KU KLUX KLAN KONSTERNATION

UNITED STATES OF AMERICA

Invisible Empire Knights of The Ku Klux Klan

INTERNATIONAL OFFICES
Denham Springs, LA 70726

We the true knights of the Ku Klux Klan were outraged when notified of your slanderous attitude toward our organization in your recent issue. We demand an immediate apology in the upcoming issue. You and the jew-communist run MAD Magazine are obviously trying to do away with the great Red, White and Blue and promote radicalism in this country's youth. Other articles are also offensive in this issue, such as race-mixing and trying to turn youth against their parents. You show ignorance in allowing this publishing. The Klan has *never* done any wrongdoing in their robes as you suggest. We stand for the greatest country on earth, the United States of America, and will die to protect it. Carbon copies have been sent to our den in N.Y. and their lawyers so legal action may be taken for any slander in the future.

ABOMINAL HOUSE

"Abominal House" was a real "Abdominal Pain," if you know what I mean; I split my side from laughing so hard. Keep up the good work, Doltas! Ed Backus
Naples, N.Y.

I was very disappointed with "Abominal House." For once the original film was better than your version, a very rare occurrence. Mr. Kogen spent far too much emphasis on the gross aspects of the film, and not enough on the funny scenes. What happened to the ROTC sequence and the dead horse in Dean Wormer's office? As a student at the University where "Animal House" was filmed, I anticipated your satire to at least continue your usual excellent standard.

Leslie Mortimore
Eugene, Oregon

"Abominal House" is a perfect example of Mort Drucker's work. This was the best movie satire I read in a while, but I kept wondering whether you were trying to do a satire or an adaptation. It was just as funny as the movie. Henry R. Kujawa
Camden, N.J.

If infantilism is the point of frat-house humor, its appearance in a magazine as perceptive and (usually) entertaining as MAD was absolutely pointless!

Vera Mae Pollexfen
Brewster, New York

Food fights are no laughing matter to a mother of six impressionable teenagers; not at booming supermarket prices! Next food fight, may it be in cans!

Mrs. X
Park Forest, Ill.

Mort Drucker's drawings of John Belushi are the most engaging since he drew Michael J. Pollard of "Balmy & Clod," in 1968. Look what Mort did for Michael J.'s career!

Kathy Sherman
Mason, Ohio

MORT DRUCKER AT THE MOVIES

When can we expect to see a chock-full collection of Mort Drucker's incomparable movie satires of the past?

Mike Spring
Piermont, N.Y.

MAD MEDALS TO BE PRESENTED TO DESERVING TEACHERS

"MAD Medals To Be Presented To Deserving Teachers" was good but incomplete. You forgot the "Black And Blue Medal" presented to teachers who have survived assaults committed upon them by students.

Robert Santiago
New York, N.Y.

ACADEMY AWARDS FOR UNION LEADERS

"Academy Awards For Union Leaders" would provide appropriate categories if the Jimmy statuette were presented. Jimmy for Hoffa, naturally.

Arthur Bobrow
Brooklyn, N.Y.

PARENTS ARE UNCONSTITUTIONAL

I thought "Parents Are Unconstitutional" by Hart and Coker, was both to the point and on time. For too long have the children of this country been mistreated by uncaring, insensitive parents. I would be glad to circulate petitions for the passage of laws against such injustice, if you don't tell my Mommy and Daddy.
Chuck Eaddy
Detroit, Mich.

You forgot one unconstitutional deed forced upon children: Amendment 13... "(There shall be) neither slavery nor involuntary servitude..." when your mother volunteers your help at a PTA meeting.
Michael O'Connell
Kerhonkson, N.Y.

MONEY TALKS

On Page 12 of "Money Talks," you show a quarter saying to three other quarters, "If you hold on to a coin long enough, its value will double!" and the other three quarters answering, "Yes, but in the meantime, the prices of things will have tripled!" Well, dummies, that happens to be a 1932 S Mint quarter talking, and its value has increased 1000%, as a check of any coin catalogue will show.

Tasha Lofland
Glendale, Calif.

Big deal! Since 1932, the prices of things have gone up 3000%!—Ed.

"Money Talks," by Henry Clark and Bob Clarke, was such a "change" of pace, I had to get in my "two cents." Let's see more "coin of their realm!"

Erik J. Paulson
Champaign, Ill.

REJECT UFO'S

Your article entitled "Reject UFO's" hit the nail right on the head. Ever since the first sighting, who knows for sure how long ago, the subject has been repeatedly debunked on an official level (in public) and good solid evidence has either been confiscated, "lost," or said to be phony. Unfortunately, the few reputable organizations that study the UFO phenomena can't hope to fight the Military and Governments alone and certainly don't need the multitudes of crack-pot UFO cults to cloud the issue and ruin their credibility. Project UFO and Blue Book needed to be disgraced as fronts.

Bruce Pikula
Boston, Mass.

SALUTE FROM SOUTH ASIA

MAD rejuvenates and brightens life itself by lifting it to a more palatable plane. Your paradoxes, disclosures, and satires have in them that touch of genius. In the present materialistic times, it is much easier to make people cry than laugh. To do both is nothing short of a miracle and MAD does just that.

In 1956, a wonderful, exciting motion picture came out, entitled, "Invasion Of The Body Snatchers." Well, recently, some money-hungry Hollywood wise men figured: If it was good then, imagine how great it could be now! And they were right! The original is still wonderful! Unfortunately, this re-make is merely an attempt to cash in on the Science-Fiction craze and reap big profits. That's why our version is called . . .

Something strange is happening! I have to talk to you!

Go ahead! I'm all ears!

If you think he's all ears now, you should have seen him in "Star Trek"!

They're EVIL!! They're trying to take away my body and REPLACE it!!

If they replace it with—say—Ann-Margret's, then they're not so evil!!

I don't want them to turn me into a mindless, unfeeling clod! What will my patients think?!

What do you do?
I'm a Dentist!

A Dentist?!? Don't worry! They'll never notice the difference!

Hey, look! We are taking on the shapes of Human Beings! Isn't that interesting?!

Interesting . . . but very embarrassing!
Why is it embarrassing?

How will I ever explain that my parents are LIMA BEANS!!
Don't be concerned! On Earth . . . EVERYONE is ashamed of his parents!

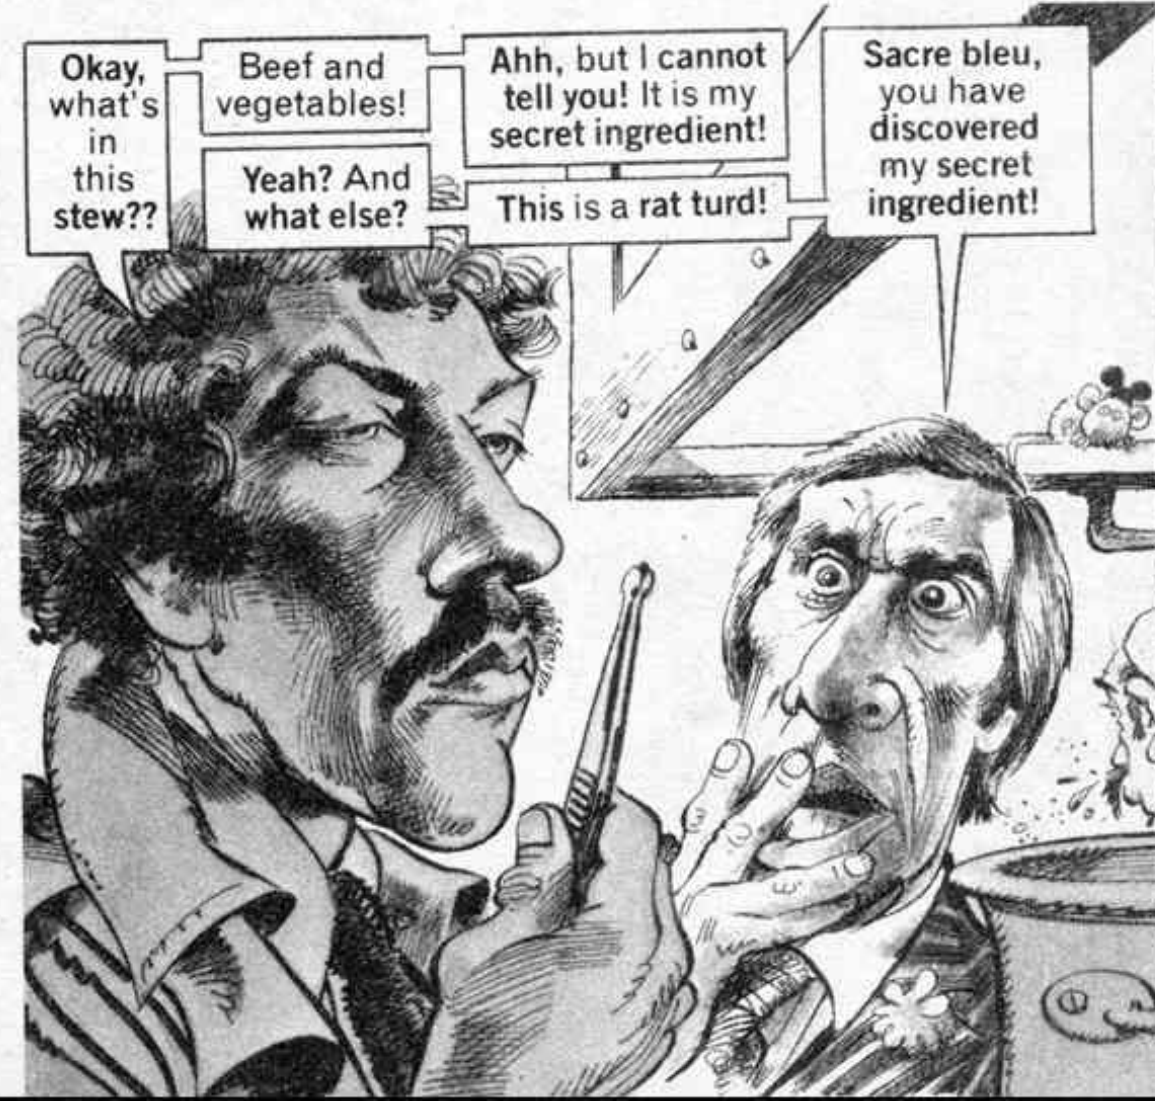

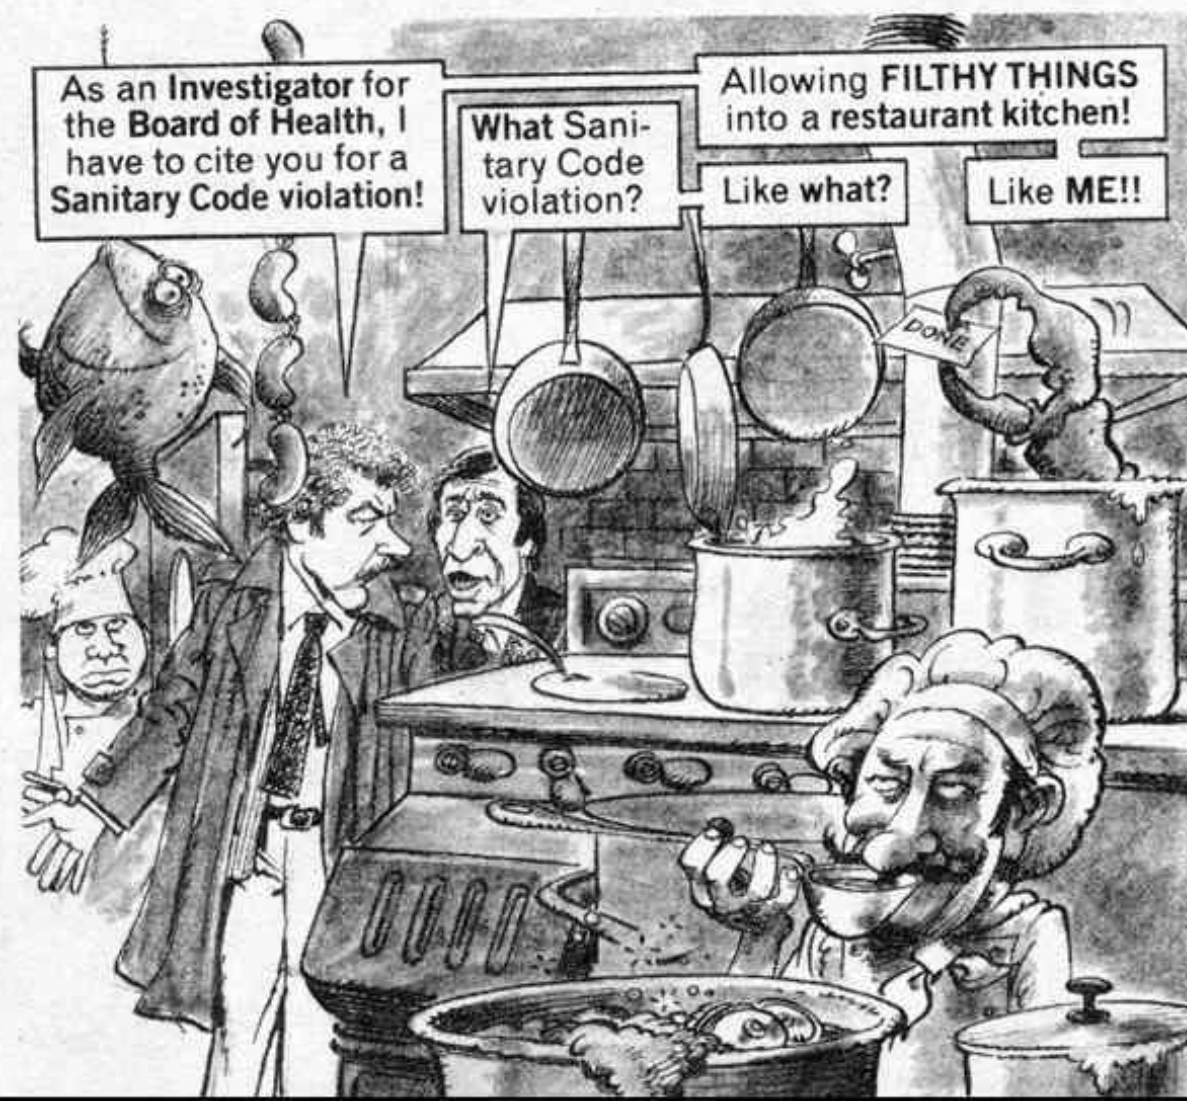

BURPEE SEED Co.

III Get Drucker

Invasion Of The Booty Snatchers

ARTIST: MORT DRUCKER

WRITER: STAN HART

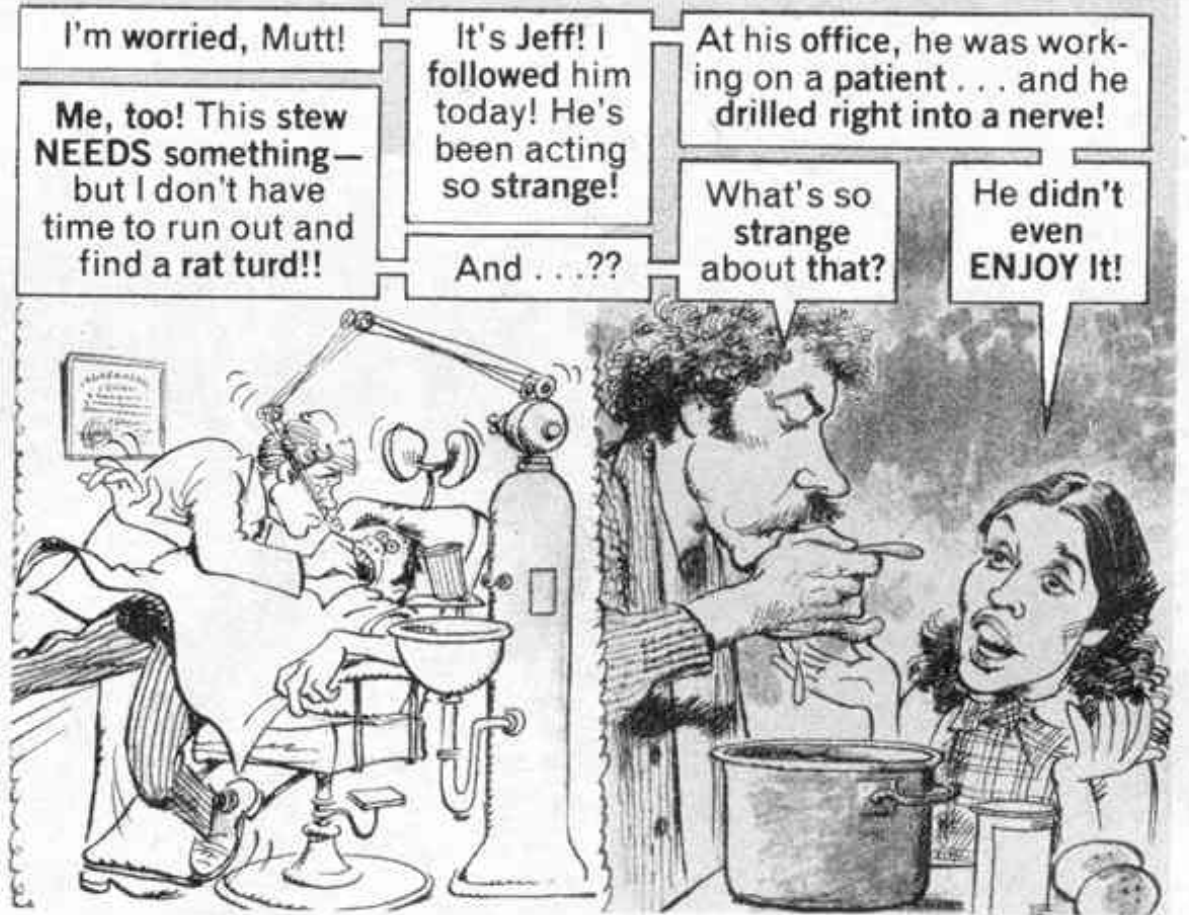

Jeff, what is it? What are you doing?!? Why are you walking around like a zombie?

Our relationship is deteriorating! Why don't you answer me? Why are you ignoring me? It's not normal, acting like this!!

Why don't we stop living together, and get married?!? Then, it would be normal!!

I'm worried, Mutt!
Me, too! This stew **NEEDS** something—but I don't have time to run out and find a rat turd!!

It's Jeff! I followed him today! He's been acting so strange!
And...??

At his office, he was working on a patient... and he drilled right into a nerve!
What's so strange about that?
He didn't even **ENJOY** it!

Then he left the office and met another strange-acting man who gave him a package!

Maybe Jeff is high on pot... and that was his connection!

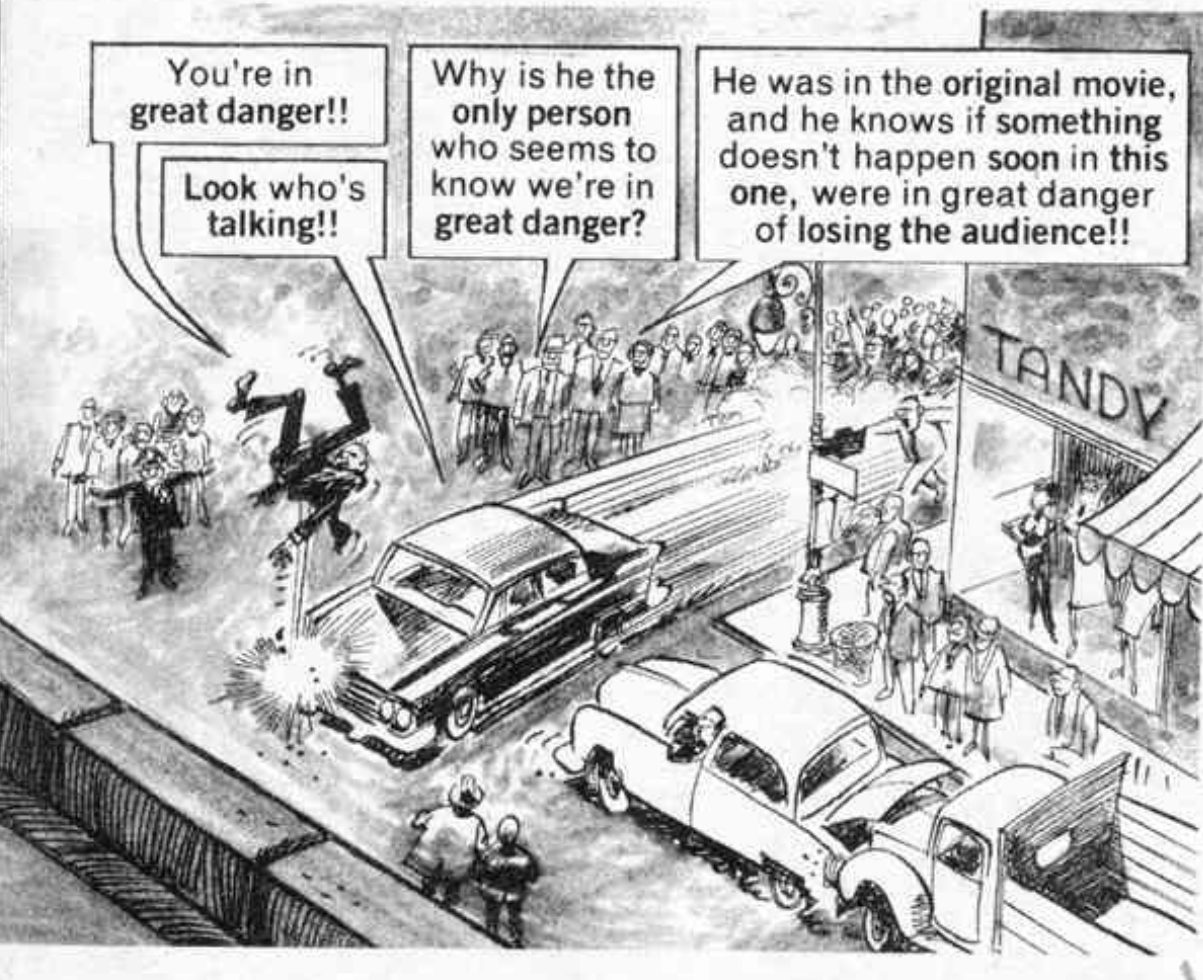

But Jeff just sits in front of the television set all night, and watches the test pattern! How could he be on a "high"?
To a Dentist, that's a "high"!

You're in great danger! You're in great danger!

Why do you say that?!?

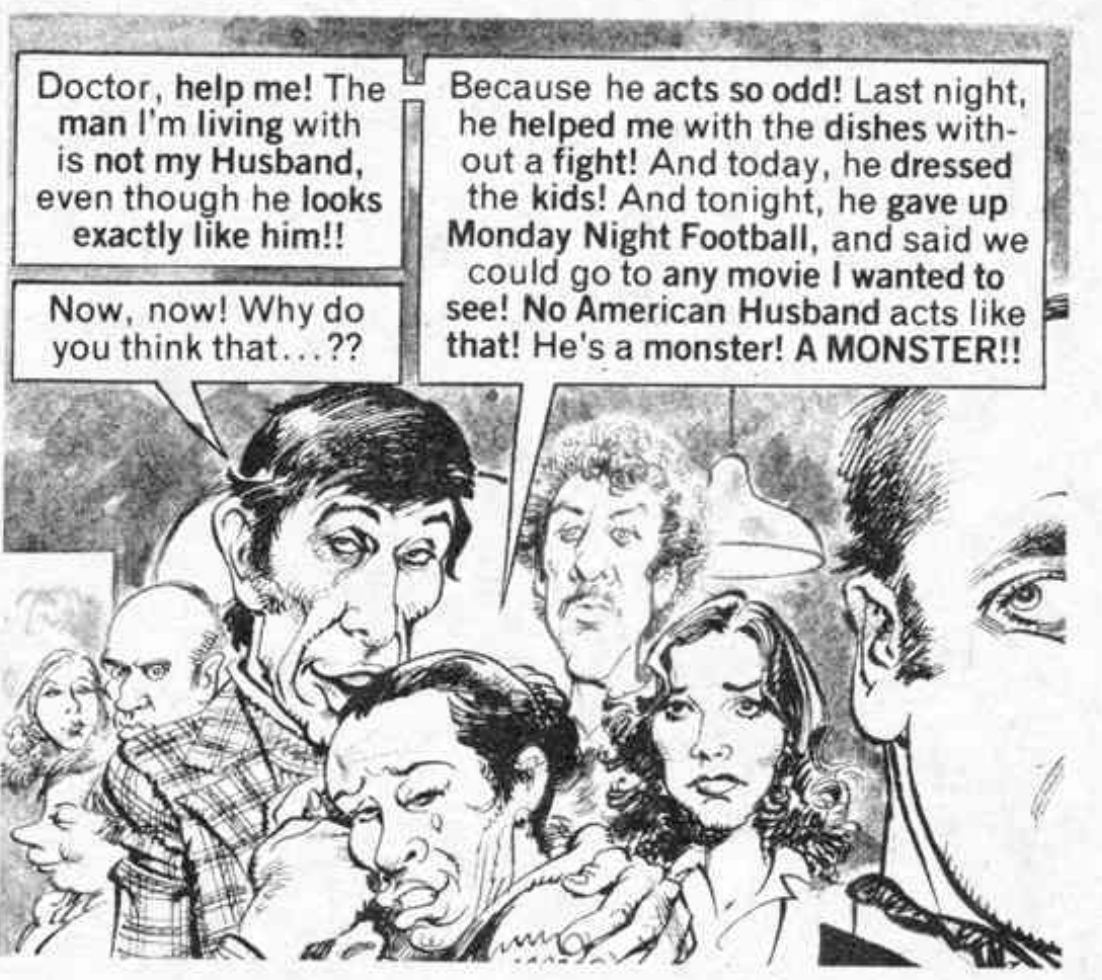

Many reasons, not the least of which is: You can't see where you're driving with me laying over your windshield!

You're in great danger!!
Look who's talking!!

Why is he the only person who seems to know we're in great danger?

He was in the original movie, and he knows if something doesn't happen soon in this one, we're in great danger of losing the audience!!

Doctor, help me! The man I'm living with is not my Husband, even though he looks exactly like him!!

Now, now! Why do you think that...??

Because he acts so odd! Last night, he helped me with the dishes without a fight! And today, he dressed the kids! And tonight, he gave up Monday Night Football, and said we could go to any movie I wanted to see! No American Husband acts like that! He's a monster! A **MONSTER**!!

There's a simple psychological explanation for your confusion. You're working out a sublimated quasi-functional fixation that you've repressed to avoid any conflict with your id and ego!

Does he know what he's talking about?

But don't you call that sort of double-talk "unfair"...??

He doesn't have to... as long as his PATIENTS don't!!

No, I call it "Psychiatry"!

I called you, Mutt, because something horrible happened! Under this sheet is the most revolting, ugliest creature I have ever seen...

Come on, now! You must be exaggerating!

Here...! See for yourself!

Good Lord!! You're right! That IS disgusting!!

Yeah?! Well, you don't look so hot yourself!!

Oooops! Sorry!! Wrong table!!

Yecch! Someone whirled to death by a Cotton Candy machine!

But he's not dead! He's alive! He opened his eyes, looked at me, then closed them!

That just proves the creature has intelligence!

Why do you say that?

No one in his right mind wants to look at you without your MAKE-UP on!!

My God! There's Liz... and next to her, an exact duplicate of her! Except that the DUPLICATE is completely NUDE!

I've got to get her OUT of here, and go somewhere safe... where we can start a new life and have fantastically wonderful times together!!

No... on second thought... maybe I better save LIZ!!

You must stay awake! Please! You can't sleep!

Why not...?

Because it will be so terrible! First, when you sleep, they steal your body! And worse—

What, Mutt? What...?

When you wake up, your BREATH is so AWFUL!!

Dr. Schmock, you really don't believe that an alien force is making duplicate bodies out of all of us?

That's utter nonsense! How do they accomplish it...??

They make the exchange when people fall asleep!!

Ah-hah! That shows you how **WRONG** you are!

How come?

If they did that, the entire audience of this dull movie out there would be duplicated by now!!

So that's how it's done, eh?

Well, I'll say one thing...

It certainly takes the fun out of making babies!!

They've completely changed the method of reproduction!

Oh, well! If you can't fight 'em... join 'em!

Hi, there! You come here often? You want to go to my place for a drink? You believe in sex on the first date?

Please... not tonight! I have a **POD ACHE!**

Gee... it hasn't changed all that much!!

Now, they've gone too far... making a disgusting-looking idiotic creature like that! It must be **DESTROYED!**

Why are you doing that dreadful thing?

I've **GOT TO!!** So far, this has been a horror film without any horror, a science-fiction film without any science-fiction, and a suspense film without any suspense!

At least if we have some **VIOLENCE**, people won't mistake it for a Disney film!

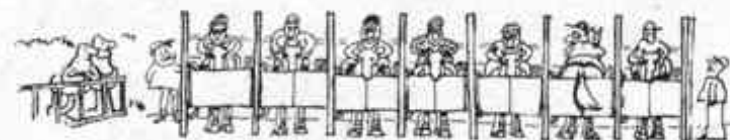

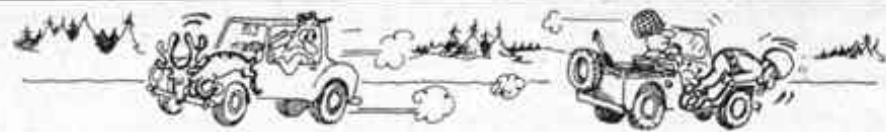

It's all so terrible... stealing people's bodies and making them into creatures who become submissive and say absolutely nothing!

I can think of only one case where it would do some good! Which one?

THAT one!!

Gasp!
Gasp!
We'll
be
safe
here!

Remember
now, you
can't fall
asleep
for even
a moment!

Really? Then why did
you make me run all
over town and get
tired out, instead
of just hiding...?!

I was worried about
your resistance...!

You wanted
to build
it up?

No...
tear it
down!

Here's some-
thing that
will help
you...!
Take six of
these pills!

What are they...??

Uppers! They'll keep
us awake until morn-
ing! And better take
one of these also!

What's this for...?

Birth control!
It'll keep us
BUSY until
morning!!

So the
famous
Doctor
is
actually
the
LEADER
of the
INVADERS!

That's correct!
We've come from
another planet—
blown here by
seeds—and we
intend to take
over your Earth
—city by city!

So, first you
take over San
Francisco and
make everyone
here into the
same mindless
empty person!

That's right!

And
then you
take
over
New
York!

Right!

And
then you
take
over
Chi-
cago!

Right!

And then...
Los Angeles!

Wrong! We
don't have
to! In Los
Angeles,
they're that
way already!

This will make you
sleep! When you wake
up, you will smile
constantly and be
emotionless and un-
troubled by any
creative thoughts!

Mutt, do you know
what this means?!?

Yeah! I could
be President
of the United
States!!

Take that...! And that...!!

If I had any "normal" human
senses, I would have said "Ow!"

If you had **ANY** sense
at **ALL**, you wouldn't
have been in this movie
in the **FIRST** place!!

Run, Liz! Keep on running!!

What's the use?! They're
going to kill us anyway!!

But—gasp—look at
the brighter side!!

What brighter side?

When you **DIE**
—puff-puff—
you'll be in
GREAT SHAPE!

Don't show any emotion... or they'll know for sure we're not one of them!

I haven't seen so many numb-looking people since my ALGEBRA Class in High School!!

They're loading PODS onto SHIPS to be taken to DIFFERENT COUNTRIES!

But why use SHIPS for pods? Why not just put sacks of SEEDS on PLANES, and spread them around like when they first came HERE?!

Please don't ask for sensible explanations or you'll ask me how come nobody noticed when our friend Dr. Schmock, the Psychiatrist, first changed —

—or how come a man who can spot tiny rat turds in a hot pot of stew can't notice huge pods growing in his own garden?!!

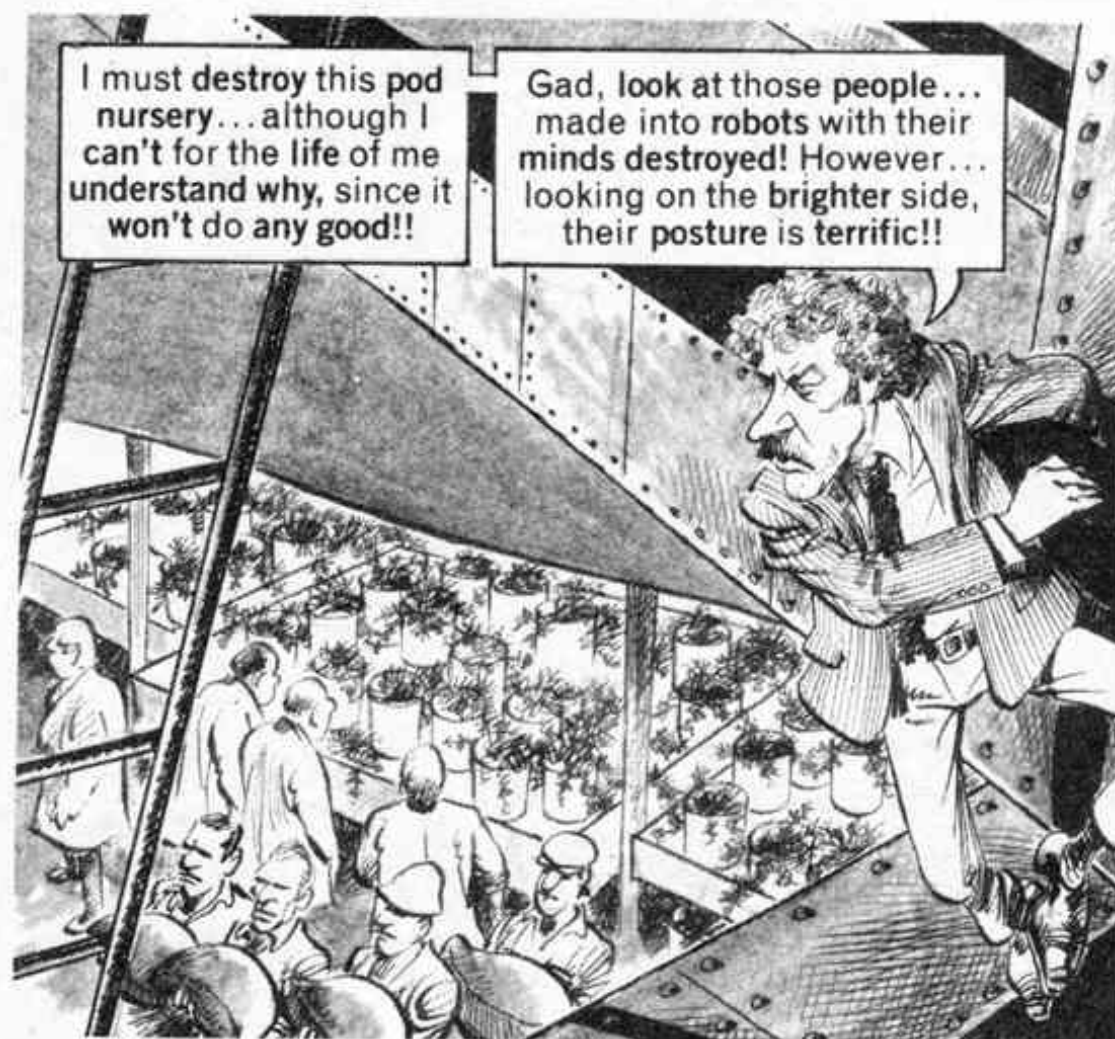

Liz... wake up! Wake up!

But if you do, you'll leave me forever! Liz... there's something I want to tell you!

I did! But on second thought, I just want to say... "Sweet Dreams!"... and "YICCH!"

I—I can't! I—have to sleep...

You... you want to tell me... that... you love me...?

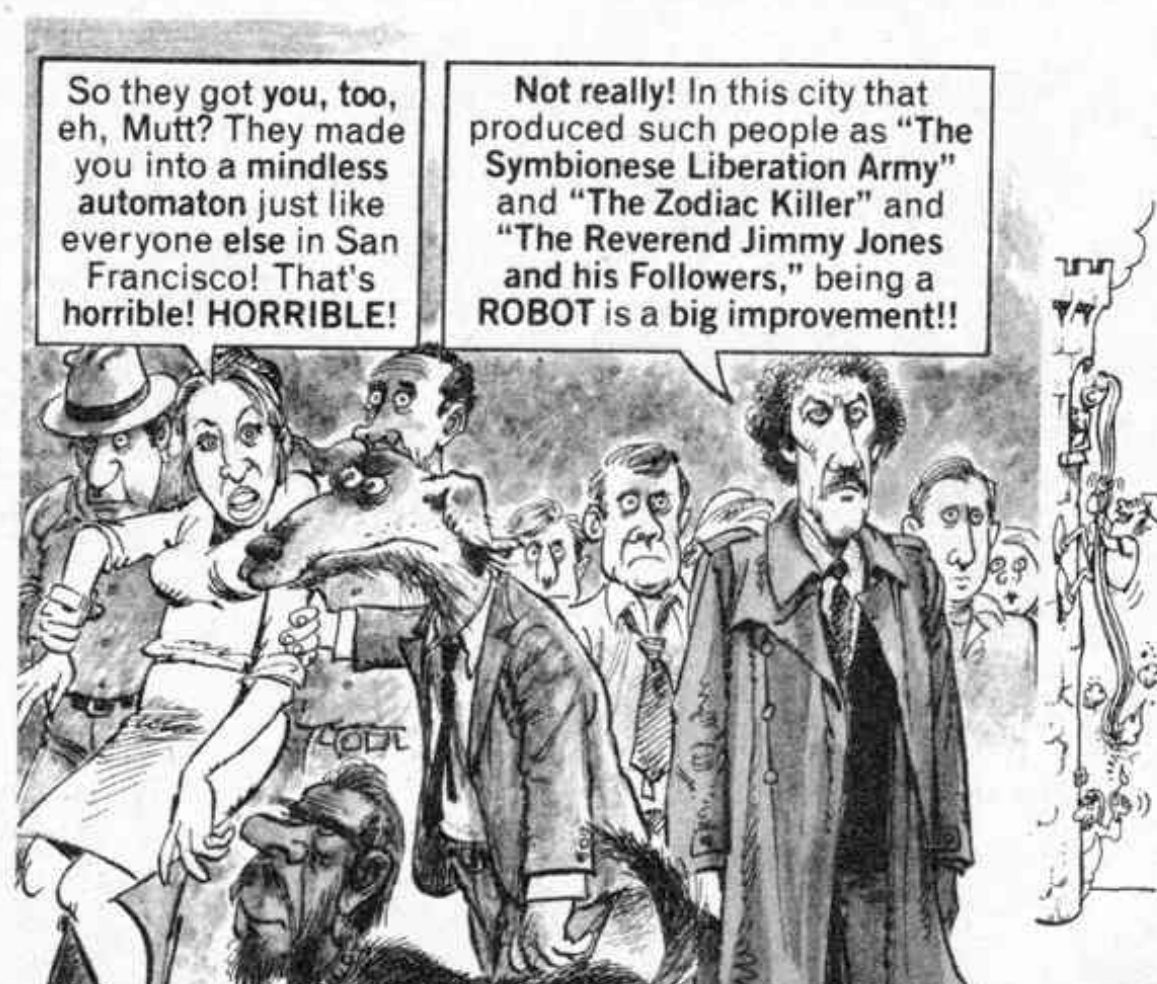

I must destroy this pod nursery... although I can't for the life of me understand why, since it won't do any good!!

Gad, look at those people... made into robots with their minds destroyed! However... looking on the brighter side, their posture is terrific!!

Mutt...! Mutt, it's me!! They didn't get me! Mutt! Mutt...?

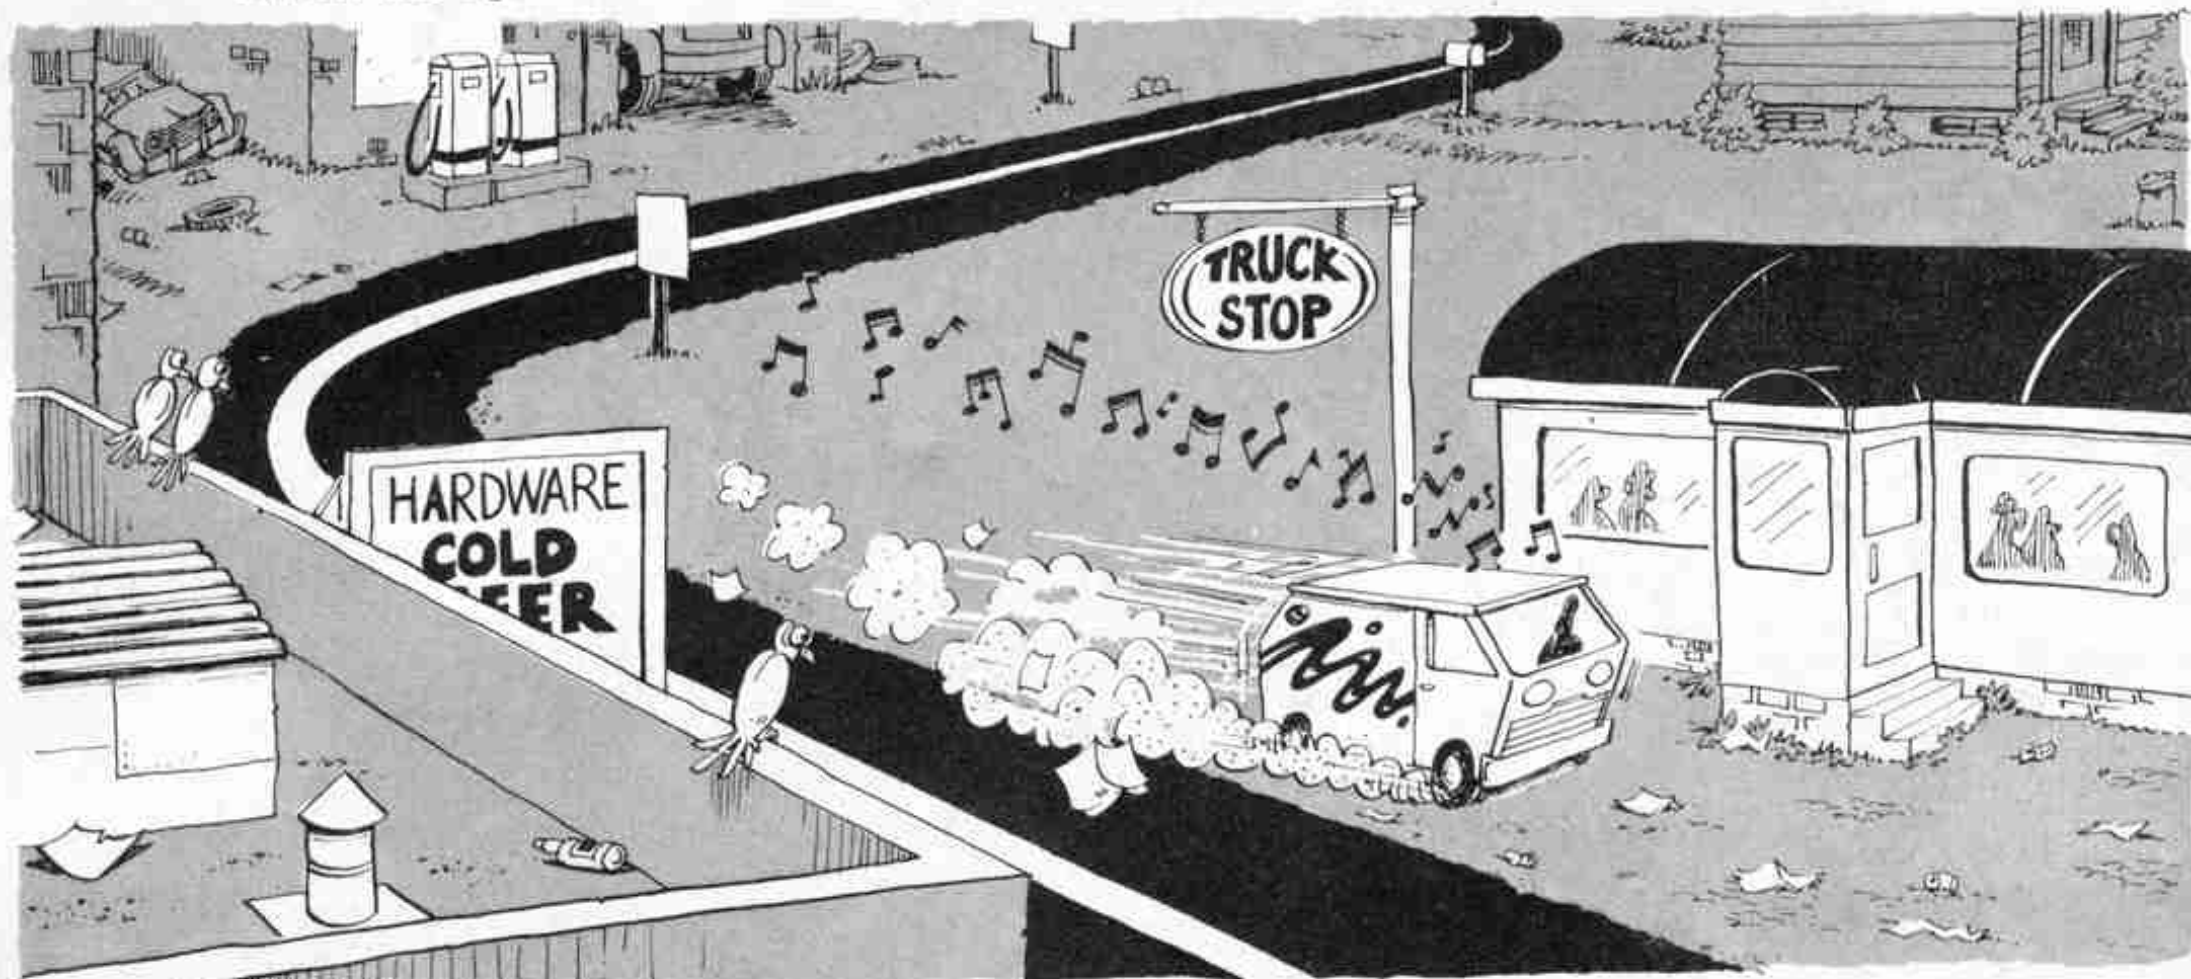

So they got you, too, eh, Mutt? They made you into a mindless automaton just like everyone else in San Francisco! That's horrible! HORRIBLE!

Not really! In this city that produced such people as "The Symbionese Liberation Army" and "The Zodiac Killer" and "The Reverend Jimmy Jones and his Followers," being a ROBOT is a big improvement!!

THE DISCO MAN

(With apologies to "The Highwayman" and the memory of Alfred Noyes, even though it's our memory of John Travolta that really stands out.)

The road was a ribbon of asphalt into the one-horse town.
His van was a wheezing old Chevy, styled with its frame low down.
The back was re-done all in velvet, mattresses on the floor;

And the Disco Man came driving —
'Mid clunks and fumes a-driving —
The Disco Man came driving, up to the Truck Stop door.

His shirt gleamed in brilliant fluorescence,
red with some orange hues.
His pants were a vision of tightness,
down to his platform shoes.
Then into the Truck Stop he sauntered,
gliding with poise and flair,

Said he, "Every soul in this village
knows I'm a dancing star.
I've out-boogied all of the farm boys
up at the Grange Hall Bar.
So now I am off for the city,
seeking to win a prize

"I know we've been partners in contests,
dancing here and there.
But pressure's too great in the city;
nothing could be less fair
Than asking you now to come with me,
so wait for my return.

And beckoned to Rose the waitress —
Rose the pudgy waitress —
His true love, Rose the waitress,
who slung the hash in there.

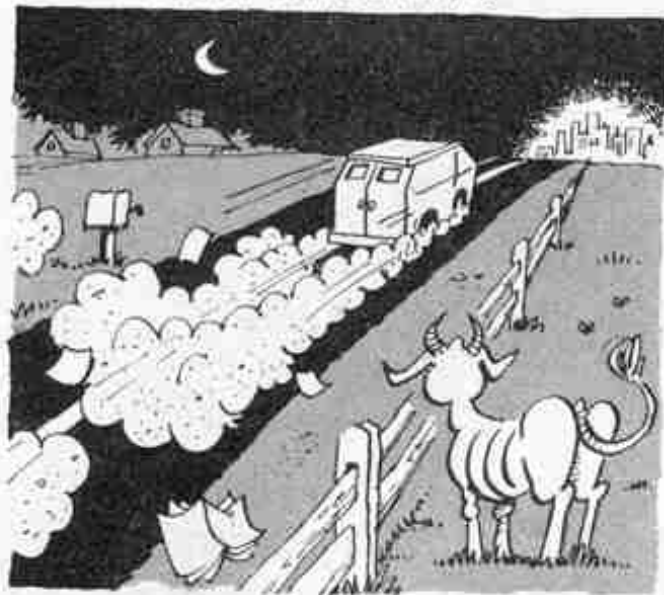

At discos that search for talent —
Guys like me with talent —
Five-hundred bucks for talent
is what they advertise.

New girls to dance with I'll seek there —
Blondes I'll sadly seek there —
Then train the ones I seek there,
and hope they're quick to learn.

Then pledging he'd come back quite shortly,
 bringing his disco prize,
 He raced through the night toward the city,
 feeling his pulse rate rise.
 For there, just beyond the horizon,
 waited that shrine of dance

Where John Travolta first tangoed —
 Whirled and swirled and tangoed —
 Dipped his knees as he tangoed,
 splitting his best new pants.

He entered the city by daybreak,
 hurrying to prepare
 His outfit for dancing that evening.
 He also waxed his hair.
 The shirt he selected was rhinestone;
 trousers were stain white.

His neck he festooned with medals —
 Dazzling clumps of medals —
 Gold-plated dime store medals,
 polished and shining bright.

He drove to that world famous disco,
 Nunzio's House of Noise,
 Quite sure that his clothes would draw notice,
 envied by all the boys.
 He swept in with panther-like footsteps.
 Girls quickly turned and stared,

Amazed at his shirt of rhinestones —
 Eighteen pounds of rhinestones —
 He stood there ablaze in rhinestones,
 while pulsing music blared.

Then glowing with shiny translucence,
 (Lazer beams bathed his face),
 He strolled 'mid electrified glitter
 all through that fabled place.
 He stopped at the bar for their special,
 three-dollar lemonade,

And watched the dee-jay spin platters —
 Blending moods with platters —
 Driving folk nuts with platters,
 each one quite loudly played.

The room where the dancers were gathered
 pulsed with a Salsa beat,
 While flashing lights set in the ceiling
 glowed with infernal heat.
 Though people were jammed there for pleasure,
 somehow it seemed like hell;

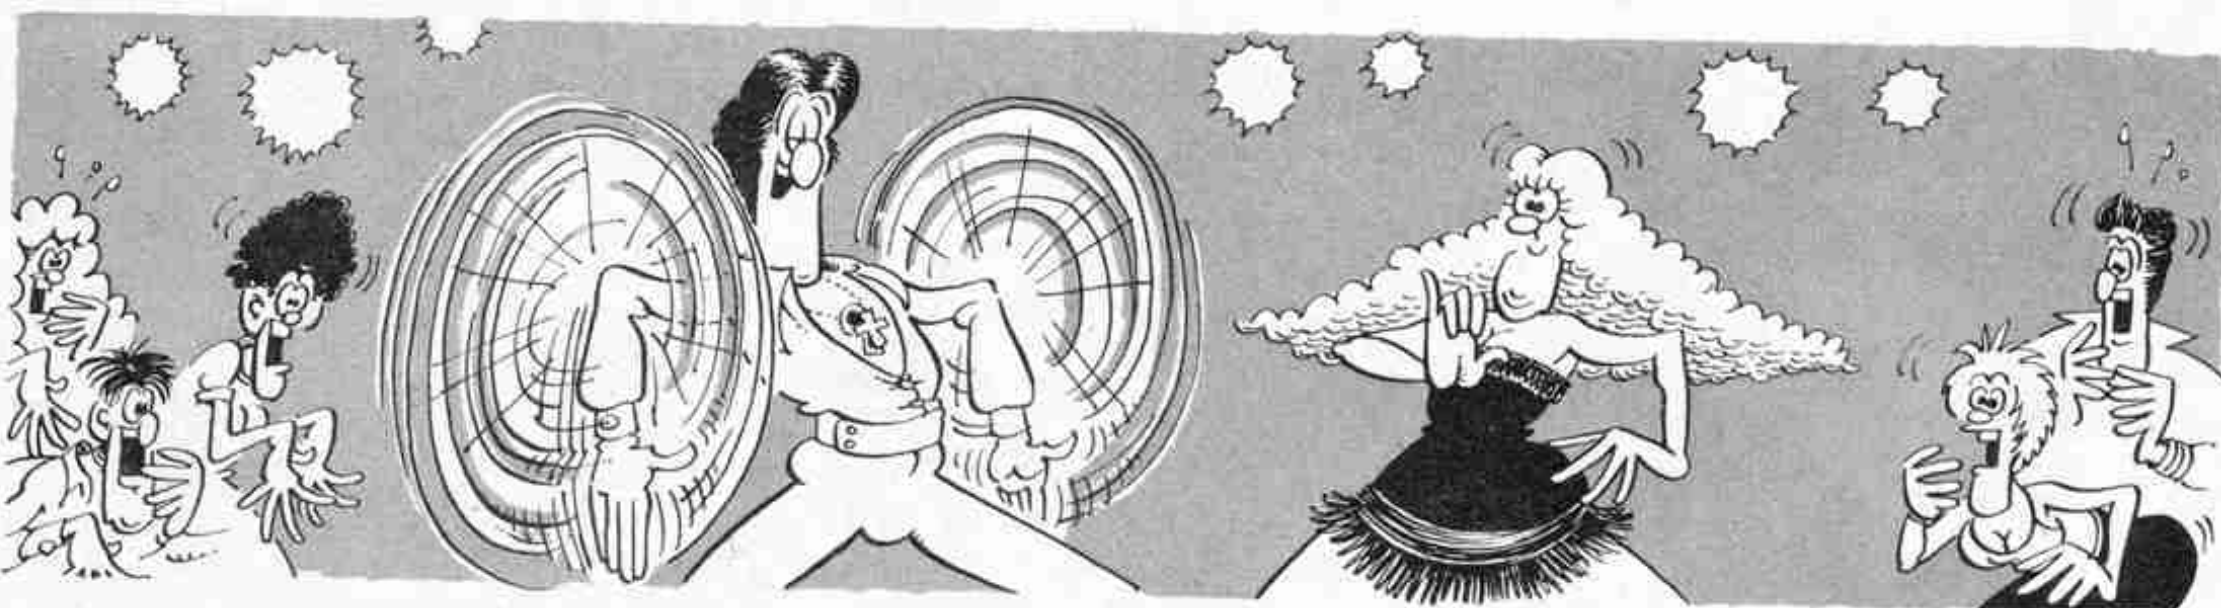

And the Disco Man stood sweating —
 Hunting chicks and sweating —
 Fearful that all that sweating
 might make his rhinestones smell.

One girl quickly caught his attention,
 moving with stylish grace;
 And soon, 'mid the roar of the music,
 chatting there face to face,
 He said, "Let's team up for the contest,
 practicing night and day.

You inspire me 'cause you're lovely —
 Tall and slim and lovely —
 I'd die for one so lovely."
 She smiled and yelled, "What say??!!"

To show his intentions, he grabbed her, right in that strobe-lit glare,
 And hustled her over the dance floor, firmly with dashing air.
 His arms he could spin at the elbow, making his style unique.

Then all those who watched stood gasping —
 Awed they were, and gasping —
 Whispered as they stood gasping, "First prize he'll surely seek."

Twelve minutes without interruption,
torrid the tune played on,
Repeating its heart-tugging lyrics:
"I'm gone! Yea, yea. I'm gone!"
The walls seemed to throb with a passion,
lights picking up the beat.

With frenzied movements, he twirled her —
Round and round, he twirled her —
She cried out as he twirled her,
"You clod! Get off my feet!"

They talked, once the music subsided.
"I'm from upstate," said he.
"I've got too much talent to stay there;
any who look can see.
Besides being skillful, I'm handsome.
Notice my bright blue eyes."

"Hoo boy!" she screamed, "What a yokel —
Hayseed country yokel —
I cannot stand a yokel!
Still, I could use that prize."

While both the new partners sat talking,
suddenly there appeared
A couple of muscular fellows,
Icky and Stan the Beard.
Beholding their girl friend, the dancer,
seated with some strange man,

They raged with animal anger —
Seething, apelike anger —
And set aflame with anger,
they soon devised a plan.

Our hero, all snug in his rhinestones,
felt he had nought to fear
When one of the bruisers approached him,
whispering in his ear.
"Out back, you can watch dirty movies,"
Icky confided low.

"So, cordially, we invite you —
Dear new friend, invite you —
To step outside, invite you,
and hope you'll plan to go."

The night was an ocean of darkness
out in the parking lot
As Icky and Stan took our hero
clear to the farthest spot.
In cars where young people were scoring,
few paid the slightest heed

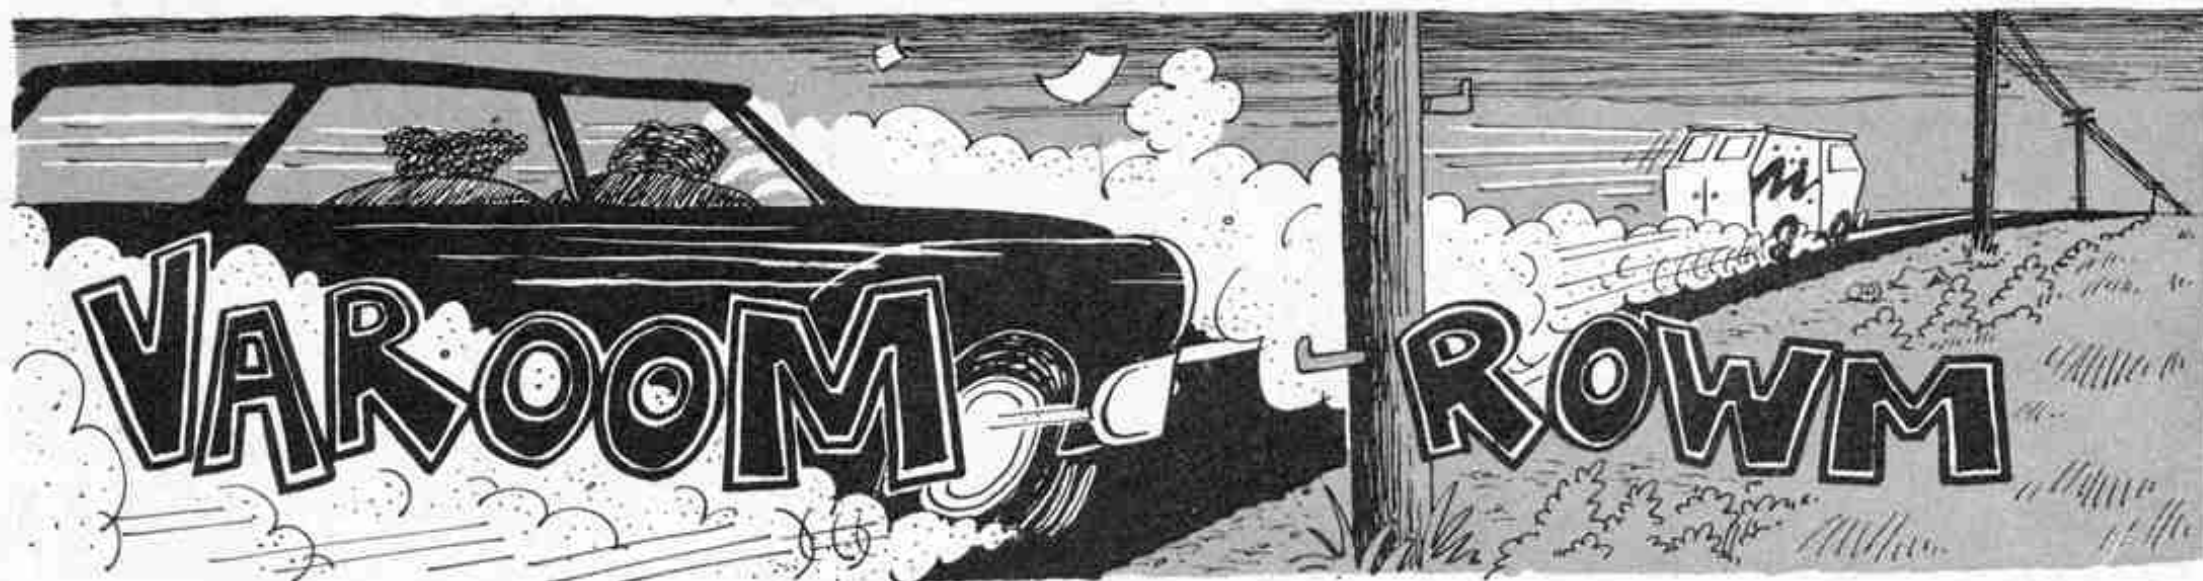

As Icky addressed the stranger —
Bellowed at the stranger —
"We tricked you, stupid stranger,
so now prepare to bleed."

Our hero emitted no whimper,
nor sobbing tales did tell.
He stood there in stiff resignation,
then turned and ran like hell.
He raced to his broken down Chevy,
one single thought in mind:

To flee from the rotten city —
Loathsome, horrid city —
Fearful goons of the city,
who followed close behind.

In panic, he sped down the highway, bullies in hot pursuit.
He dared not seek help from policemen, clad in that rhinestone suit.
So onward he drove through the blackness, past all the fields of hay.

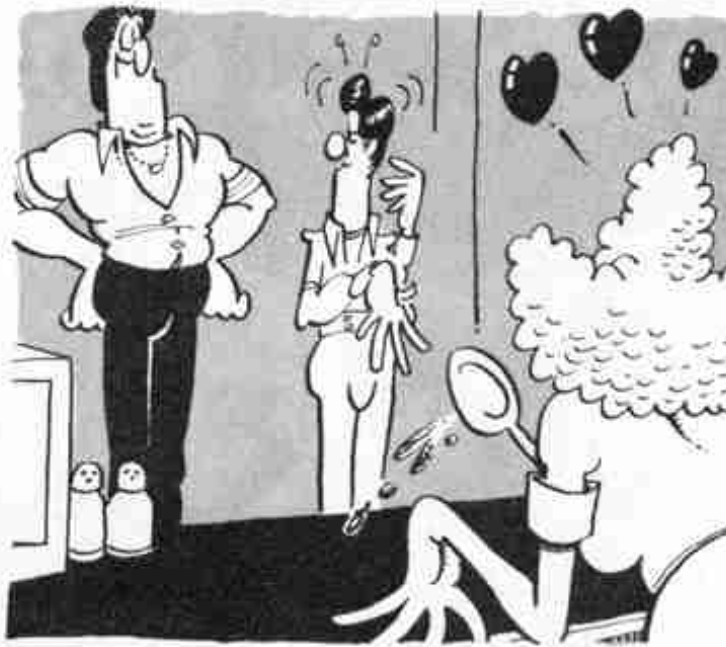

He hurried toward Rose the waitress —
Rose the pudgy waitress —
Counting on Rose the waitress to chase those brutes away.

Rose waited with patient devotion
back by the Truck Stop grille.
She dreamed as she stirred up the chili
of hopes she would soon fulfill.
Her true love had pledged he'd be coming,
loaded with contest loot.

Then cash there'd be to buy records —
Tons of disco records —
With her, he'd dance to records,
wearing his fine white suit.

The screeching of tires broke her daydream.
The door swung open wide,
And Rose felt a flush as her lover
hurled his body inside.
"You've come as you pledged and brought prizes!"
Joyful, she gave a leap.

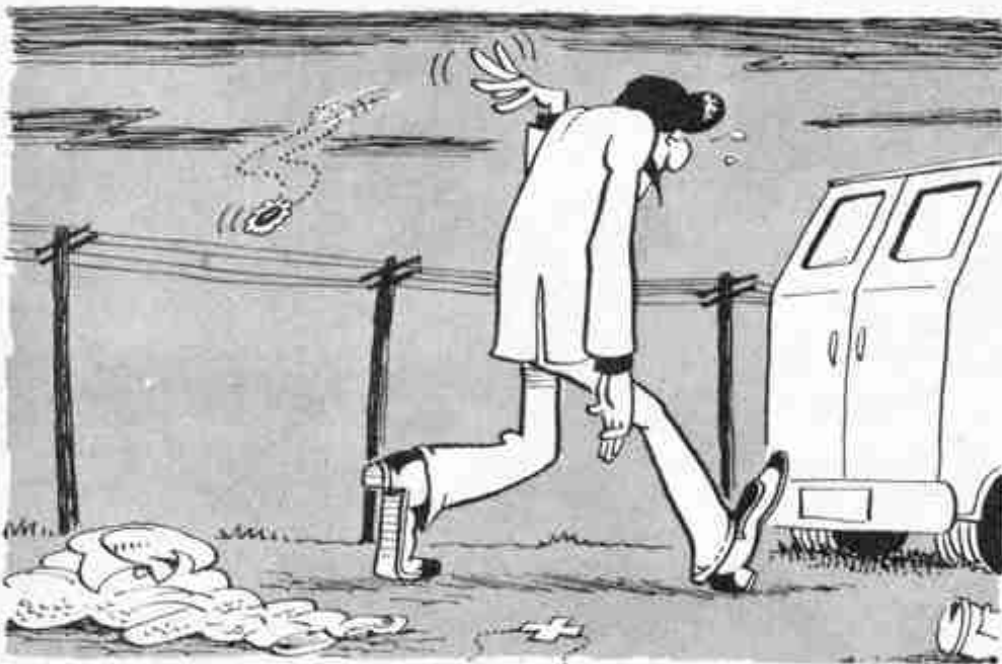

Then suddenly, in strode Icky —
Rippling muscled Icky —
Rose stared in awe at Icky.
"This prize," she said, "I'll keep."

Rose ticked off the virtues of Icky:
"Cuddly though crude," said she.
"Reminds me a lot of Travolta.
Great potential has he.
We'll dazzle the crowd on the dance floor,
down at the Grange Hall Bar.

All night, we'll hustle and tango —
Arm in arm, we'll tango —
We're leaving now to tango.
We'll go in Icky's car."

Our hero felt gripped by rejection. Moments like this he'd feared.
He sobbed as his love left with Icky, chauffeured by Stan the Beard.
In tears, he discarded his rhinestones, donning a suit of white.
Vested it was, and all linen —
Costly Irish linen —
Wearing his best white linen, he vanished in the night.

Though months have gone by since that evening, villagers speak with fright
Of what they still see in the moonbeams, forming a ghostly sight.
A wheezing old van on the highway chugs as it did before;
Its radio softly playing —
Disco tunes a-playing —
It glides with music playing up to the Truck Stop door.

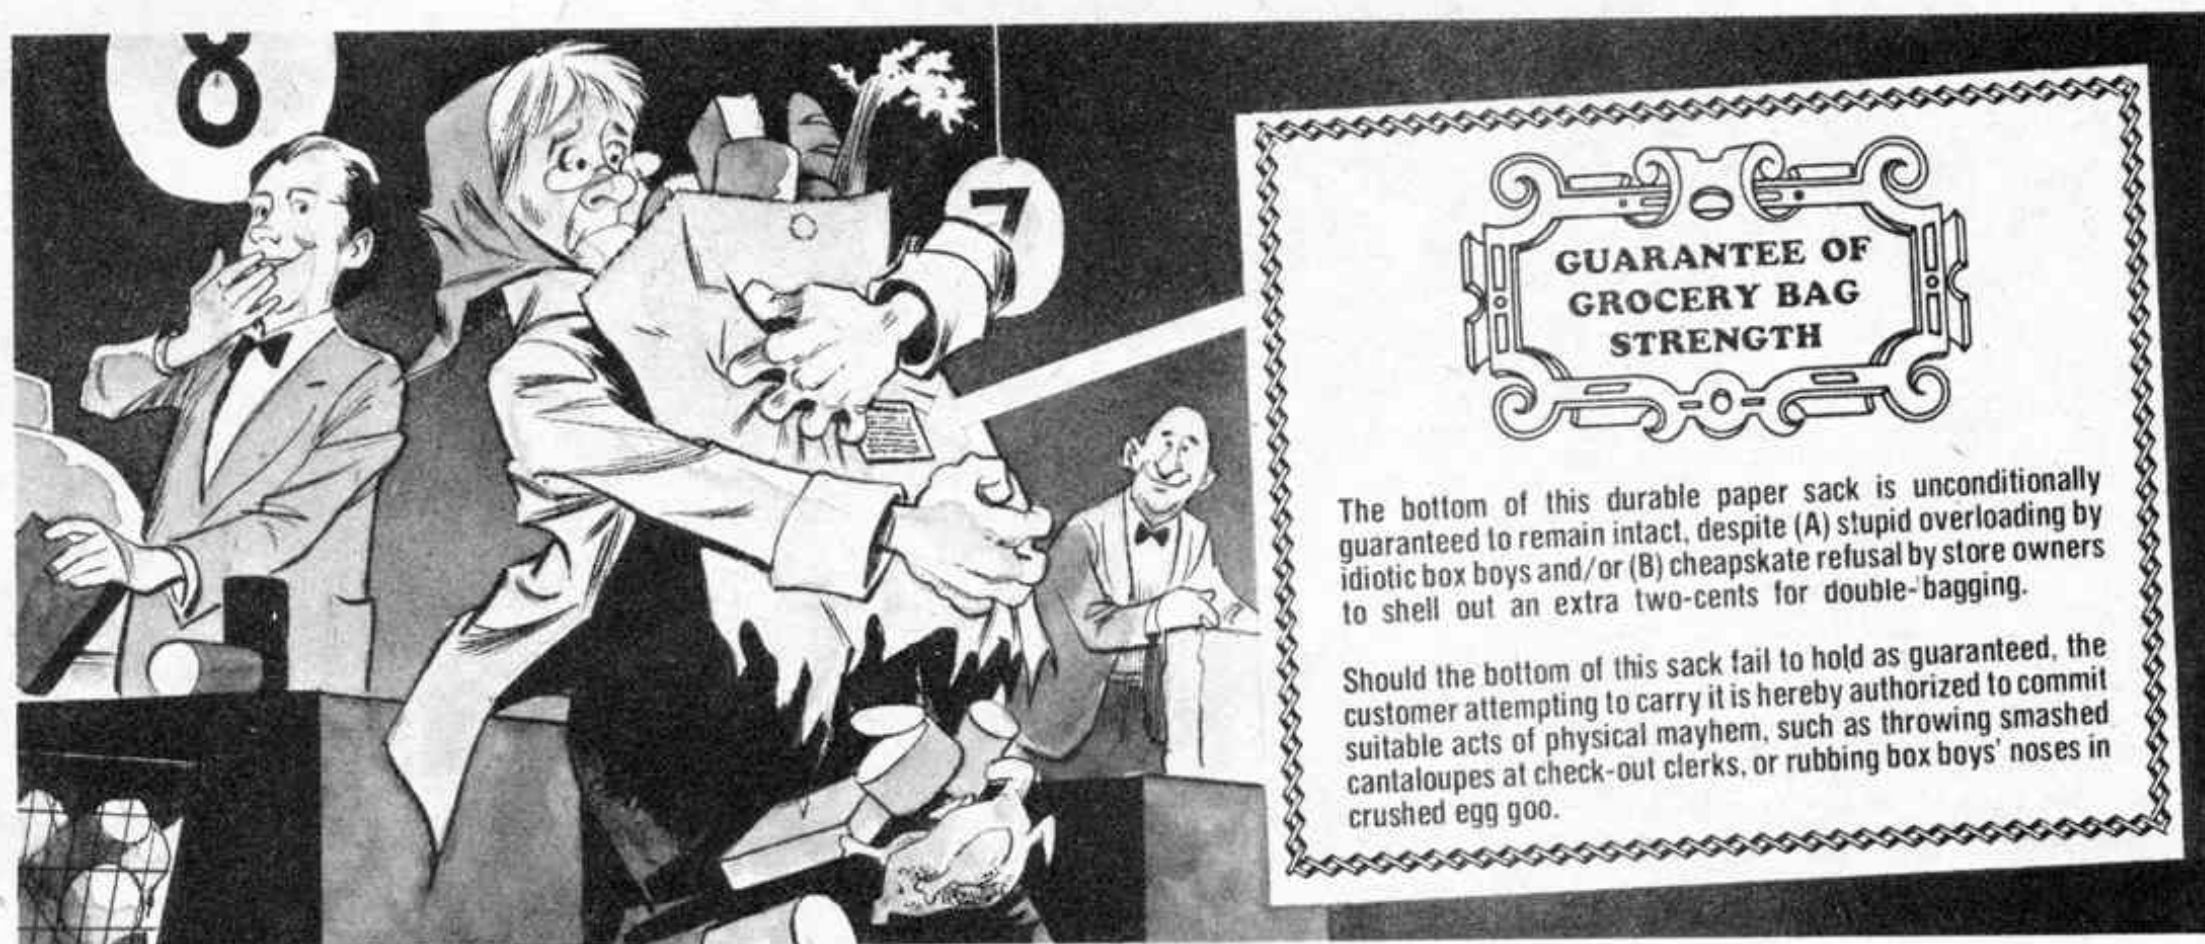

The driver is said to wear linen, glowing in whitish hues.
His pants are a vision of tightness, down to his platform shoes.
He pauses in front of the Truck Stop, calling thru wintry air

And beckoning Rose the dancer —
Rose the famous dancer —
Prize winning Rose the dancer, who once slung hash in there.

We've noticed something about those "Written Guarantees" we dutifully save and file away: They always cover things like television sets and expensive steak knives that never fail to satisfy; but they never cover things like television programs and expensive steak dinners that always fail to satisfy. As a result, it's become a daily occurrence to find our blood pressure up . . . and our spirits down . . . as we encounter more and more undependable products and services that aren't covered by any sort of guarantee. MAD isn't sure whether this failure to protect us against things that displease us most is a national conspiracy or just plain bad luck. In any case, here are some . . .

You're such a **BUBBLEHEAD!!**
You can't do anything right!
All I did was ask you to park
the car! And now you can't
remember where you parked it!

I—I could have **SWORN**
I parked it right here!!

I distinctly remember that sign!!

As you can see, this room looks
like a cyclone hit it! Drawers
pulled out...clothes scattered
all over...everything a mess!!

Yes, Ma'am! What's missing?

All my jewelry
—worth over
\$10,000—and
\$500 in cash!

And when did
you discover
the room
this way..?

Yesterday
afternoon!

Then why didn't
you report it
to the Police
YESTERDAY!!?

I thought my Husband was
being his usual clumsy,
messy, slobby self!!

How are
you doing
in school?

LOUSY!! I'm stupid!
I'm dumb... dumb...
dumb! I hate myself!

Why are you putting yourself

I'm only second!

Darn it! I'm late for the banquet, and I can't get this blasted bow tie tied! Do it for me!

You men are so helpless! Where would you be if it weren't for us women! It's so simple! Like tying an apron!

Since I don't wear an apron, how would I know about such things?!!

Well, I do! Because you male chauvinist oppressors keep putting us women down! You want to keep us pregnant and chained to the kitchen!

Yet, when it comes to the simplest of tasks, you come running to us for help!

Okay, okay! Stop gloating and tie it like you were tying an apron, already!!

Is my rocket model done yet?

No, not yet! Listen, I volunteered to do it, and I'm going to see it through! These assembly directions aren't easy!

Is my rocket model done yet?

No, not yet! I can't find part number 25, and I got the glue over everything!

By the time he gets finished with it, I'll be too old to play with it!

I think you're right, dear...

You'd better show him how to do it!!

What's the good of living in this age of advanced science and engineering, with all of our labor-saving appliances and electronic gadgets, when they keep breaking down?!?

The T.V. set is broken, the washing machine is broken, and the stereo-FM radio is broken!!

With all those complicated transistors and wires and buttons, a poor ten-thumbed schmuck like me hasn't the faintest idea of how to fix them!

I have a gadget here that can fix everything! All I have to do is push seven buttons!

Why restrict the awarding of medals to the military? After all, Civilians perform heroic acts while fighting life's daily battles as well! Let's recognize them with

THIS ISSUE'S PROPOSED MAD MEDALS

... TO BE PRESENTED TO DESERVING POLITICIANS

THE PERFECT
ATTENDANCE MEDAL

Goes to Politicians—not who attend their jobs on Capitol Hill every day—but who attend to the special needs of powerful lobbyists, law partners, friends and family members they have managed to put on the public payroll.

THE FOREIGN
SERVICE CITATION

For distinguished foreign service... which in this case means traveling to foreign lands, and being served royally! Taking a wife along earns a bronze cluster, a secretary—a silver cluster, and a sexy movie star—a gold cluster.

THE DOUBLE-
JEOPARDY AWARD

For gallantly and courageously putting in expense vouchers for trips to two difference places. The jeopardy comes in if anyone discovers that the trips happened to occur on the same date to places on opposite sides of the world.

FREE SPEECH
AWARD

This medal does not honor our famous constitutional right of free speech! It is awarded to Politicians who will happily make a speech, free, anywhere and anytime... just as long as their expenses are paid, no matter how outrageously high they claim them to be.

THE UNMITIGATED
GALL AWARD

For bravely increasing Social Security taxes to guarantee everyone's old age benefits. Everyone's except Congressmen, that is! They are not on Social Security, so their paychecks won't be cut! They have a much better pension system... paid for by the rest of us!

MAD'S "JUDGE OF THE YEAR"

Judge Kickback, how did you get to be a Judge? Like, were you a Number One Draft Choice out of Law School...?

No, Joe! In fact, I graduated at the bottom of my class! I got here the old-fashioned American Way... **HARD WORK!**

Hear that, gang? Even though His Honor wasn't a brain in school, he worked long and hard at his **Law Practice,** and rose to the top of the **Legal Profession!** He became a **Judge!** That's cool!

Hey, I didn't work hard at my **Law Practice,** Joe! I worked hard at doing favors for some politicians... and this job was the **PAY-OFF!** Listen, you don't get jobs like **THIS** through the **New York Times!!**

WRITER: LOU SILVERSTONE

ARTIST: GEORGE WOODBRIDGE

Judge... does everyone who appears before you get the same treatment?

I don't care **WHAT** a man's race or religion is! Only one thing matters in **MY** courtroom!

Whether a man is innocent or guilty?

No... how **MUCH** is in it for **ME!**

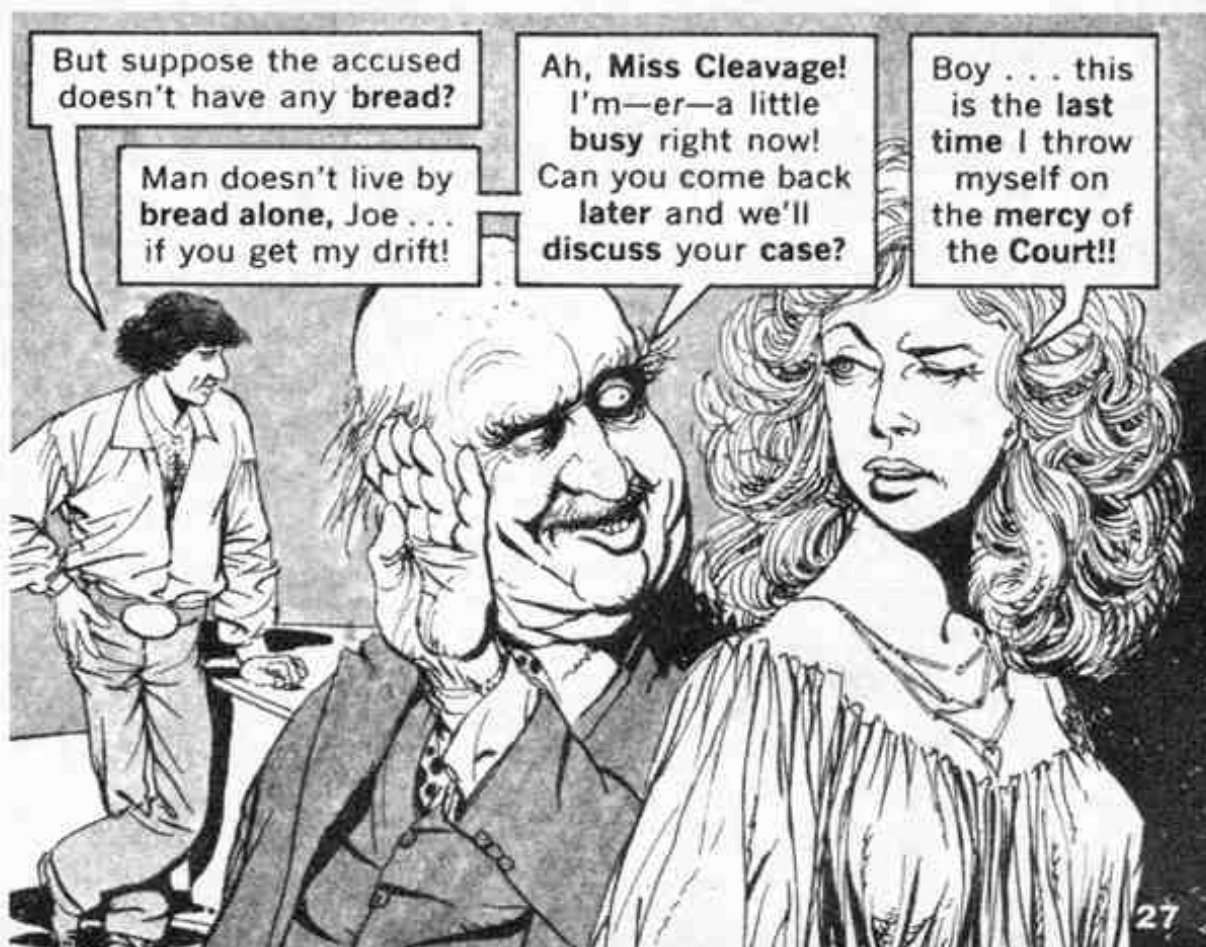

But suppose the accused doesn't have any bread?

Man doesn't live by bread alone, Joe... if you get my drift!

Ah, Miss Cleavage! I'm—er—a little busy right now! Can you come back later and we'll discuss your case?

Boy... this is the last time I throw myself on the mercy of the Court!!

What part of your job turns you on the most? Like . . . sending some mean dude to jail . . . or giving some poor kid a second chance?

Putting on this **ROBE** gives me the most satisfaction!

Because it stands for The Law and Justice?

No . . . because when I'm wearing it, everybody has to do what I say—even my wife!

Hear ye . . . hear ye! All rise! All rise! This Court is now in session! Honorable Judge Spurious J. Kickback, presiding!

Isn't this fantastic?! Nobody sits down until I give them the word!

I can relate to that! The same thing used to happen to me when I walked into a Singles Bar!!

Your Honor . . . my client is charged with **smoking marijuana**! This is his **first offense**, and he's promised **never to do it again**! Therefore, I would like to ask the Court to give him another chance!

Now hold it, Counselor!! Junkies don't get leniency in **MY Court**!

One more word, and I'll hold you in contempt! You can share a cell with this **dope fiend**!!

But . . . Your Honor . . . !!

Court will recess for ten minutes!

Pardon me while I **wet my whistle**! All that shouting made me **thirsty**!

Man, didn't you lean a little **heavy** on that kid . . . just for puffing grass?

He broke the law! I don't know what's wrong with kids these days, smoking that filthy stuff to get a little high! I'd throw the book at him even if marijuana were **LEGAL**!!

Your Honor, the defendant is accused of **not providing any heat** or making needed repairs in several apartment buildings he owns!

Well, I can understand that! These things take time!

But Your Honor! He was ordered to do these things over **SIX MONTHS AGO**!

Good help is hard to find these days! **CASE DISMISSED**!

Hey, how come you were so easy on that **SLUM-LORD**?

Joe, people don't seem to realize how **difficult** it is being a landlord today! I happen to own a few tenements—uh—I mean, **apartment houses**—myself, and all I get from tenants is **complaints**! But just because I'm a property owner doesn't mean that I'm prejudiced! I call 'em as I see 'em in my Court!

Yeah! You're about as **neutral** as a home-town Ref!

Court will now recess 3 hours for lunch!

Isn't that a long time for lunch?!

Eating fast is bad for the digestion! Besides, these long breaks make sure Court Calendars are jammed . . . and that helps when it comes time to ask for raises in Judges' salaries!

I've got a luncheon date at a fancy restaurant with a big shot lawyer!

Does he ever argue a case before you?

Of course he does, dummy! Why ELSE would he take me to lunch?!

But isn't this a—a conflict of interest?

It doesn't conflict with MY interest!

Mine, either! Kickback, I've got to run! Enjoy your lunch . . . and I'll see you later, in Court!

Man . . . this would be like me having lunch with the Referee before the game!

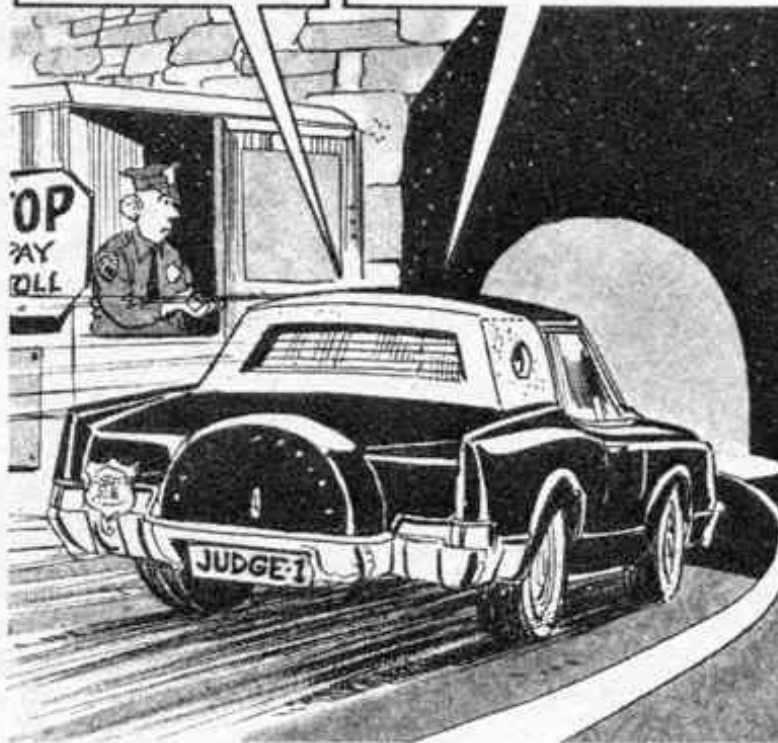

Too bad you didn't think of that before! You might still be playing!!

If Pete Rozelle were in charge of our Courts, you'd be banned for life!

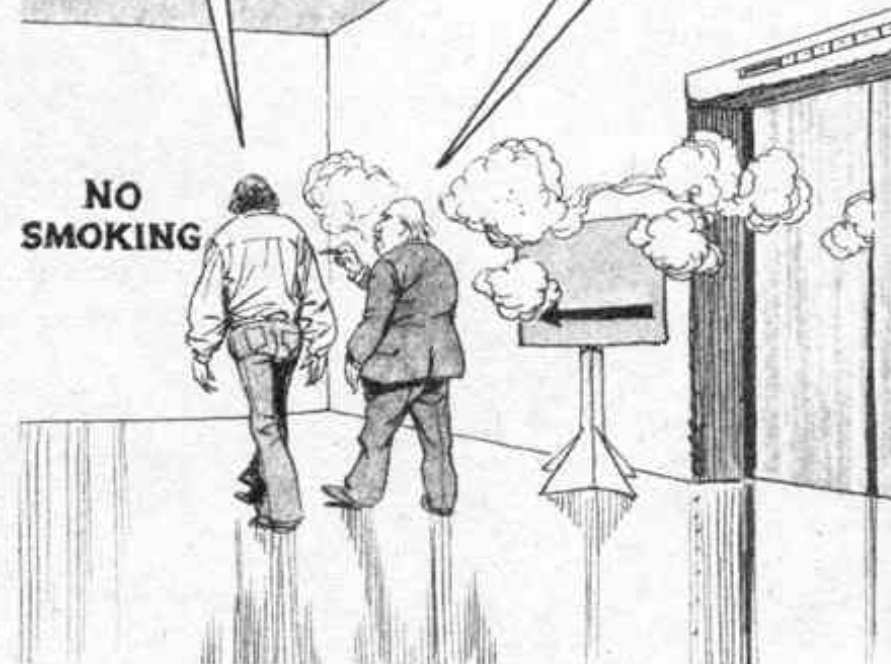

You can't compare Football to the Courts! The public wouldn't stand for anything crooked in Football!

Are you saying that the American people are more concerned with honesty in FOOTBALL than in our Court System . . . ?!?

Of course!! You ever hear of anybody betting on a TRIAL?!?

NO SMOKING

What kind of cases do you enjoy the most?

Pornography cases! I have to view all the movies put into evidence to see if they're obscene! Isn't this wild?!?

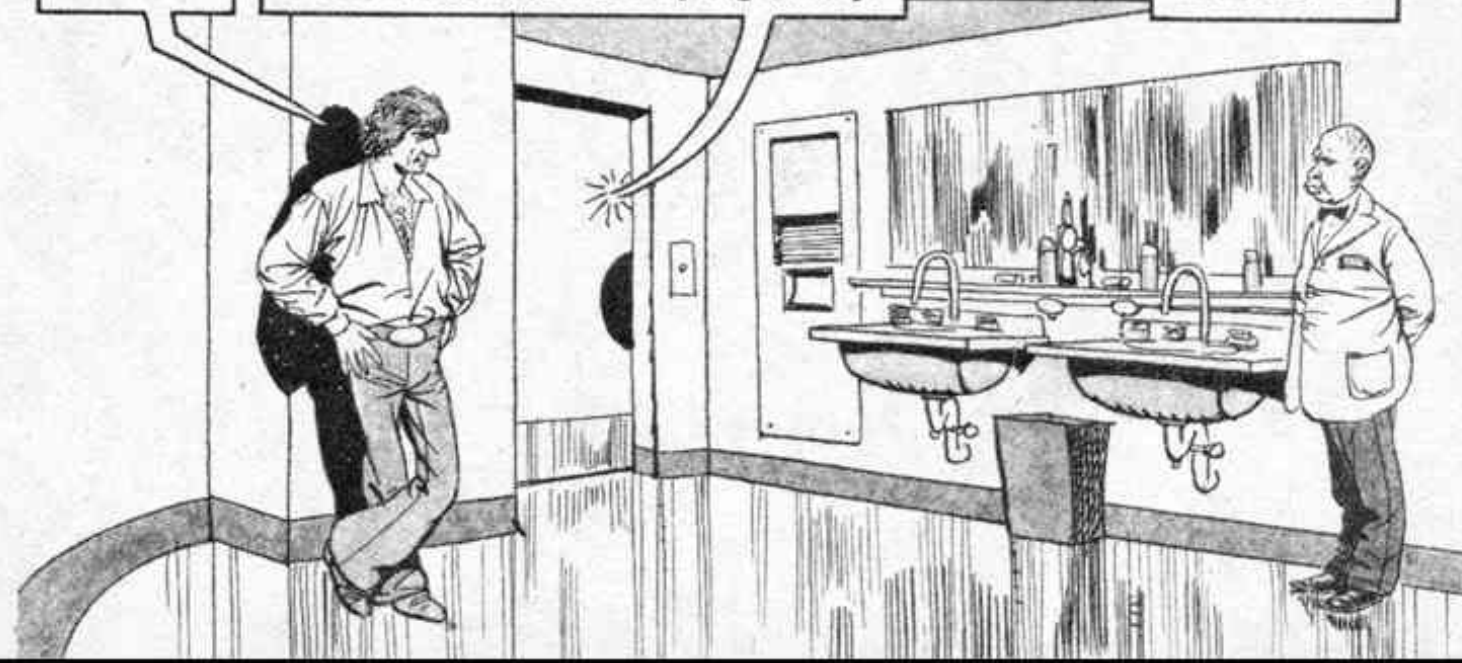

It does beat looking at football films! Except maybe my last few games . . . which were really obscene!

Is giving the death penalty the toughest decision you have to make?

Nah! That's a piece of cake! The real serious stuff is the behind-the-scenes legal business that the public doesn't know about! It has to do with estates and bankruptcies! Whoever a Judge appoints to handle these matters makes very big money!

You have to decide which lawyer can do the job best?

No, I have to decide WHICH RELATIVE to give the job to! Mine . . . or some Politician's!

Aren't you afraid that all this shady wheeling and dealing will get you into trouble??

What trouble?! I'd just have to appear before a group of Judges—most of whom are as crooked as I am! The worst that can happen is, a Grand Jury starts poking around! In which case, I resign... take my pension... and go live in Switzerland with my loved ones!

You have relatives in Switzerland?!

No... numbered bank accounts!

Judge Kickback, doesn't the JURY really have the final say in any trial, no matter HOW the Judge might feel?

Joey, Baby... that's like saying the Referee can't influence the outcome of a game! Come on... I'll show you what I mean...

I have to charge this Jury—

TRAFFIC COURT
SERIES 77039

Ladies and Gentlemen of the Jury... you have heard all the evidence in this case! It all boils down to who is telling the truth: The defendant—a convicted felon... or these two honest, hard-working Police Officers! Now, retire to the Jury Room, deliberate, and bring in a just verdict!

If you believe the crook—I mean, the defendant, then find him "Not Guilty!" But if you believe these fine, dedicated Officers, then bring in a verdict of "GUILTY"!!

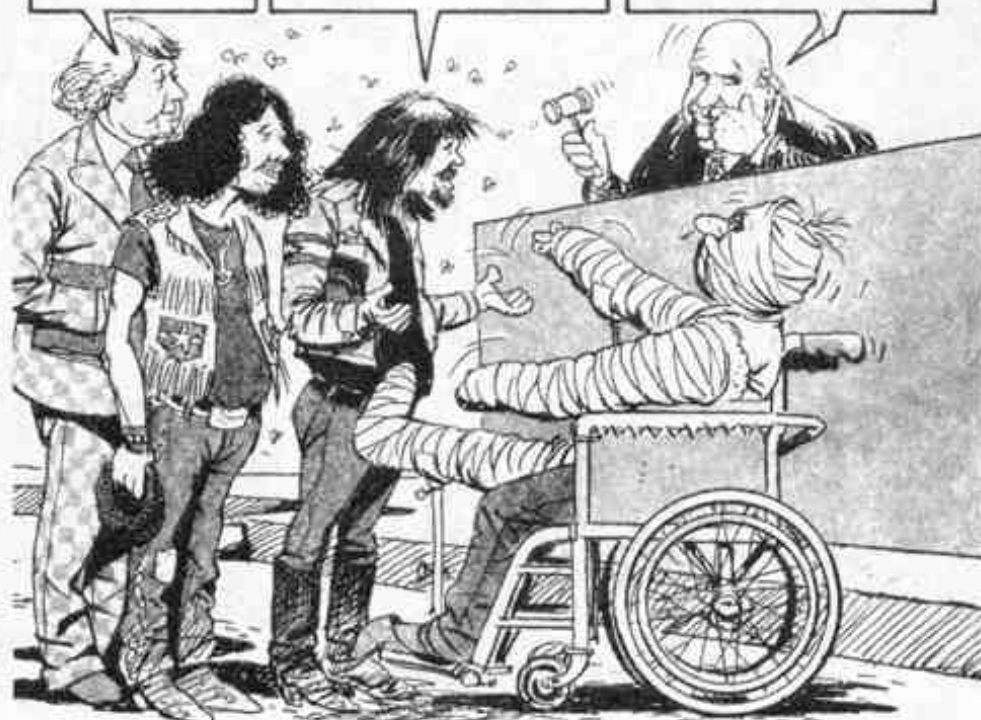

We don't have to deliberate, Your Honor! We find the defendant "Guilty As Charged"!!

Your Honor, these two minors are accused of robbing and assaulting this man!

Were you boys ever in trouble before?

Nuttin' serious, Jug! Just rippin' off cars and kid-stuff like dat!

Okay, I'm going to take a chance on you two! Now, I don't want to ever see you two back here again! Case dismissed!

I don't get it! How come you let those two punks go? They really worked that old guy over!

Sometimes, Justice must be tempered with Mercy! Besides, I've got no time for a long legal hassle! I'm already late for my tennis game!

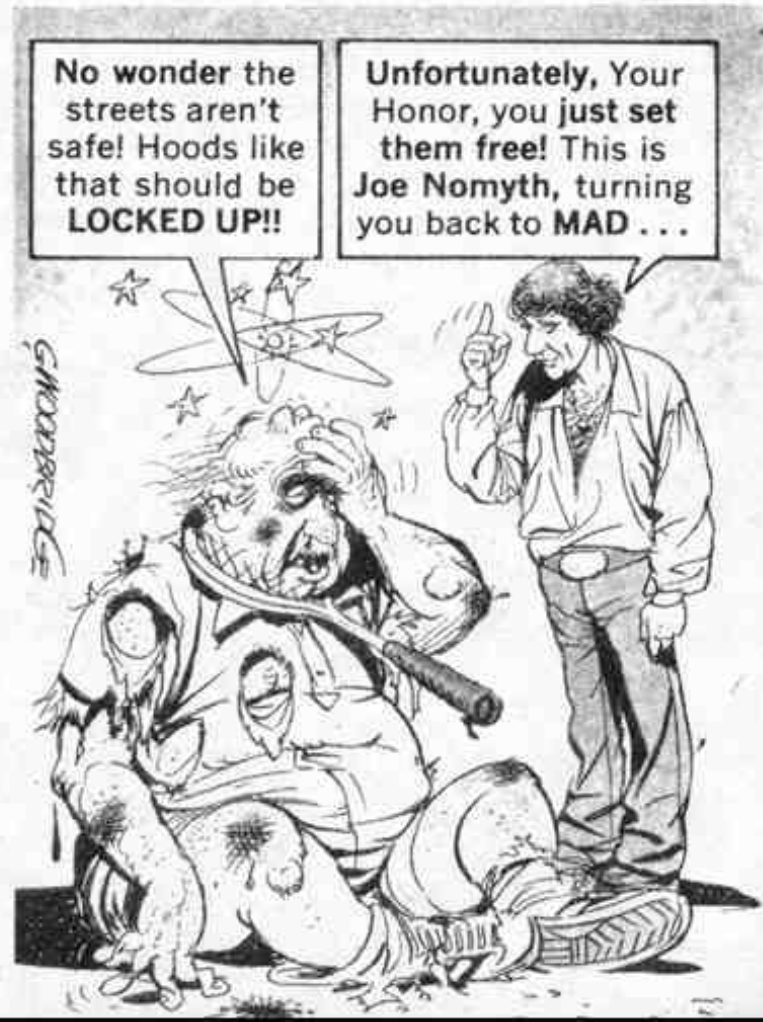

And you know that tennis courts are more crowded than mine!

Help! Help, Police!

Shut up, creep, and hand over your wallet!!

No wonder the streets aren't safe! Hoods like that should be LOCKED UP!!

Unfortunately, Your Honor, you just set them free! This is Joe Nomyth, turning you back to MAD...

A MAD ASSORTMENT OF...

EXPOSED "JOCKS"

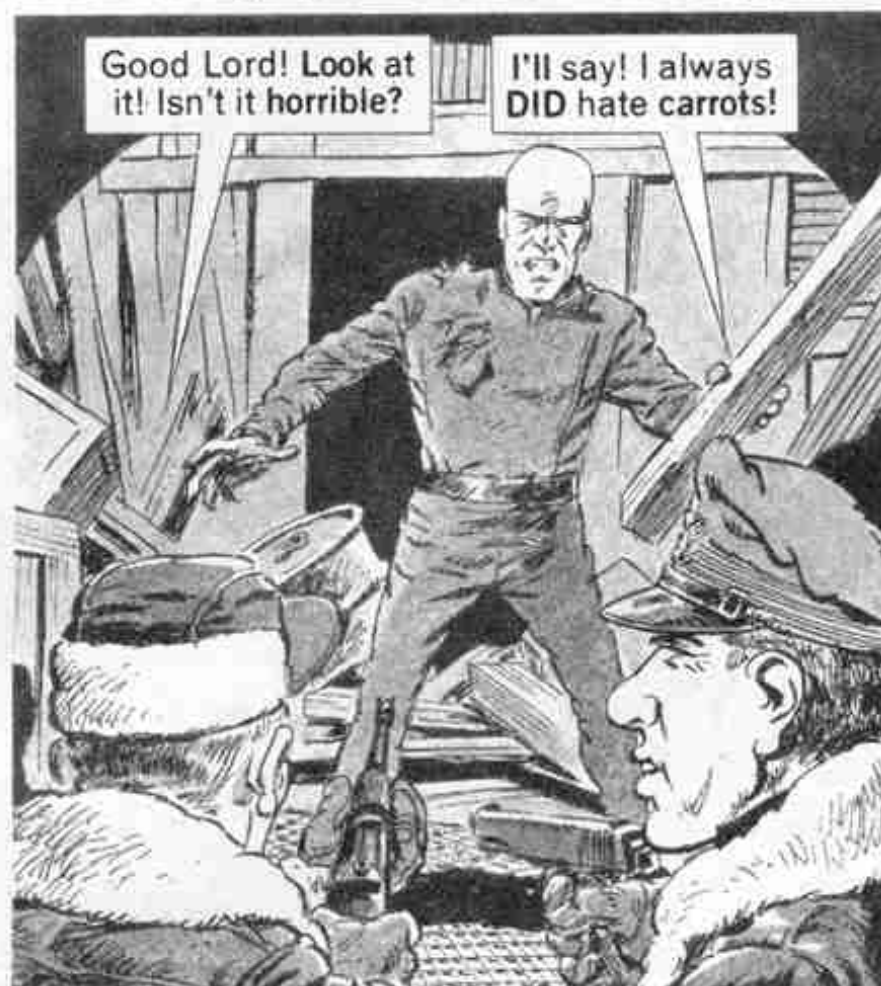

ARTIST & WRITER: PAUL PETER PORGES

Movies and TV shows about creatures from outer space have always fascinated us Earthlings. They usually feature . . .

... or frightening aliens like the invaders in "War Of The Worlds"!

SHMORK & WINDY

ADDITIONAL DIALOGUE: DICK DE BARTOLO

There's just one slight problem, Shmork! On Earth, Fathers don't approve of their daughters living with someone of the opposite sex!

Don't worry! I promise I won't try to kneel on you!

Is kneeling—uh—sexual on Pork??

Shazbat!! Evidently, your Father never told you about "The Birds and The Knees"!!

Hi! I'm Windy's Father! I play a low key character! I don't quite have the "pizzaz" of an Allen Ludden or Lawrence Welk!

I'm a sweet gray-haired old Grandma who's always making wise-cracks! And with the wise-cracks I make, I'm LUCKY I'm a sweet gray-haired old Grandma... or I'd get PUNCHED AROUND a lot!

Hey are you really from outer space?

Of course I am! Did you ever see anybody else drink with his FINGERS?

No... but I've seen old WEEWEE here eat with his HANDS!

I'm here to observe your primitive civilization ... so I want to remain as inconspicuous as possible!

Shmork... people on Earth usually don't hang upside down!!

You DON'T? Shazbat! You're even MORE primitive than I thought!!

You go right ahead and hang ... and don't worry about it! People will think you're rehearsing for "The Gong Show"!

"The Gong Show"!? I know that!

Good evening, good evening!! I'm your host, Chuck Embarrass ... coming to you almost live! Our first act... "The Singing Stevedores" from Hoboken... ahr-ahr... Tiptoe Through Tulips... Plunk-a Plunk-a...

Holy jumpin' green beans! What's that turkey trippin' on???

He's doing one of his time-killing shticks! That, and a few dozen Nanoos and Shazbats save our writers the trouble of having to come up with new gags or plots!

Did you hear? Two bandits just knocked over the bank right down the street!!

Shazbat! They must have been extremely strong!!

No, Shmork! Knocking over a bank doesn't mean **KNOCKING OVER** a bank! It means **HOLDING UP** a bank!

Double Shazbat! holding UP a bank means they're even **STRONGER!!** What muscles!!

Oh, Shmork! Isn't there **ANYTHING** on Earth that doesn't confuse you?

Of course there is! Paychecks, royalties, re-run rights, spin-offs, merchandising tie-ins, and the ever popular residuals!

Two more seasons of "Nanoo, nanoo!" and I'll be able to buy me General Motors!!

Goo goo gurgle gop!

Shazbat! you speak Porkanese! Ahr-Ahr! That's funny, but it's not a nice way to talk about your MOTHER!!

Get away from my Baby, you nut! With people like YOU around, I'll never come in HERE again!

Do you know that was the first customer we've had in months?! And if you say "NO, but if you hum it—" I'll kill you!

Dig this!! The Rolling Stones' concert grossed over SIX MILLION! It broke all records!

Is that good? To break all records?!?

You better believe it, Buster!

Nanoo... nanoo...! Rolling Stones... eat your hearts out!

Boy... this is so EASY! I LOVE "Show Biz"!!

SHMORK!! Stop that!! What are you DOING?!?

Silly question!! I'm breaking records! See how pleased your Dad is! He wants to embrace me! Earthlings are so emotional!!

Let me get my HANDS on that weirdo!

Please, you don't have to thank me!

Dad, why don't you go to lunch? We'll clean up!!

Why go out to lunch?! You have plenty of food right here!!

Those're flowers, Shmork! No one on Earth eats flowers!

It's time you started! They're more nutritious than anything you'll get in a restaurant!

I'm really worried! If business doesn't improve, Dad will lose the store!

Shazbat! You Earthlings are so careless! I knew you'd lose your temper—your marbles and your nerve! But a STORE?!

I'm serious, Shmork! For example, sales in the Record Department are just terrible!

I think that business would improve if you got rid of that old stuff!

But we carry the latest records!!

By "old stuff", I meant your Father and Grandmother!!

I—I just don't know what to do about it!

Look of concern... Serious voice...

How did you ever get into that cute adorable habit of saying things like "look of concern", "serious voice"?

Easy! At the audition for this show, I was so nervous, I read the stage directions out loud by mistake! "Shy smile... blink eyes... pause... then continue with:"

On Pork, when business is the pits, we have a Fire Sale! Sort of a shot in the arm—pits!! A little humor!

Very little!

But, Shmork! Burning down a store is against the Law!

Who said anything about burning down the store? A Fire Sale is when you sell fire! ZAPPP!

FIRE FOR SALE! SPECIAL TODAY! BUY ONE, GET ONE FREE! FIRE FOR SALE HERE! GET 'EM WHILE THEY'RE HOT!

Holy Good Night!! What happened here?!!

Greetings, Mr. M! Have a hot platter! Try a little BeeGees with some Barry Manilow! Delicious!

Hi, Dad! WE had a fire, but Shmork put it out!

How did he do that?

Easy! The same way I started it! Like this! ZAPPPPPPP!

I'm sorry I asked!

POOF

LITE MY FIRE

WHOOSH

I'm ruined! How am I ever going to PAY for this mess?!

No need to worry! You're covered!! Here... have a piece of the rock!

Weirdo is right! Insurance will pay for the damage and I'll even come out a few bucks ahead!

That's what YOU think, Weewee brain! Wait till you see your new insurance premium!

PRUDENTIAL

Shmork, I want you to promise me! No more playing with fire! Swear!!

Cross my shprink and hope to bleem!

And also promise me... no more crossing your shprink while you're driving!!

I've got a feeling in my nimno that we're being watched!

Who would spy on us?! You're being silly!

Silly, am I? Look! In the sky! It's a bird — it's a plane — it's a — Shazbat! I was right the second time! It's a PLANE!

That Chemistry set in the window reminds me of my Mother!

A Chemis-try set reminds you of your Mother?!!

Yes! I was a test tube baby! Mother acted cold, but I could see right through her!

Windy, can I ask you a personal question? Why do Fire-men on Earth wear red suspenders?

More ahr-ahr humor? That's old... even for THIS show! Okay... to hold up their trousers!

Interesting! On Pork, we wear trousers so we'll have a place to attach our red suspenders!!

TWA BARF BAG

TOY SALE

CHEMO-SET

Shmork will you get the front door?

Of course! And after I get it, where do you want me to put it?

ANSWER the door!!

Oh, that!! What does it want to know??

KNOCK KNOCK

We're from The FBI!

The Federal Bureau of Investigation!!

Shazbat! Earthlings are so suspicious! Imagine... investigating a BUREAU?!? I mean... where's your VANITY...?!?

Sorry... I just had to get that off my CHEST!!

It's dialogue like this that gives "Freedom Of Speech" a BAD NAME!!

The FBI?! Shmork, you were right! We were being followed!

Yes, Ma'am! We're investigating a report that an enemy alien may have been brought here by a flying saucer recently!

Pardon me! I'm going to the roof to take a Meteor Shower... ahr-ahr!

We think the alleged UFO is just a ploy, and it's all part of a Communist plot to plant a spy here in the good ol' U.S.A.!

Er—do these spy plants need much fertilizer?!?

What has all this got to do with US?!

There's a rumor that you allegedly witnessed the alleged flying saucer!

Girl Scout's honor. I never saw a flying saucer!

Me, neither! I've seen a stocking run, a trombone slide and a cake walk, but I never saw a saucer fly! Ahr-ahr!

The guy seemed okay, but that girl was acting suspicious!

I felt the same way so I placed a "bug" in her apartment! That way, we can check her out!

Better! Laverne is taking a shower with the shades up!

Is it a UFO?

Nanoo, nanoo! What's this?

SH-SHPRITZZZZ!

No, Shmork! Not that kind of "bug"! It's a MICROPHONE!

You mean I'm on the air?!? I always wanted to be a D.J.!!

No... a Delinquent Juvenile! You know!

A BUG!

A Disc Jockey?

You imitate all the TV shows and movies you see on Earth, don't you, Shmork...?

Yep! By the way... are there any really big skyscrapers in Boulder?

No, there aren't! Why??

I saw "King Kong" today, and somehow it doesn't seem very dramatic to climb a two-story house to be shot at by planes!

Nanoo, nanoo, all you extraterrestrial dudes out there in the cosmos! This is your far-out space cat, Shmork, with the grooviest in hot wax! All right!! But first, a word from our sponsor... Are you suffering the heartbreak of—

They discovered our "bug," Chief!

Our surveillance is blown, Chief! We might as well split!

Listen to that clown! Don't people realize we're in danger from Commie alien spies?!

Ahh! Those two wouldn't recognize an alien if they tripped over one!!

Some days, I get so sick and tired of protecting the American citizen!

Nanoo, nanoo! This is Shmork calling Awsom!

What clever social commentary do you have for me?

Today's report is on Television... a subject close to my heart—and wallet! Ahr-ahr! Most Earthlings claim they hate TV! They say the shows are lousy and there's nothing worth watching!

Well, I can't argue with that!

Yet these same people are now running out and buying expensive gadgets to record any of these lousy shows they may have to miss!

Shmork!! Shmork!!

Shmork, I hate to interrupt while you're making your report, but I just saw a flying saucer land in our yard!

Humor... ahr-ahr!

I'm serious!! A bunch of—er—THINGS got out, and asked where you were!! They're looking for you!!

There he is!!

SHMORK!! Just wait until we get our HANDS on you!!

Nanoo, nanoo! You have the wrong guy!! I'm no Earthling! I'm Shmork, from Pork! There's some mistake!!

There's a mistake, all right, and you made it the day you landed on Earth! Before you showed up, all the creatures from other galaxies were superior to these Earth creatures in every way!

Jerk!! You've ruined our hard-earned alien image!

Dummy! You're the first creature from outer space that's STUPIDER than most Earthlings!!
