UP THE BRASS DEPT

Once upon a time, there was a Publisher of a magazine. He was a happy man, publishing his magazine. But one day, he said, "Wouldn't it be swell if they made a movie and my magazine sponsored it?! It would help sales! Isn't that a wonderful idea?" All of his Yes-Men agreed that it was a wonderful idea, and so the smart people in Hollywood made a movie, and the magazine sponsored it. But did the Publisher live

happily ever after? Not on your life! Because he overlooked one little thing while he was summoning up images of millions of people rushing to see the movie and then rushing to newsstands to buy his magazine. The thing he overlooked was to find out if the movie was any good! Well? Was it? If you've seen it, you already know the answer to that question! And if you haven't seen it, let us save you the money as

Must we do this picture? Why can't we just bury our garbage, and do a satire of a more deserving film?

Dear Al,

All right, already! I'm sorry! I was wrong! I hate myself! Have you any idea what HELL it is to be stupid and fat at the same time?

VIDIOT'S DELIGHT DEPT.

Recently, an author came up with what he thought was a brilliant idea: Namely, to write a novel about how a simple-minded idiot becomes the respected advisor to those at the highest level of power. But what he seems to have forgotten is that simple-minded idiots have been in charge around here for at least 2000 years, and maybe a lot longer! Oh, well, why quibble? In any case, they've made a movie based on his book, so let's see what happens when a modern moron finds out how far he can go in this world of ours just by

Oh! NOW, I understand!!

Put him down! Believe me . . . it won't do any good to bring him in to the shop!!

Look, there's no more work for a Housekeeper and a Gardener here, Trance! I'm going to get a job somewhere else! What about YOU?

I think I'll just stay here and watch TV! And then maybe I'll donate my brain to Science!

Good idea! When you're READY, there's a thimble in my Sewing Kit!

Sir, we are the Lawyers for the Estate, and I'm afraid you're going to have to leave here!

Leave here?!? But I—I've never been outside this house before!! I—I can't take care of myself, and I only have an IQ of 27! What am I going to DO?!!

Well, have you ever thought about running for CONGRESS?!

What a delicious dinner! Thank you both so much! And now, if you'll excuse me, I have to do something I always do after a meal! If someone will just . . .

Yes, of course! It's the third door on the left down the hall! You know something, Trance! I like you! You have the air of a Man in Command, a Captain of Industry! And yet, at the same time . . .

BELLLCCH!

Thank you for burping me, Jeeves!

. . . you seem to have that knack of knowing how to get close to the Working Class!

The President is coming to see me tomorrow! He often seeks my advice! I'd like you to join us and share some of your valuable thinking with him! What do you say?

Oh, yes, Bane! I would love to talk to the President about "The Jeffersons"!

Great! Tom was always one of his favorite Presidents!

. . . and "The Odd Couple"!

He always liked Dick and Pat Nixon, too! I have a feeling you'll go a long way here in Washington!

Secret Service! Sorry to bother you, but we're checking the house before the President arrives! What do you do here?

I watch television all the time, day and night! I'm watching one of my favorite shows now . . . !

I hate to bring this up, Sir—but you're looking at a Washing Machine!!

Hmmmm! I kinda **THOUGHT** the screen was too small!

That's all right, Sir! We all make mistakes! I just got a message! Mr. Grand and the President are waiting for you in the den . . .

Tell them I'll be in, right after they break for the Rinse Cycle!

Mr. President . . . this is my newest and best friend, Trance! He has some interesting thoughts about those upcoming **ELECTIONS!** To him, the nation is like a garden!

Oh, yes, I know all about gardens! A garden has its seasons! First, there is Spring, then Summer, then Fall, then Winter! In the Spring, we plant a garden, In the Summer, it grows! In the Fall, it withers and in the Winter, it dies!

Brilliant!! What he is saying is: If you can't get Congress to pass laws in the Spring, the garden—the nation—will not grow over the Summer . . . and by Fall elections, it will be too late!

ALL KIDDING A SNIDE DEPT.

A while back (MAD #210), we presented a collection of easily memorized insults about famous people, places and things that were all designed to help even the biggest clod become an instant Don Rickles. This valuable guide to possible popularity and probable hits in the head was appropriately entitled "The MAD Nasty Book." It was tolerated without too many reader complaints presumably because we promised that it would be the only edition we'd make you endure. But, as you may be starting to suspect, that's the nasty thing about Nasty Books. They vow you won't ever have to suffer through another one, and then they make you do it anyway. So grit your teeth and brace yourself for —

THE MAD NASTY BOOK VOLUME TWO

ARTIST: HARRY NORTH, ESQ.

WRITER: TOM KOCH

THE KU KLUX KLAN

1. ...is something like a college fraternity, except that its members are all too dumb to get into college.
2. ...wears bed sheets so the guys won't give away their deepest secret: underneath, they all have on dresses.
3. ...defends Christian brotherhood by hanging anyone suspected of opposing it.
4. ...makes a lot of speeches, but, fortunately, in such a thick redneck drawl that they can't be understood.
5. ...encourages members to put pillowcases over their heads as a means of improving their appearance.

COMPUTERS

1. ...save money for corporations by passing employee errors along to the customers to figure out.
2. ...are labor saving devices that can be programmed to play chess with each other so people won't have to.
3. ...require less than a second to put a thousand pieces of mistaken information into alphabetical order.
4. ...take faulty addition that could be corrected with a pencil and put it on tape where it's preserved forever.
5. ...are so intelligent that they even set the type for printing this article this article this article.

MORK & MINDY

1. ...is comforting to watch because it portrays creatures from other planets as being too stupid to cause trouble.
2. ...is aired by A.B.C. to make "Three's Company" and "Charlie's Angels" look like intellectual programming by comparison.
3. ...provides Robin Williams with a perfect showcase for all one of his talents.
4. ...enriched our culture by adding "nanoo-nanoo" and "shazbat" to the English language.
5. ...is filled with such great actors that they're capable of covering up their embarrassment over appearing on the show.

THE AIRLINE INDUSTRY

1. ...has no flights into Muncie, Indiana, because that's the airport it uses to hide your lost luggage.
2. ...thoughtfully provides every passenger with a gourmet meal and a barf bag to throw it up into.
3. ...can fly you from the Chicago Airport to New York in less time than it takes to drive from Chicago to the Chicago Airport.
4. ...offers first class service to those who are willing to pay 53 dollars extra for a free martini.
5. ...makes certain that its two flights a day between the same cities are always scheduled at 7:15 A.M. and 7:30 A.M.

JANE FONDA

1. ...is capable of debating world affairs with some of the deepest thinkers in Hollywood.
2. ...looks a little like Mary Tyler Moore, and sounds a lot like your strange uncle who lives in a tree.
3. ...vows to get her husband into public office, even if she has to buy him his own country.
4. ...tries to prove that she's not like her father, who had nothing going for him except talent and common sense.
5. ...joins other celebrities who have become molders of public opinion, such as Jerry Lewis and Smoky the Bear.

TV COMMERCIALS

1. ...have a knack for making a 30-second message seem longer than a half-hour program.
2. ...teach us that we can all achieve success and happiness, once we stop smelling bad.
3. ...conduct comparison tests between competing products so we can decide for ourselves that we don't care which one wins.
4. ...make us wonder how doctors survive when all the medical advice we need is available from neighborhood druggists.
5. ...never explain how the \$4,999 cars they describe always cost \$8,000 when we go to buy one.

THE CHRYSLER CORP.

1. ...needs to sell its remaining 1980 cars so it'll have room for the 1979s that are being recalled for defects.
2. ...shows great aptitude for going into some other line of production, such as raising turkeys.
3. ...is finally getting what it deserves for making all those 1957 DeSotos with huge tail fins.
4. ...will start research on an economy car if we'll put up the cash by buying its left-over gas guzzlers.
5. ...had to ask the government for money because no private organizations specialize in rewarding incompetence.

DOLLY PARTON

1. ...is five-feet-four-inches tall, if you count the eighteen inches of hair piled on top.
2. ...is so talented that she's famous for two separate things: the right one and the left one.
3. ...got rid of her rural accent by studying at the Billy Carter School of Speech.
4. ...spent \$100,000 converting a bus into a motor home because people who sing like her have to keep moving.
5. ...took a bust development course so no one would notice that the rest of her is fat, too.

PEOPLE MAGAZINE

1. ...is a great publication for those who never learned how to read hard things, such as two syllable words.
2. ...leads its regular subscribers to assume that Eric Estrada is the most important person in the country today.
3. ...differs from the National Enquirer chiefly in the fact that it's printed on slick paper.
4. ...has succeeded because a whole issue can be read during a one-minute TV commercial.
5. ...provides scholarly research material for anyone writing a thesis on "The Sex Life Of Rock Musicians."

CHER

1. ...has a terrific shape, in the opinion of those who get turned on by looking at a pencil.
2. ...doesn't really have a crack in her voice; she just likes to practice yodeling while she talks.
3. ...wears revealing gowns in public because nothing else she does seems to attract much attention.
4. ...deserves the thanks of a grateful nation for keeping Sonny Bono off welfare for all those years.
5. ...proved that only in America can broken marriages and illicit affairs be parlayed into fame and fortune.

U.S. DEPT. OF ENERGY

1. ...hopes to perfect solar power within 20 years after the last person in the country has frozen to death.
2. ...saw the 1974 Arab oil boycott coming as long ago as 1977.
3. ...thinks everyone should keep warm the same way its employees do—by shuffling papers.
4. ...insists that the 55 M.P.H. speed limit conserves home heating oil by keeping Americans out on the highway longer.
5. ...maintains the thermostats in its offices at 65 degrees—throughout July and August.

MIKE WALLACE

1. ...has built a big audience for "60 Minutes" among viewers who hope to see him get flattened.
2. ...hopes he never gets sick because he's already accused every doctor in the country of being a quack.
3. ...intimidates those he interviews so they'll be afraid to comment on his cheap hair dye job.
4. ...may be the only person in New York who is fighting mad about crooked bingo games in Wyoming.
5. ...is upset because he can't think of any more corporations to accuse of manufacturing poison fertilizer.

PETE ROSE

1. ...holds records for hitting in 44 consecutive games and flopping in 31 consecutive TV commercials.
2. ...drives a Rolls-Royce so parking lot attendants won't think he's just some crude lout who uses bad grammar.
3. ...is one of the few active players capable of joining a division champ and taking it all the way to fourth place.
4. ...has never been injured by debris thrown from the bleachers because, fortunately, it all hit him on the head.
5. ...isn't concerned about maintaining a macho image—and he'll punch any pansy in the mouth who says he is.

THE REPUBLICAN PARTY

1. ...brags about having produced Abraham Lincoln and Dwight Eisenhower, but hardly ever mentions Warren Harding or Richard Nixon.
2. ...has a program to solve all the problems of 1926, in case that year ever comes back.
3. ...claims that every one of its hair brained schemes is designed to whip Communism.
4. ...is totally without leadership, now that John Wayne is gone.
5. ...doesn't really hate the poor; it only hates the poor who organize labor unions.

THE DEMOCRATIC PARTY

1. ...brags about having produced John Kennedy and Franklin Roosevelt, but hardly ever mentions Lyndon Johnson or Grover Cleveland.
2. ...has 238 programs to benefit those who are willing to vote, but unwilling to work.
3. ...claims that every one of its hair brained schemes is designed to whip big business.
4. ...is totally without leadership, now that Shirley MacLaine has gone back to Hollywood.
5. ...doesn't really hate the rich; it only hates the rich who somehow avoid the 70% tax bracket.

AD INSULT TO INJURY DEPT.

Advertising has become so unbelievable that we no longer expect products to cost as little or perform as well as we're promised they will. In fact, the approach taken by

advertisers has lost all touch with reality. So we just browse through magazines or stare glassy-eyed at TV and let the sponsors' incredible claims flow right past us

ADVERTISING MAKES YOU WONDER...

ARTIST: JACK DAVIS

ADVERTISING MAKES YOU WONDER...

... whether anyone in real life would actually walk into a crowded drug store and loudly start discussing his hemorrhoids with the pharmacist.

ADVERTISING MAKES YOU WONDER...

... what the banning of cigarette commercials on radio and TV has proved, except that the tobacco companies can save advertising money and still sell their products!

ADVERTISING MAKES YOU WONDER...

... why stores only offer real bargains at their "Going Out of Business" sales when they wouldn't have had to go 30 out of business if they'd lowered their prices earlier!

ADVERTISING MAKES YOU WONDER...

... why a politician would spend \$10,000 on a full-page newspaper announcement to tell you he's a poor man in need of your contribution!

without even bothering to resent the fact that we're being fed a steady diet of baloney. MAD urges its readers to become more alert amid the snow jobs that are piling

up drifts all around them. Start analyzing those ads you now ignore, and see how few you can force yourself to swallow once you actually pay attention to them! Because

WHY DOES IT ALWAYS MAKE YOU WONDER...

WRITER: TOM KOCH

ADVERTISING MAKES YOU WONDER...

... why a company that doesn't own a blimp should necessarily make better—or worse—tires than a company that does own a blimp!

ADVERTISING MAKES YOU WONDER...

... what's so great about being able to call anywhere in the country after 11 P.M. for 85¢, unless you have lots of far-away friends you love to wake up in the middle of the night!

ADVERTISING MAKES YOU WONDER...

... how companies invariably know that their offers are being made "... for a limited time only!" but they never seem to be able to tell you what that time limit will be!

ADVERTISING MAKES YOU WONDER...

... why your choice of deli products should be influenced by what an inarticulate three-year-old on TV tells you he prefers to eat!

ADVERTISING MAKES YOU WONDER...

... how breweries can claim their "New Light Beer" is a "major scientific discovery" when simply adding water doesn't seem like much of a discovery at all!

ADVERTISING MAKES YOU WONDER...

... whether any marriage was ever actually saved because the wife found a product that reduced static electricity in her husband's newly-laundered socks!

ADVERTISING MAKES YOU WONDER...

... how you get on mailing lists to receive sales letters that speak of "busy executives like yourself" when you're not even out of high school yet!

ADVERTISING MAKES YOU WONDER...

... why radio stations buy commercials on TV stations merely to announce that you'll encounter fewer commercials on radio stations than you will on TV stations!

ADVERTISING MAKES YOU WONDER...

... what oddball type of car can use those tires you see offered for "only \$19" when the size that fits your compact always seems to cost \$49.50!

ADVERTISING MAKES YOU WONDER...

... how a coffee company that just raised its price by a dollar a pound has the gall to send you coupons good for 50¢ off on every pound you buy at the new price!

ADVERTISING MAKES YOU WONDER...

... how companies that make up a patented name for their own particular variety of plastic think that's going to prevent you from noticing that the stuff is still plastic!

ADVERTISING MAKES YOU WONDER...

... exactly how the "cheapest motel in town" cuts corners on room maintenance so it can afford all those big expensive billboards out on the highway!

ADVERTISING MAKES YOU WONDER...

... where Supermarkets, claiming to sell at rock bottom prices, get all that extra money to run contests that give away free Hawaiian vacations!

ADVERTISING MAKES YOU WONDER...

... why a gorgeous model, who has the world at her feet, would ever have to worry about choosing the right brand of "kitty litter"!

ADVERTISING MAKES YOU WONDER...

... why the auto makers, who have always known how to make gasoline engines that go 25 miles to the gallon, never showed any interest in doing so until recently!

ADVERTISING MAKES YOU WONDER...

... why 75 million American men placidly ate mashed potatoes all those years if every one of them would have really preferred stove-top stuffing with his chicken!

ONE DAY IN THE LIFE OF SOME SALESMEN

Pay attention, Fonebone! The first rule in "Door-To-Door Selling" is to ignore these stupid "Beware Of..." signs!

Gargoyle!! Hah!! That's the dumbest one yet!!

Why, a Gargoyle isn't even REAL!! It's just a big ugly stone statue on the parapet of some—

WE GOT YOUR PENUMBRA DEPT.

Who Knows What Evils Lurk In **THE SHADOW**

The Hearts Of Men? **KNOWS**

ARTIST & WRITER: SERGIO ARAGONES

Alfred E. Neuman
for President

A-M/ECCH-M DEPT.

In Alabama, it is illegal to beat up a catfish! It is against the law in Hawaii for a person to insert pennies in his ear! In Colorado, it is a misdemeanor to talk to one's self in a butcher shop! It is against the law in Massachusetts to wear a costume while collecting a debt! And since 1952, it has been mandatory for a MAD "introduction" to deal *directly* with the subject being satirized! We have just broken one of these laws! Guess which one! And while you're guessing, here is our version of that popular weekly TV series about a radio station ...

WKRAP

in Cincinnati

Antsy, I have nothing to say ... and I'm **ONLY** going to say it **ONCE!!**

Golly, you seem upset, Mr. Curlson! Befuddled as usual, but upset!

We're in trouble! Our station's popularity is slipping! Our sales are plunging and our ratings are dipping low!

Gee! How low are they dipping?

Lower than Juniper's neckline!

We're in that much trouble?

We're down to 18th place in the ratings!

Who's in 17th place?

A station that just features static!

Well ... maybe it's got a good beat and you can dance to it!

NO EXCUSES, Antsy! I hired you as Program Director to turn our sagging ratings around!

I DID! I cut out that stupid Elevator Music, and I brought in a "Top 40" format! I even programmed "The Classical Music of Bobby Vinton!"

BOBBY VINTON?!!

In Cincinnati, **THAT's** **CLASSICAL MUSIC!**

★ Alfred E. Neuman ★
★ for ★
★ President ★

ARTIST: ANGELO TORRES

WRITER: ARNIE KOGEN

You can't really blame me for noticing, Juniper! I'm **ALSO** bright, efficient and pretty! But standing next to you, it's—gosh—like a condominium in Akron next to the Taj Majal!

You shouldn't let Juniper get you down, Bully!

Why not?! We're both on the same show! But she gets the best lines, she gets the sell-out pin-up posters! I just don't like working in her shadows!

Don't you mean her shadow!?

With her ... it's **SHADOWS!**

Nerve, you're doing a dismal job as Station Sales Manager! We don't have any decent sponsors!

What about all the **NEW** sponsors I brought in ... ?

NEW sponsors?! Studebaker, Robert Hall Clothes and Bicentennial Minutes?!?

Okay, so I goofed on a few! But I also brought you Ed's Fashions For the Short and Portly, Salome Caterers, Dependdable Printers, Phil's Sperm Bank and Trust Co., a chain of Kentucky Fried Chow Mein stands, the Shick Center to Control Post Nasal Dripping ...

Okay, **ENOUGH** with the funny account names!

Oh, I get it! We're going to something more meaningful ...

Are you nuts? We're going to **ANOTHER RUNNING BIT: Funny RECORD REQUESTS!**

Here's a request dedicated to the Doctors at General Hospital: "You Can't Mend A Broken Heart," also to the patients in Intensive Care ... "Stayin' Alive" ...

Also, to the crowd at the Transvestite Convention ... "I've Looked At Life From Both Sides Now," and for former President Ford ... here's "Stumblin' In" ...

Hi, Fellas! I got a request! **PLAY "MISTY"** for me!

That's outa sight, Man! A "Guest Cameo" by **Sonny Bono**! That oughta increase our viewing audience by 30 or 40 people!

Shouldn't that be **Clint Eastwood** asking, "Play 'MISTY' For Me!"?

Clint Eastwood isn't available for half hours! Sonny Bono is! We gotta take what cameos we can get!

Hey, Johnny! How come you're so spaced out, and always wearing shades?

Because it's frightening and depressing! I can't bear to face it every day!

What? **LIFE?**

No ... **Cincinnati!**

Aw, c'mon, now, Man! Cincinnati isn't that bad ... !

Let me put it this way ... ! It's the kind of city where **ANYTHING** can happen ... and usually **DOESN'T!**

Last week, I said some **nasty things** about rising fuel prices! Well, I've **changed my mind!** The oil companies have a right to make a profit, too!

But on the other hand, I may have been right the first time! The consumer is the innocent victim of a vicious price squeeze!

But then again, the **OPEC nations** mean well! Gosh darn it, whoever said that is just **crazy!** Hold it—I said it! Take that back, Arthur!

He's really a "**decisive**" guy, don't you think?

Well, yes—and no!

Oops! It's catching!!

Hey, Juniper! I've arranged your date for this week!

I've never seen **THIS** guy! Who is he?

One of our Sponsors... **Sid Shivver**, the owner of **Shady Knolls Last Resort!**

The **MORTUARY?**

That's it!

I don't go out with **Morticians!** They're only after my **BODY!!**

If you **DON'T** go out with him, he'll pull his sponsorship!

Juniper, be reasonable! It's a big account....!

You'll just have a quiet evening of dinner, small talk, and back to his place for some nude wrestling!

Okay!! If you're finicky, **FORGET** the small talk!!

Ahhhhh... the plot thickens!

Exactly **WHAT** do I have to do?

That's **INSANE!!**

Look, Juniper... we are talking **BIG BUCKS** here! I **COULD** lose my **JOB!!** All you have to **DO** is "**BE NICE**" to him... if you know what I **MEAN!**

I **KNOW** what you mean! It'll never happen! I'll have sex with **HIM** over my **DEAD BODY!!**

GREAT!! That's the way he **LIKES** it!!

Golly, she won't date him! I—I guess we just lost the **Shady Knolls** account!!

Hey, big guy! I have **only** been in sales all of my life! I've got a plan! Maybe we can turn on Mr. Shivver through **PHOTOGRAPHS!**

Juniper, do you have any nude pictures of yourself?

Of course not!

Wanna **BUY** some?

Bully was right! This show is **degrading** and **sexist!** Why must every episode have a reference to my **BODY???**

The Writers want you to pick one of these lines:

(A) Because it's **THERE!**

(B) If we only wanted **LAUGHS**, we'd've cast **RUTH BUZZY** in your part!

And finally—

(C) Look at it this way... Millions of horny male viewers won't tune in to see **ME** compete in a "**Wet T-Shirt Contest!**"

B-but I never ENTERED a "Wet T-Shirt Contest"...!

SURPRISE!!
I guess you haven't read next week's "TV Guide"!!

This is really preposterous! Just because I happen to be STACKED is no reason to treat me as a SEX OBJECT!

I QUIT!

This show does tend to get a little cheap and tasteless! But if you stay, I promise there will be no more remarks about your ... anatomy!!

Okay, I'm staying!

Besides! If you leave, it'll be tough to fill your—er—giggle—your shoes!!

I'm leaving!

Don't go! We need your mind ... your biting wit ... your directness and honesty that gives us so many chuckles!

I'm staying!

And we also need someone to make the coffee!

I don't make coffee!

But this is your special brand! It's "MOUNTAIN GROWN"!!

I'm leaving!

You're blowing it, baby! You're the only one in this cast who may get a "spin-off"... your own series!!

I'm staying!

Forget it! We're ALL leaving!

What are you talking about?

WE blew it! We've lost our sponsors, and we've lost our listeners! So my Mother ... who OWNS this station ... has decided to CLEAN HOUSE! She's fired EVERYONE ... including ME!!

What's she got in mind for the station NOW?

She's changing the format!

I KNEW it! It's going ALL DISCO!!

No, all NOSTALGIA!

All NOSTALGIA ... ? You mean ELEVATOR MUZAK! Forget it! It'll never work!

No ... I don't mean Nostalgia MUSIC! Nostalgia CASTING!

She's replacing us with a group that used to run a TV Station in Minneapolis!

TV People?!? She must be CRAZY!!

What do THEY know about ballads, blues and hard rock?!

They look pretty square and very 1970ish to me!

They probably think Fleetwood Mac is a kind of HAMBURGER!

These cats will NEVER catch on, Man ... NEVER!!
