society!

And how do you feel about mixed marriages?

Race should make no difference if two people love each other!

Walden! I want you to speak to your daughter!

Like, what's the big deal?! So I'm going steady with a Black man!

You know I never interfere, Nadja! But you're too young to go steady!

I'm 26 years old! This has nothing to do with age! The truth is you're prejudiced!

Now you've gone too far! Me...?! Prejudiced...?! Why, I even put NAACP seals on all of my Christmas cards!

And remember when we saw "Guess Who's Coming To Dinner"? Didn't I say that Spencer Tracy was wrong in opposing his daughter's marriage to Sidney Poitier? Does that sound like a bigot?

Then why are YOU acting the way Spencer Tracy did?!

Listen, you bring me home Sidney Poitier and I'll give you my blessings!

Don't forget we have to attend a dinner tonight, Walden!

What's the occasion . . . ? The "Save Our Wildlife Association" Benefit?

No, silly! I never wear my leopard coat to an **ECOLOGY** affair!

This dinner is for the **Black Panthers!** We're going to raise money for somebody's legal defense, or something! I hope you'll ask Mr. Bugeyes to join us . . .

I hope you will, Bill! You'll love the food! They always serve some authentic poverty dish like chitlins so the guest Panthers will feel right at home!

Listen here, you Honkies! I can't waste time talkin' to you Fascist pigs! So let's cut the jive and get down to business! I want bread so my brothers can overthrow this Mother country! And make it quick, 'cause my Caddy's double-parked!

I will donate one hundred dollars!

One hundred?!? You puttin' me on, Mr. Charlie? Er—two hundred!?

Okay! Now we are flyin'!

I'll ALSO pledge two hundred dollars!

Pledge?!? I don't take no pledges, Whitey! **CASH** only!

You did nothing but insult these people! Why did they donate all that money?

Man, that's conscience money! Like, all Liberal cats feel guilty about us Blacks, so the more I zing it to 'em, the guiltier they feel, and the more bread they lay on me, dig? I gotta split now, 'cause I'm due for another gig at Leonard Bernstein's pad! And Man, those arty cats really come across to buy off their fears and guilts!

How do you feel about campus violence!

Bill, we really dig what the youth of today are trying to do! We don't condone blowing up banks or burning colleges, but it **does** show that kids care and are involved, and that's great! Actually, our only hope for meaningful change is through the **VOTE!** That's why I'm Chairman of the "**Committee To Get The Minorities Out To Register And Vote!**"!

Bill, do you realize that less than 60% of those eligible to vote are registered?!

Off the record, whom did you vote for last election?

Both Party Conventions chose to ignore our choices, so we didn't vote at all!

So you can't blame us Liberals for the miserable shape the country's in!

ALL-NEW "HANDICRAFT" JUNK FOR 1973

Another big tourist season will soon be upon you. Remember how the vacationing yokels from Kansas and Iowa piled off their sight-seeing buses last summer and swarmed into your shop to stare at the "commies and dope fiends?" Most of them bought your crummiest crud as mementoes of their visit to "that sinful place."

Even in the off-season, bourgeois idiots from the suburbs who drop in to "go slumming" can be counted on to grab up anything that looks arty or hand-made. Don't get caught with your shelves empty this year when the pigeons show up begging to be plucked. Look over these items in our new winter line and place your order soon.

BALL AND CHAIN EARRINGS—Originally crafted by a young radical to protest the jailing of the Chicago Seven, these solid lead baubles weigh four pounds each. What happened to the Chicago Seven may now be almost forgotten, but what happens to your earlobes when you wear these will be remembered for a lifetime.

CX34—"AS IS" GRANNY GLASSES \$9.00 dozen pairs

HAND FIRED ARTISANS' CERAMIC ASH TRAYS—No danger of fraudulent advertising charges on these since all the artisans who made them were immediately hand fired by their boss for stupidly leaving two legs off each ash tray. We're selling them as factory rejects. We suggest you sell them for \$6.95

WM87—FIRE HAZARD ASH TRAYS \$2.00 dozen

PROFIT FROM THE APES! Most people will buy anything in a head shop that looks arty. That's why we rented four gorillas to bend old auto tailpipes into designs of their own choosing. Handsomely mounted and given such meaningful titles as "Nuclear Sunset," these should sell easily at \$75 each.

AUTHENTIC HIMALAYAN FLAGEOLET—Basically the same bamboo whistle we offered last season as our Basque shepherd's flute. HEAD SHOP HEALTH FOOD SPECIALS

More and more profit oriented shop owners are discovering that health food nuts provide a big source of repeat business.

Sales records indicate that these loonies will buy anything at any price, once they are convinced that the pathway to a long, healthful life lies in eating strange rubbish.

If you have not yet opened a health food department in your head shop, now is the time to start reaping instant wealth from the physical culture freaks. Or, if you already operate a health food section, you'll want to stock up on these new items to replace the old junk your patrons have now discovered is worthless.

TRADITIONAL BEDOUIN SESAME WAFERS—Frankly, these are packaged sets of used poker chips we bought cheap. But who can recognize an authentic Bedouin wafer, except maybe a Bedouin? NEWLY DISCOVERED VITAMIN B-24! This is what was unexpectedly left over after our chemists extracted all known B-complex vitamins from a carload of peanut plants. We named the residue Vitamin B-24, chiefly because it's priced twice as high as our Vitamin B-12. Order plenty of this as it's a whole new thing for health nuts to fear they're deficient in.

DD10—VITAMIN B-24 IN DRY, BUSHY FORM 50¢ per quart jar

STONE GROUND RAGWEED FLOUR BREAD—The nutritional value of this new item remains undetermined. But the ingredients definitely have proved cheaper than wheat, with most growers happy to give their crops away. Best of all, unsold stock can be kept on shelves for weeks, as fresh and stale ragweed bread taste about the same.

CH29—RAGWEED BREAD (JUMBO SANDWICH LOAF)\$1.10 dozen

POWDERED CALCIUM ENRICHED WITH VITAMIN "D"—Most health freaks gulp lots of calcium to build strong teeth, etc. So imagine the fancy price they'll play for this enriched brand made from dead animal skulls that have been soaking up the healthful desert sun for a century. For vegetarian customers, mention the sun and skip the dead animals.

QP39—PICK-ME-UP ENERGY TABLETS (Bottle of 100) \$2.25 dozen

SEA SALT—Luckily for you, our firm has staked salvage rights to a ship loaded with Morton's Salt that sank off the West Indies in 1927. Cargo was just cheap table salt then, but we're calling it enriched sea salt now. Somewhat lumpy after years of constant moisture, but should still retail at \$2 a pound as a vital health food item.

SD39—SUNKEN SEA SALT\$5.75 per 50 lb. blob

ONE EVENING AT A MASQUERADE PARTY

THE OTHER SIDE OF THE CORN DEPT.

Once upon a time, everything said on Television was quickly forgotten. Then, politicians started demanding "equal time" to answer their opponents' TV statements. Before long, anybody with a different opinion about anything controversial that was voiced on the tube was getting "free time" to respond. Now, even consumer advocates are demanding equal time to answer TV commercials. Where will it all end? Well, most of the so-

GENERAL HOSPITAL

Oh, what a lovely view! But why did you have me moved here to the Kings' And Presidents' Suite, Dr. Hardly?

So you'll be close to all this new, modern equipment when we finally discover which machine will cure your incurable illness! Now, relax! I have the entire hospital staff working 24 hours a day on your case!

How can I ever repay you for experimenting day and night until you found that moving all my internal organs around would cure me?

Gratitude is unnecessary! Now take these 2 aspirin and your incision will be fully healed by morning!

Then do I get to go home?

No! Then we get married! I've fallen madly in love with you and your case, Miss Detwiler!

The American Medical Victim's Association Presents GENERALLY INEFFICIENT HOSPITAL

Wait! I'm paying \$97.00 a day for a Private Room!

This is it! Around here, "Private" just means that the Nurses never come when you ring for them!

So cool it now! We'll be taking you down soon for complete X-Rays!

But I'm only here for a Nose Job! Why complete X-Rays?

So the Surgeon can get his full \$500.00 split of the X-Ray FEE, Dummy!

Okay, Number 23947! I'll take out your tonsils right after I finish a fast 18 holes!

I don't have any tonsils, Doctor! My case is a Nose Job!

Sorry! I can't hear you! Don't worry! I have all the vital data right here on your chart!

But that's somebody else's chart! I'm Number 23948!!

Thanks! Nice to meet you, too! Bye-bye!

called *Entertainment Programs* are still going unchallenged, and there must be lots of people who disagree with the viewpoints *they* present. So MAD figures that the day can't be far off when the channels will be half filled with new TV shows that offer dramatic rebuttals to the favorite themes of current TV shows. To give you an idea of what we mean, here are some samples of the kinds of things we'll soon be seeing . . .

There goes another example of my brilliant **Nose Job technique!** Hmmm! Strange for a woman with perfect features to want that operation! Of course, it's strange for a woman to be named **Henry Finblatt**, too!

This guy's ID bracelet says **HE's** Henry Finblatt! You don't suppose . . .

Nahhhhhh! It's just a coincidence! I once had **three John Smiths** in the same month!

Mrs. Finblatt, why would your husband complain of **bad tonsils** when we've just discovered he **doesn't have any?**

Tonsils?!? Henry come here for a **Nose Job!**

Oh, you're **THAT** Finblatt! Well, then, I can assure you that your wife is doing fine!

Just one more of modern medicine's miracles here at **Generally Inefficient Hospital!**

THE BRADY BUNCH

Raising a big family is such fun, Poopsie! I can't imagine how I ever got along with only half as many children before I married you and took on your litter, too!

Likewise, Cuddles! Why, I remember when I used to have one whole room with no children in it! I could hardly stand the loneliness!

And just think! It's been two whole years today since our wedding! Here, Lambie Pie! Happy Anniversary...

Oh, ecstatic delight! Baby clothes! That means you're expecting another!!

The Doctor says it's quadruplets! I hope that's not over-doing it!

Nonsense! Soon there'll be four more little mouths to say cute things! I can hardly wait!

MY THREE INSUFFERABLE MOPPETS

SLAM!

MOMMY! MOMMY! GUESS WHAT!

Okay! I'll guess that if you slam that door once more, I'll split your skull!

But, Mommy! We all got picked for the School Pageant! And you and Daddy will come and—

No chance! Just picking up after you brats is torture enough! Who needs an idiotic Kiddie Pageant, too!?!

Daddy's much more lily-livered than Mommy! Maybe he'll shell out for our Pageant costumes if Florence fawns and simpers enough!

Daddy! You'll never ever guess what happened today!

Oh, yes I will! You left your bicycles lying in the driveway, and I just ruined four new tires running over them!

Whoo-boy! It's really gonna take some super-cuteness to pull this one off!

But nice things are always mixed with the bad, Daddy! Torrance and Lawrence and I were picked for the School Pageant today, and you and Mommy get to come, and...

That's enough bad! Now tell me the NICE!

How about you getting the honor of donating twenty bucks for our costumes?

How about you getting yourselves carried off by the Gypsies!?!

Two hundred buck's worth of tires, ruined! Then the brats hit me for twenty more! I don't know how I'll get the money to pay for this, but—Happy Anniversary, anyway!

You... you remembered! What's in the package?

The one gift you need most to save our marriage... a fifteen year supply of "The Pill"!

OWEN MARSHALL, COUNSELOR AT LAW

I'm convinced of your innocence, Son! So I plan to defend you instead of accepting that position as Top Legal Advisor to General Motors!

But I don't have any money to pay you!

Pish-posh! What's money when Justice is at stake? Besides, those G.M. executives don't really need me! They aren't even members of a Minority Group!

Congratulations! And please, don't thank me! I was sure the Jury would find you innocent!

But it must have cost a fortune to dig up all that evidence, and I'm still flat broke!

Forget it! Seeing Justice done is my reward! Now I will sleep peacefully... just as soon as I'm able to get my bed back from the Finance Company!

The Alliance Of Wrongly Convicted Prisoners Presents OWEN BIGFEE, COUNSELOR AT LAW

I must see you about my good boy son, Jose! Zee Police say he ees thief! But they do that only because he ees Chicano! You weel help my Jose?

Well, that depends upon numerous legal factors which...

I have money to pay!

That's the numerous legal factors it depended upon! Pray, sit down, ethnic lady...

I am sorry you used up all of Mama's money without finding any of the fourteen witnesses who know I am innocent! But at least she still has her Real Estate!

The old lady owns property, too?!!

Si! A fine Kennel in Chihuahua where she raises little dogs of some kind!

Son, I just may decide to stay on this case, even if you aren't White!

Your Honor, the Defense offers these nine Writs of Mandamus, fourteen Subpoenas for Witnesses and my new Deed to a Mexican Dog Kennel!

Why give ME the Subpoenas!? They should be delivered to your Witnesses!

I know! But I charged so much to draw them up that my Client's Mother has no money left over for Cab fare to deliver them!

See?! Ees true! They conveect my son because he ees Chicano!

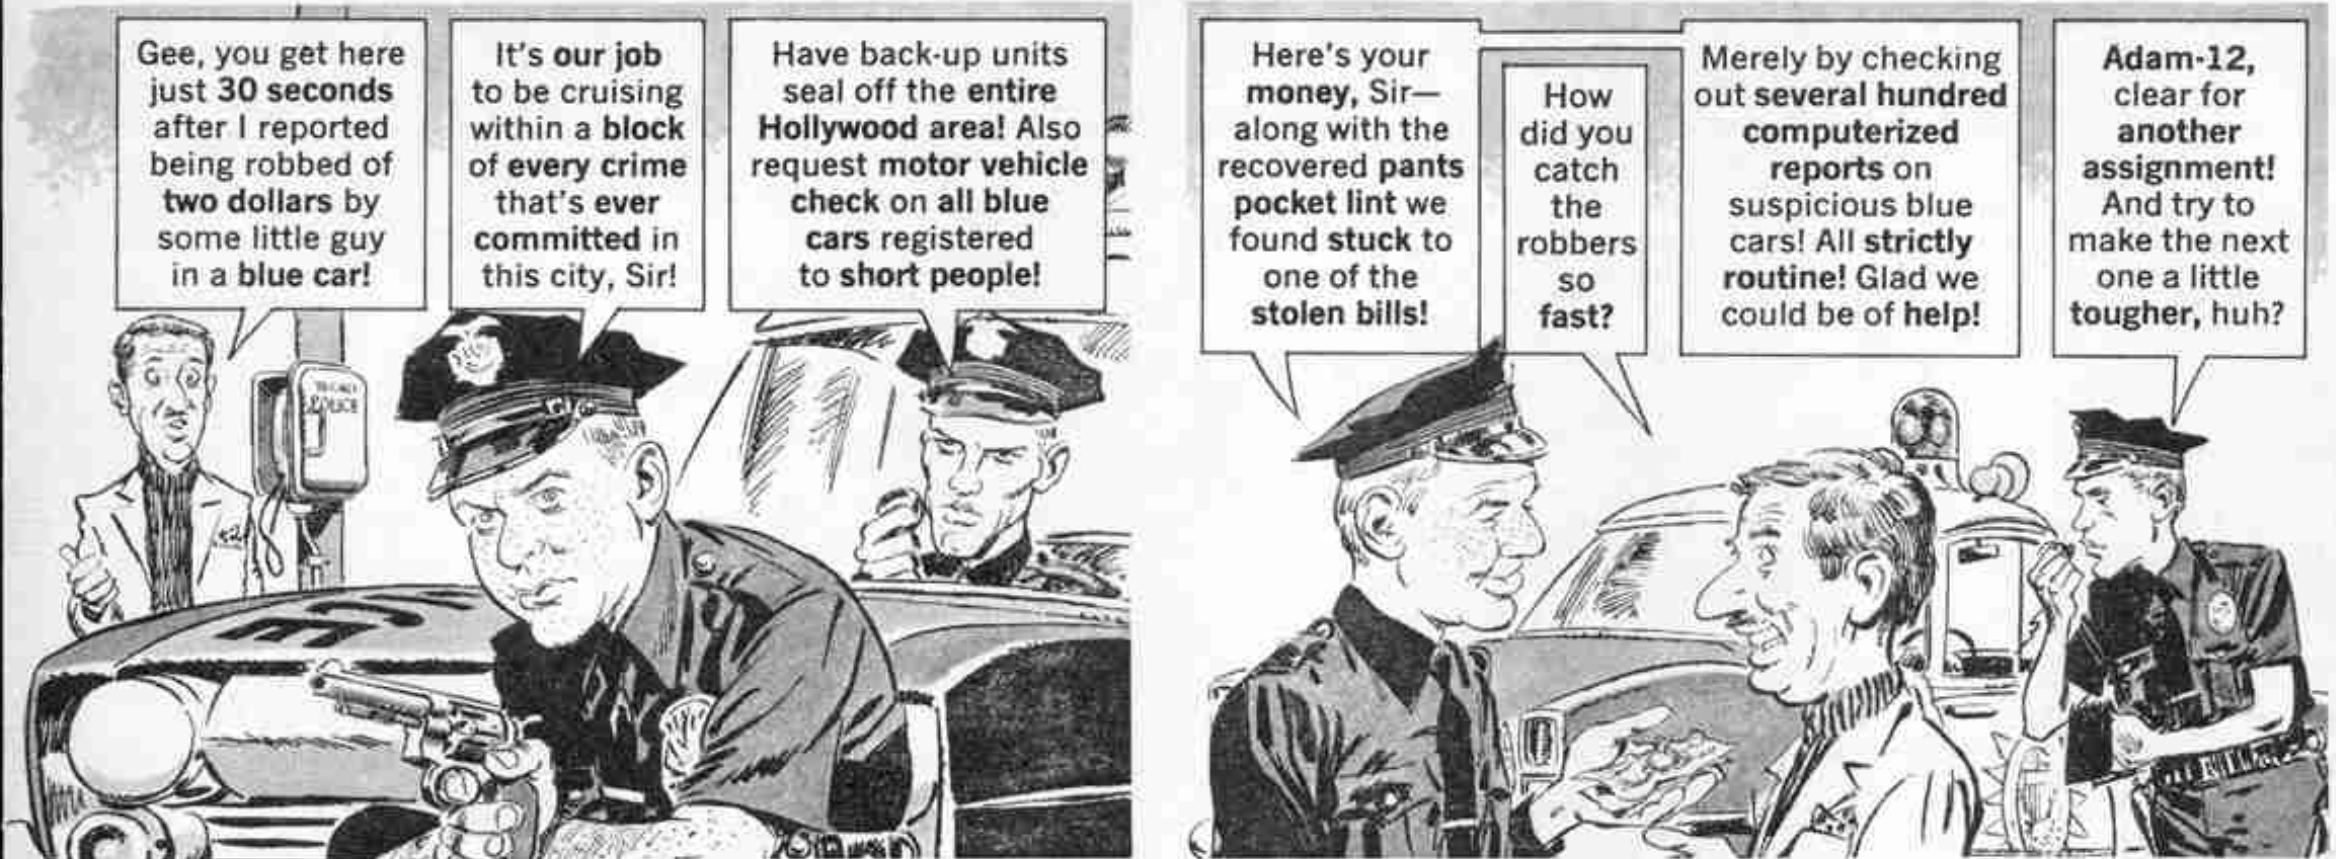

Nonsense! It happens to everybody who tries to cut corners on legal expenses!

Ees there nothing I can do now?

Yes! You can appeal! And if you ever manage to scrape together \$50,000 to finance it, we can talk about it! Meanwhile, stop bugging me, lady!
