A STAR'S A BOMB

Larry Siegel's and Mort Drucker's "A Star Is A Bomb" was a direct hit!

Rick Wilson
Santee, Calif.

Siegel and Drucker screwed up a beautiful movie!

Karin Dayton
Victoria, B.C.
Canada

The name "Oyster Hockfleisch" is even longer than "Olivia Newton-John".

Kathleen McCarter
Pasadena, Calif.

Girl upstages boy, girl sings louder than boy, girl gets boy out of her movie!

Sissel Hain
Isla Verde
San Juan, P.R.

I liked Larry Siegel's idea of "a dreamy ballad" as performed by Oyster Hockfleisch!

Joe Barber
Paris, Ontario
Canada

Though he didn't get it in the movie, Kris Kristofferson attained "stardom" through Mort Drucker's dramatic likenesses of him!

Laurence Jay Abraham
Teaneck, N.J.

REALITY WORLD

"Reality World" and its "Haunted White House" may be one exhibit that has to be expanded every four years!

Don Thorson
Pine City, Minn.

SPECIALIZED TOURS FOR YOU AND YOUR NEUROSIS

I'd like to shake Stan Hart's hand for his germ-laden "Hypochondriac's Tour", but he might have something that's catching.

Mike Millner
Augusta, Ga.

Stan Hart's "Hypochondriac's Tour" worked. It made *me* sick!

Nicholas Petk
London, Ontario
Canada

FIRE SALE!

No kiddin', gang! If these full-color portraits of Alfred E. Neuman, MAD's "What-Me-Worry?" kid...suitable for framing or for training puppy dogs... don't start selling, somebody around here is gonna get fired! So fight unemployment! They're only 35¢ for one, 75¢ for 3, \$1.55 for 9, \$3.15 for 27 or \$6.35 for 81! Send money to: MAD, 485 MADison Avenue, N.Y., N.Y. 10022

COVER CHARGE

On your "Churlie's Angles" front cover, you had Fawcett-Majors and Smith "lookin' good" while Jackson resembled something from another planet. I'm a great fan of Kate's and that made me very upset. I don't think Rickard even knows what Kate looks like!

Cathy Bunnell
Peru, Indiana

Rickard's Recollection Of Kate

In my opinion, Kate Jackson is holier-than-they. So how come Jack Rickard made Farrah and Jackie so heavenly and Kate so devilish?

Amanda DuBoff
Haverford, Pa.

ONE WEDNESDAY EVENING IN A RESTAURANT MEN'S ROOM

Don Martin's "One Wednesday Evening In A Restaurant Men's Room" should have been scrubbed!

Diane Jay
Walden, N.Y.

Martin has a certain way with toilet articles!

Tom Laurent
Pittsfield, Mass.

CASEY AT THE TALKS

"Casey At The Talks" was putting it on the line. Even the New York Yankees couldn't offer him enough to sign.

Jack Jones
Montreal, Canada
Canada

MORE AMERICAN JOKES THEY'RE TELLING IN POLAND

Whenever I hear a crack on Poland, I return with "More American Jokes They're Telling In Poland".

Elizabeth Wein
Harrisburg, Pa.

MAD PRODUCTS WITH PAIRED NAMES

Regarding "MAD Products With Paired Names", by Clarke and Jaffee, you might consider changing the name of your magazine to "Read & Regurgitate".

B. Todd Durham
Grapevine, Texas

"Read & Heave"....?

Mark Berg
San Antonio, Texas

CHURLIE'S ANGLES

Your long-awaited "Churlie's Angles" was well worth the wait!

Bruce Goldfarb
West Nyack, N.Y.

On a scale of 1 to 100, I rate Silverstone's "Churlie's Angles" 36-24-36.

Rich Bruckner
Marysville, Calif.

"Churlie's Angles" raised a point of "angel inequality". Hopefully, this upcoming season, it will be corrected and Kate Jackson will start wearing lower necklines.

Richard Francisco
Phoenix, Arizona

"Churlie's Angles" was so funny, when I ran to tell my friends about it I got a Churlie Horse!

Harrison Merims
Schenectady, N.Y.

Farrah, Kate and Jackie were in top form!

Mike Colavolpe
Branford, Conn.

Your version of "Charlie's Angels" was great except that the story line was too much like a *real* episode. As a contributing writer to television's "C.A.", I know.

D. C. Stager
Rohnert Park, Calif.

ONE MONDAY AFTERNOON IN A DOWNTOWN JEWELRY STORE

Don Martin put the stupid blinkin' "J" in his "One Monday Afternoon In A Downtown Jewelry Store" sign *backwards*! Four times! Satirical art, and I use the term loosely in his case, must be flawless. Otherwise, it loses its stature and you simply end up with the pot blacking the kettle call.

U. Chavan
Clearwater, B.C.
Canada

Don explains that the "J" isn't backwards. The rest of the letters are backwards!—Ed.

FAIRY TALE SCENES

Don Martin and Don Edwing really put the "bite" on Fairy Princesses.

Rick Woodruff
Bonfield, Ont.
Canada

BLIMP SUNDAY

Where the hell have you been? You're **TWO DAYS LATE!!**

You know how bad **crosstown traffic** can be! Look what I brought from **Beirut** for our cause . . . !

I thought this operation was just gonna be **YOU and ME!** And now . . . you're gonna involve **GOD?!**

No, silly! This may be a religious figure on the outside, but on the inside, it's a **deadly explosive!!**

Boy . . . talk about your **MIRACULOUS STATUES . . . !!**

I'm **Captain Launder!** I'm here to show Mr. Pew I'm as normal as the next guy!

I'm glad to hear that! I really believe it!!

And could you speed it up? I've got my **blimp double-parked!**

But on the other hand . . . the guy next to you might have the edge!!

Captain, there was a **speedboat** here last night and it off-loaded twelve cases of something from this ship! What was it . . . ?

It was **fifteen cases**, and I haven't the **vaguest idea** what you're talking about!

I'm going to ask you once more, and if you don't answer me, I'm going to stick this knife all the way into your throat! Then, you won't be **ABLE** to talk . . . and I'll **REALLY** get angry!!

M—my—my ph-**phone** is r—r—ringing! C—can I answer it?

Yes, but act calm! Don't go to pieces!

RING!

Boy . . . for a **Ship's Captain**, he sure can't follow orders!

Is this **Major Kibosh's** room?

Yes . . . but **no one** is allowed to see him!

My name is **Sister Disguised!** I'm from Our Lady of a Thousand Faces! I must see him!!

You can see him **AFTER** I take you to **Security** and have you identified . . . !

Security will tell you the same thing they tell **everybody** about us Sisters! "They all look alike to me, **Fellah . . . !**"

Nurse, please don't give the patients their **sleeping medicine** in the elevators!

I'm afraid he's **not sleeping!** He's **dead!**

Then **TOMORROW** night when you give him his medicine . . . I suggest you **reduce the dose!**

Look, Captain!

Black smoke is pouring out of the starboard engine...!

Don't panic! I'm the Captain here! I'm the one in complete charge of all panicking... so

HELP! HELP! HELP!

The ship's coming back! Get the Maintenance Crew out here... quick!

To repair the engine??

No, to change the name on the side to "GOOD RICH"! Let them get the bad press!!

Help me, Dogma! My killing machine's too heavy! We're not getting enough altitude! We've got to throw the TV cameras out of the blimp...!

Why are they throwing TV cameras out of the blimp?

Close-ups?

Where to, Major Kibosh?

Follow that blimp! We're going to shoot it down!!

You can't shoot it down! It's filled with helium!

Okay! How about we shoot it UP???

It's incredible, folks! The Goodyear... er... GoodRICH blimp is crashing into the stadium! But, don't worry—the Security Forces are right there!!

Hey, if you're coming in here, you'll need a ticket—just like everyone else!!

Say, do you think I can attach this hook to the top of the blimp...?

Why not?? If we can lower Charlton Heston into a 747... we can lower you onto a blimp!!

Charlton Heston?? A 747?? You're in the wrong movie, Baloney! That was "AIRLOT '75"!!

I know that! I'm just plugging "AIRLOT '77" which follows this bomb!!

Well, we did it! We towed the blimp out over the open ocean and let that fiendish device explode out here! I'll bet I have 82,000 grateful fans back at the Orange Bowl...!

Maybe! But I suspect that when it went off, the 8,200 passengers on that ocean liner below the blimp weren't too thrilled!

AIRPLOT '77

ARTIST: MORT DRUCKER WRITER: DICK DE BARTOLO

What's in the bag?

Some hand guns... a couple of tanks of knock-out gas... and several hi-jacking tools!

Okay! You can pass through! We don't bother to search the honest ones!

I'm connecting the knock-out gas with the oxygen supply! When we're airborne, I'll release it and put them all out!

As a back-up measure, I'm placing a print of this movie into the "In-Flight" film projector! We'll put them to sleep one way or the other!

Captain Gallant, you're fifth in line for take-off, and... er... Cancel that! You're FIRST in line for take-off! Proceed...

What happened to the four planes in front of us??

Mr. Steelking just bought them... and had them scrapped!

Let me acquaint you with this very special airplane! It has conference rooms, bedrooms, a lounge, a library, 3 galleys—plus a gymnasium and a suana!

It's so huge, it must only be able to land at big airports!

No... we can land ANYWHERE WE WANT! We also carry our own landing strip!

I hope you don't mind my asking you this—but how long have you been blind?

I'm not blind! I'm... I'm terrified of flying, so I always shut my eyes tight!

Ninny, you were so very sweet to remember I like champagne!

Lady, at my age, I'm lucky to remember anything!

I'm going to see my Dad... Mr. Steelking! He promised to buy my Son some TRAINS!

Yeah...! Anybody happen to know what guage the Santa Fe Railroad is...?

You have a big mouth, but everything else you have is small! You may have a feeling for business, but you have no feeling for me! You've got a big bank-roll, but a small heart!!!

Karat, why are you so mean to your Husband?!

Please... leave her be! This is the KINDEST she's been in years!

Quick! Release that gas before THEY put US to sleep!

What th—? Something has gone wrong! I just lost Steelking 41 Sierra Flight...!

Don't worry about it! There are lots of other flights! Here... take one of mine! You can have Eastern 77 Charlie Flight!

The whole plane just vanished into the LOVE TRIANGLE!!

Don't you mean the BERMUDA TRIANGLE...??

No... with all of the hanky-panky going on in that plane... I mean the LOVE TRIANGLE!!

Are you sure your "Search & Rescue" ships and planes are enough to find that missing 747...?!

I'm positive, Mr. Steelking! But we do appreciate your offer to buy the Atlantic Ocean and drain it!

There're an awful lot of valuable "Still Lives" aboard that aircraft!

Don't worry! We'll try to save the entire cast!!

O.K. PINCHIK, ENOUGH OF THAT SMALL TALK!

What was that CRASH!?!?

We hit an oil derrick!

What in hell were you doing flying that low?

I wanted to ask for directions!

Captain, wake up! We—we've crashed! The airplane is under water!!

We're—under water?! Gee, that's too bad! Because the only gadget a 747 lacks is a **PERISCOPE**!!

Oh, my God! Oh, my God! Water is leaking in on the rug!!

Take it easy! Don't panic!! Mr. Steelking can afford a new rug!!

There's only **one** chance for us to be saved! I've got to get to the surface with this radio transmitter!

Well, at least the **CAPTAIN** knows what he's doing!

Oh, really?! We're **60 feet** under water—and **HE'S** putting on a **PARACHUTE**!!

Look! The Captain made it! He **MADE IT!** HOO-RAY!!

Why are **WE** cheering?!? He's safe up there, and we're trapped down here!

I don't care how much snow's on the runway, or what damage that bomb did to the 747, we can land it—

Wrong plot, Mr. Baloney!

Sorry! Okay . . . I don't care how much damage that mid-air collision caused, we can transfer a pilot in mid-air and—

Er . . . still the wrong plot, sir! Try again!

I say we can pick up an entire 747 in one piece from 60 feet under the water!!

A ridiculous premise . . . but at least it's correct for this particular "**AIRLOT**"!

You see, Mr. Steelking, we attached huge balloons to various points on the submerged 747, and filled them with compressed air!

Now, even if this plan doesn't work, you must admit it makes quite an impressive display!

Well, Mr. Steelking, we got **everybody** off when it surfaced . . . but I'm afraid we've lost your 747 . . .!!

That's okay!! I just bought **every 747** that was ever made!

You mean you like them that much . . .?

No, it's the only way I could think of to prevent them from making "**AIRPORT '78**"!!

L'chaim, y'all

EARLY ONE MORNING IN SOUTH AMERICA

WE'RE ALL FAMILIAR WITH THE "STROKE" HANDICAPS IN GOLF AND THE "WEIGHT" HANDICAPS IN HORSERACING. ACCORDING TO THE DICTIONARY, A "HANDICAP" IS A DISADVANTAGE OR ADVANTAGE PLACED UPON COMPETITORS

HANDICAPS IN

Muhammad Ali would have to fight his next Championship bout with his mouth gagged.

The week's leading Rock group would have to perform an entire number without swaying, snapping fingers or using the word "baby."

Hollywood's most successful studio would be forced to go an entire year without making a "Disaster Movie."

The current Wrestling Champion would have to perform his next match without a script.

IN A RACE OR OTHER CONTEST TO EQUALIZE THEIR CHANCES OF WINNING. WELL, WE THINK HANDICAPS ARE A GREAT IDEA, AND THEIR POTENTIALS HAVE HARDLY BEEN TAPPED. JOIN US NOW AS MAD DEVISES SOME . . .

OTHER FIELDS

Every Saturday night, the leading club in the NBA would have to field an all white basketball team.

Clint Eastwood would have to deliver all his lines in his next movie with his mouth open.

Elton John would have to give concerts in a Brooks Brothers suit and contact lenses.

Every Mafiosa Don would be forced to operate one month a year without his two best weapons—his Judge and his Police Captain.

... you've fallen below "C" in half
your subjects, and "D" in the rest!

HOW COME YOU WORRY ABOUT...

... whether Joan and Ted Kennedy's
marriage is really a happy one ...

WHEN...

... the last happy moment you had
with your crummy Husband was when
he paused before saying, "I do!"

WHEN...

... you're stuck in a lousy apartment,
and you never even committed a crime!

HOW COME YOU WORRY ABOUT...

... unemployment, the recession, the
state of our union and the world ...

WHEN...

... you never even bothered to vote in
the last three Presidential elections!

Do you know how to tell the time?

Of course, I do! You think I'm a baby!?!

Then, what time is it?

Uh... er...

Well, according to that thing, it's 123456789101112 o'clock!

I thought you said you could tell time!

I can!! But I only know DIGITAL time!

What the heck is THAT thing?!!

That's my Telephone Answering Machine!

It cost a fortune... and I had to stall paying other bills so I could buy it... but it was worth it! While I'm out, this crazy machine records all my incoming telephone messages!

Gee, how does it work?

I'll show you! All I do is re-wind the cassette like this... then push the "play" button like this... and listen to the calls I got!

This is the Telephone Company! Because of non-payment of your telephone bill, as of tomorrow, we are disconnecting your phone!

Listen, everybody! I installed a smoke detector! Some time tonight, we're going to test it and have a fire drill! When you hear the alarm, get out of the house!!

Cigarette smoke doesn't set it off!

That's why I'm lighting this piece of paper!

Okay . . . everybody! Out of the house!!

Well, at least we know the alarm works!

WRITER & ARTIST: DAVID BERG

I've got this marvelous new "Touch Command Timer" that's computed to turn things "on" when I'm not at home!!

It turns on the lights . . . it turns on the water sprinkler . . . it turns on the radio . . .

It even turns on the electric oven and starts dinner while I'm away!

If it does all that . . . why are you rushing home?

I forgot to turn it on!!

What's going on here? First, you bought a stereo receiver and two loudspeakers! Then, you added a record player! Then, you added a reel-to-reel tape recorder! Then, you added an 8-Track, a cassette player and two more loudspeakers! When will it end?!

You see the back of this receiver ... where there are a bunch of plug holes for various component parts?

It'll end when I run out of plug holes!

Right ...

Here we are, both finished with our day's fishing ... and all I have to do is take this compact fishing gadget, fold it up, and stick it into my pocket ...

... while you're loaded down, carrying that big clumsy rod, that heavy reel, a tackle box full of hooks and flies ...

... a gaff, a net and all that foul-weather gear!

You're right! I am loaded down, carrying all this stuff!

Especially with this big pail of FISH!!

Arnold, baby, you look like you've got the weight of the whole world on your shoulders! Why the hangdog expression? What's eating you, anyway?

I've got troubles! Big troubles! I'm terribly worried about my Wife!!

Your WIFE!? Oh, my Lord!!

But, she's so young! The last time I saw her, she seemed so robust—so healthy! Tell me, Buddy-boy, what has she got?!

My brand new \$14,000 car!

The Electrolux vacuum cleaner doesn't just clean rugs! It does other things as well!

Really? I didn't know that!!

Let me demonstrate! It has various attachments that also clean your walls, your drapes, your Venetian blinds, your mattresses, your upholstery, and under your sofa!

Oh... how marvelous!!

What in heck is your Mother doing? She already owns an Electrolux vacuum cleaner!

I know...

... but she didn't feel like cleaning the house today!!

I've got a gadget at home that says terrible things to me every day!

You have a gadget that talks to you!?!

Not exactly! It communicates in a very clear and insulting manner!

Oh, wow! And what does it communicate?

It tells me I'm ugly, that I lack self-control, and that no fella will ever want me!

Gee...! what kind of a gadget is that?

A SCALE!!

Sir, I've got a letter from a woman who says she bought one of our appliances back in 1952! She says she's still using it today! What's more, it has never needed a single repair!

That's remarkable!

I want you to write to that woman and offer her five hundred... no, make that a thousand dollars for that appliance!

Yes, sir...

And when you get it, have Engineering strip it down and examine it thoroughly! Have them find out exactly what made it last so long!

Yes, sir! It could revolutionize the whole industry!

Right! And we don't want to make that same mistake again!

The Remote Control for the TV isn't working!

Le'me have it!

Oh-oh! Mr. All-Thumbs is gonna fool around with a complicated electronic gadget! God knows what will happen now!

I'll thank you not to underestimate my fantastic technological capabilities! Here! Try it!

It's STILL not working!

Oh, yes it is!!

The GARAGE DOOR just opened!

The President asked us to conserve fuel . . . right?

Right!

He asked us not to let the room temperature go over 68°, right?

Right!

Well, it's now 73°! How do I lower the room temperature?

Simple . . .

Turn on the air conditioner!

Hey . . . you dudes out there! You better get it together! You're polluting the Earth with all your cars, and the power plants you need to run all your gadgets, your gismos and your doohickeys!

Pretty soon, you don't own them things! They own YOU!! And all them smoke-belchin' Electric Companies own your soul!

Me? I don't need any of them things! All I need is my li'l ol' guitar . . .

. . . an' a socket to plug it into!

SIC TRANSIT GLORIOUSLY DEPT.

Nowadays, Travel Agencies are packaging all kinds of tours for all kinds of people with all kinds of special interests, all designed to help them relax, leave their tensions behind and have a good time. But that doesn't make any sense. People work hard their whole lives developing their tensions, mainly in the form of their neuroses! Why should they want to give them up? The truth is...most people prefer to carry their neuroses with them! So why not design tours specifically for them? Here we go again with another of

THE MAD TRAVEL AGENCY'S SPECIALIZED TOURS FOR YOU AND YOUR NEUROSIS

THIS ISSUE: THE PARANOIAC'S SEVEN DAY TOUR OF JAPAN

ARTIST: HARRY NORTH, ESQ.
WRITER: STAN HART

DAY 1

You leave N.Y. on Japan Airlines. The crew looks exactly like the Lead Squadron in "Tora, Tora, Tora." During the flight, you have time to ponder what you should do if they fly over Pearl Harbor: Should you create a diversion in the cabin so they won't be able to drop their bomb-load? Or should you just pretend you don't know they're doing it, and stay out of trouble? The charming Hostesses all speak Japanese, and you know they're talking about you! You can check if your fly is open or, worse yet, wonder if you've caused an international incident in this age of atomic warfare. You will cross the International Date Line and feel cheated because you've lost a day and you think they're trying to screw you by giving you a 6-day tour instead of the 7 days you paid for.

DAY 2

You land in Tokyo, and as you go through Immigration, you wonder if they know that you earned a citation for collecting scrap metal for the U.S. war effort in 1943. You're sure that they have your photo in your Boy Scout uniform plastered all over Japan as an enemy of the State. After leaving Immigration (you should be so lucky!), a chauffeur will take your bags, put them in a limousine and probably speed off—leaving you standing on a sidewalk of a city where no one speaks your language (or at least *pretends* not to speak your language!). You'll probably report this incident to the Police who will most likely push bamboo shoots under your fingernails to make you confess about your wartime scrap metal citation. You'll be determined to tell them nothing, no matter how excruciating the pain.

DAY 3

After an early breakfast at your hotel (which you probably won't eat because you're afraid the Japanese are trying to poison you, stopping at nothing to avenge their national honor upon an enemy war hero!), you'll be taken by bus on a sightseeing tour of Tokyo (that's what they want you to think!). Since you can't read the street signs (They've planned it that way in preparation for your visit!), you're sure the bus is taking you to a Concentration Camp. On the way to your incarceration, you'll visit the Imperial Palace (just so the Emperor can chuckle over your capture); the Asakusa Kannon Temple (which you know is a phony since no one here even remotely looks Jewish); and the crowded main avenue, the Ginza (where, upon a secret signal, hordes of little Japanese are ready to spring upon you and tear you to pieces).

DAY 4 & 5

You fly to Kamakura in a small plane, and you're certain the pilot is a former Kamikaze who didn't get it right until today. But the plane arrives safely and you are taken by car to the Diabutsu, the great Bronze Buddha. Since you couldn't care less about religious statues, you wonder why you're here ... until it dawns on you that the Japanese are probably reviving their ancient practice of human sacrifice, and what better offer to the gods than a decorated American war hero! But it seems they just want to toy with you, because they permit you to escape to the Fuji Hotel where you spend a restless night staring out of the window of your room at Mt. Fujiyama and realizing that you are now in the direct path of a probable eruption, and that their real plan is to report your death as an accident.

DAY 6

After breakfast, which surely contained some mind-altering drug, you board "The Bullet" for the 120-mile-an-hour trip to Kyoto by rail, and you become aware that they plan to dump your lifeless body from the speeding train. In Kyoto, you will be taken to the Heian Shrine with its huge gardens.

There, while strolling, you're sure a group of fanatic former Japanese soldiers will pounce upon you and sell you as a slave to some merciless faggot warlord who will delight in visiting all sorts of humiliations upon one of America's great fighting machines. But the plot obviously misfires, and the only ones in the park are old ladies. That night, in your hotel, you go to bed and enjoy your first good night's sleep (despite the poisoned pillow).

DAY 7

From the Kyoto Airport, where the Japanese officials treat you with respect, silently admitting that they have again been defeated by American courage and "know-how", you fly home on an American plane. During the 18-hour flight back, you have plenty of time to start worrying again, this time about the American Officials. Because, although you brought your cameras from home, they were all made in Japan. The U.S. Customs Inspectors, you're sure, will never believe you (How soon they forget their National Idols!), and you'll either have to pay duty on your own cameras, or more probably be jailed as a smuggler ... another part of the international plot to get you.

FROM BADGE TO WORSE DEPT.

New York has been called "Fun City"...but not by anyone who lives there! That's propaganda for the tourists. However, someone must have been taken in by all that nonsense, because there's actually a TV Show that's about New York City Policemen who have a wild, fun time each week. The leader of this gang of chuckleheads is named Barney Miller. But after seeing several episodes of this totally unbelievable series, we prefer to call it:

BLARNEY MILLER

ARTIST: ANGELO TORRES

WRITER: STAN HART

Hey, I just caught "The Mad Dog Killer"! He shot his parents ... drowned his baby brother and set fire to his grandparents!

So what's the punchline?

There's no punchline!! He's the most wanted criminal in this city!!

If there're no laughs, he's not wanted here! Let him go!

I got no time to talk to you now, Marty ...

But I want to join the Force ...!

What could you do?

I could dress up and disguise myself as a member of the opposite sex and attract muggers!!

You mean you'd wear women's clothes ...?

Well ... in my case I'd wear MEN's clothes!

—and then he knocked me down ... stomped on me and took my wallet!

Your statement is mildly amusing, but not funny enough!!

I don't get it!!

In this Precinct, the victim is always the butt of our jokes, and the criminal gets our love and compassion!

But don't I need love and compassion TOO?!!

Then go out and hold up a gas station!

Yecch! This coffee stinks!

Why don't you let me make it?!? I make good coffee!!

What's the matter with you? Don't you know by now that good coffee ain't funny?!?

I'm afraid that people watching this show will get the wrong impression about New York cops!

What are you talking about? Our show is very popular! At 9 P.M. on Thursdays, New Yorkers all stay home and watch us on their TV's!

At 9 P.M. on ANY night, New Yorkers stay home!! Because they're afraid to go out with cops like us on the job!

Blarney, I don't know how to tell you this, but I got a report that one of your boys is on the "take"...

Impossible! They're all honest cops!!

Oh, really ...?

Then tell me . . . how can Fishface afford all those expensive medicines and pills on a Detective's pay . . . ?

And how can Harrass afford to dress so well on a Detective's salary . . . ?

And he must have **SOME** connections to keep him here when all he's done for three years is make bad coffee!!

Fishface, tell me, don't those pills cost you a fortune?

Don't ask!! I got pills for arthritis, gout, asthma and hardening of the arteries!

How do you pay for them all?

Simple! I use the prize money I got this year . . . !

PRIZE money?! WHAT FOR . . . ??

For being voted New York City's "Policeman Of The Year"!!

Harrass, how can you afford to buy such expensive suits?

I don't buy them! My mother **KNITS** them for me!

Oh? How about your expensive new sports car??

She knitted that for me, too . . . out of steel wool!

Well, you're in the clear!

How come you get Detective's pay . . . but nobody ever sees you **DOING** anything around here!?

Are you kidding?! Look at my record! Last week, I did 6 one-liners, the week before 9 zingers, and I played straightman for 5 more! And you say I don't do anything around here!!

Sorry . . . !

All my men are clean! No one is on the "take"!!

Then this isn't a Sit-Com about New York City cops!

No? What is it??

It's a Science Fiction FANTASY!

Say, Blarney, what's tonight's plot??

Whoa, when will you learn that we never have plots on this show?! How **COULD** we . . . when we never go outside the stationhouse!

What kind of protection can I get in New York? I'm a helpless, weak woman!

You need someone to take care of you! Wait! I got it! You should live with him!

Live with HIM...?!

Sure! On this show, we always try to bring the victims and the criminals together... so they can forgive and forget!

That's—that's idiotic!!

It's no more idiotic than in real life... where the **JUDGES** forgive and forget, and the criminals walk away **SCOT-FREE!!**

Listen, I want to join the Force and be a Police-man...!

Will you go away?! I'm tired!

Why are you so tired all the time?

From carrying these heavy bags around!

WHAT heavy bags?

The ones under my eyes!!

But I could be a good cop! I'm not sleepy like Yamaha! I'm always on my toes...!

Yeah... that's the problem!!

How come... with all the Irish and Italians on the New York City Police Force, we don't have a single one in this Precinct...?

Well... you know how we do things around here! We save the Irish and Italians for our occasional bad taste "drunk" and "Mafia" jokes!!

Blarney, I just caught him! I'm pretty sure that this guy murdered his wife in cold blood!

He smothered her with a cushion...!

It was a "WHOOPEE CUSHION"!

So why bring him here...?

Okay... book him!!

How did he do it?

What did you pick them up for?

Twenty bucks apiece! But like all Hookers on this show ... they have hearts of gold!

Better read your anatomy books! Their HEARTS aren't where the GOLD is!!

Let's let 'em go!

No!! I HATE prostitutes!!

You should talk! You had a promising career on the Broadway Stage before you sold out and took this TV Series!

You're right! Let 'em go...!

Any luck on the "Decoy" detail?

I almost caught the "Central Park Mugger"!

He was the only one who was kind ... who didn't throw up when he saw me! I couldn't arrest him!!

I made a date with him to shop for furniture!

Almost ... ?!

So ... what did you do?!

I just arrested this guy for "Disturbing The Peace"! He's the funniest nut we've had in a long time!

This city's being destroyed! The Bronx is burning! It's not safe to walk the streets! There is no money for Police and Sanitation services! We're all DOOMED!!

We're closing the schools and the hospitals! We're going down the drain ... We're broke! Bankrupt!!

Man, he is a riot!

Yeah! who is he??

People can't afford to ride the subways any more! And if they do, they get killed by muggers! Industry is leaving en masse ...

He's the Mayor of New York City!!
