AN EXCITING SUBSCRIPTION OFFER EXCLUSIVELY FOR READERS OF MAD MAGAZINE!

"An extraordinary opportunity to own the official MAD Pin Collection!"

A Brief History of the MAD Pin Collection

In late 1990, MAD publisher William Mildred Farnsworth Higgenbottom Pious Gaines IX decreed that there should be an official MAD Pin Collection and ordered that famous artisans from around the world be contacted to see who would work the cheapest to create these objects of art!

Unique in all of jewelry-making history, we broke the mold before we cast these pins!

Each official MAD Pin is precision crafted by machines that are turned On and Off by hand!

Each Pin is cast in Space-Age Alloys—the same Alloys used to make NASA space shuttle souvenir pins sold by guys hanging around Cape Canaveral!

The Official MAD Pin Collection smells like jewelry that costs thousands of dollars and can be mistaken for real gold at distances over 500 meters (though at shorter distances they may be mistaken for a lot of other things!)

These Pins will not be sold in any store—we know, we tried getting any store we could find to sell them and nobody would touch them!

Due to the special nature of this offer, the number of Official MAD Pins commissioned shall never exceed the demand! (In the event of a tie, all production will cease! That's our commitment to quality!)

These are the very same Pins that will be offered by us again and again and again in future issues of MAD Magazine!

An Important Reminder! Each Official MAD Pin is so valuable it will be personally delivered to your home by an official United States Government Employee, dressed like a mailman!

This offer is neither endorsed nor in any way connected to the Franklin Mint, Benjamin Franklin, Joe Franklin or Franklin Delano Roosevelt!

How To Get Your MAD Pin Collection FREE:

READ MY (YECCH!) LIPS

Your cover of MAD #312 was a wonderful interpretation of the "outcome" of George Bush's talks in Japan. Instead of calling him the President of the United States, we should retile him the "Duke of Hurl!"

John Morales
Redwood City, CA

Hmmm. Let's see...checking our official Lineage of Royalty chart, if George Bush is the Duke of Hurl, that would make his son Neal Bush the Viscount of Vomit!—Ed.

BONEHEAD MAIL

Your page 48 memo "from the desk of William M. Gaines" in issue #312 says the MAD staff should never use the words idiots, morons, imbeciles, dolts and clods because they describe MAD readers and might alienate them. Well, we're MAD readers and we're none of those. We're boneheads! We would prefer this be put in "Bonehead Mail," not "Moron Mail."

Nick Bevis
Chris Egolf
America, USA

Your wish is our command, morons!—Ed.

MORON MAIL

I've been reading your trash for six years now. I can't stop! It's like you have some hypnotizing device in your magazines.

Jake Van Putten
Eagan, MN

Jake—You've found us out! Yes, it's true. There's something in each issue that makes our readers' eyelids heavy like sandbags—that makes them drowsy and eventually lose consciousness—it's called "The Lighter Side Of..."—Ed.

MAIL FROM PEOPLE IN NEW JERSEY

I am writing this letter on April 27th at 9:36 and 36 seconds, which means there are 2,084 days until the year 2000 or 50,016 hours until 2000 or 3,000,960 minutes until 2000 or 19,806,336 seconds until 2000. Just thought you would like to know that.

Philip Sletteland
Kendall Park, NJ

So, you like math, eh? Well here's a puzzler we think you'll still be calculating well after the year 2000: How many days until you get a life?—Ed.

Soap gives me the willies.

Robert Boyd
Lyndhurst, NJ

Robbo—No soap, radio!—Ed.

THE FACE IS FAMILIAR

There's a real political outsider stirring up the Presidential Race this year... Alfred E. Neuman! That's why *Esquire* magazine chose to combine Alfred with George Bush on its June cover, while *Texas Monthly's* June issue cloned our grinning, gap-toothed boy with H. Ross Perot (the big ears, however, are Ross's!). This double-whammy received media coverage from coast to coast, including an appearance by MAD's Editors on *Entertainment Tonight!* Oddly, the current *Road and Track* cover features an illustration that's half Bill Clinton, half Chevy Caprice! Go figure!

"JOHNNY WARPER"

Regarding your "Johnny Warper" advertisement on the back page of issue #311, we commend you for bringing to your readers' attention the significant negative consequences associated with alcohol use during pregnancy. Your contribution is appreciated, as is the message you present regarding the role advertisers have on women's drinking behaviors. Many women who abuse alcohol during pregnancy would cease such practice with education, treatment and support from our society.

Donna L. Nimec, M.D.
Michele M. M. Mazzocco, Ph.D.

Lady doctors—Thanks for your kind words. Hey, why don't we get together after work? We can throw back a few shooters and chug some brews! Whaddaya say?—Ed.

A MAD LOVE STORY

My husband, Scot Burnell, has been reading MAD ever since he was hospitalized as a little boy. He says it was the only thing that put a smile on his face and ever since then he has been an avid fan and collector of MAD. I love him so much and would be so thankful if you could print this and allow me the pleasure of seeing his eyes light up when he reads it!

Lara Burnell
Costa Mesa, CA

Okay, we'll print your letter, but we have one question for you: What the hell are you doing married to a little boy? Seriously, if you REALLY want to see your husband's eyes light up, we suggest the next time he comes home from the hospital, you greet him at the door wearing this issue of MAD and nothing else!—Dr. Ed.

ROADS TO RUIN

Just thought I'd show you what I have to cross each day to get to town.

BUTTMAN

RETURNS

ARTIST: MORT DRUCKER

WRITER: STAN HART

Look at all this violence!

That concert isn't till next week, jerk!

You mean to go somewhere else?

Right!

We were expecting this! It happens at any Guns N' Roses concert where they have arena seating!

Then this is serious! Let's do what most cops do in cases like this!

Look! The sign from Commissioner Boredom! It means he needs Buttman!

It's strange that in this age of cellular phones, electronic mail and fax machines, he still uses this antiquated way of communicating with you!

If you think that's strange, what do you think of a grown man dressing up like a bat with a cumbersome cape and a mask that gets all sweaty inside, who fights crime without getting paid?

The word "putz" does come to mind!

My Buttmobile is fantastic! It can sprout wings, deploy razor sharp blades and launch deadly frisbees! But the most amazing thing about this totally dependable and efficient vehicle is that it was made by an American car company!

Well, Buttman, you did it again! You cleaned up Gotham City!

I don't want any thanks, Commissioner Boredom!

And you're not getting any! With you around, the citizens don't think they need cops and they keep cutting the department budget! You know how many policemen you've thrown out of work? You're a one-man recession!

I am known as the Penicillin! I was raised by penguins in the Antarctic after my parents abandoned me as a baby!

If he was raised by penguins, don't you wonder how he can speak English?

Not really! I know a guy who was raised by frogs and he can speak French!

You thought you could get rid of your old partner by cutting him up and flushing him down the toilet! But I live in the sewers and I see everything!

How can you live in the ...ugh... sewers??

It's got its advantages! Like you don't have any neighbors to hassle you when you throw parties...and you don't have to worry about dieting because you never have an appetite from living down here with all this drecch! The only time it gets bad is when someone uses Liquid Plummer—that stuff really stings!

I'm not a **bad guy**. All I want is to find out who my **human** parents are! Just once I'd like to get a **nice** Christmas present from my folks, instead of the **dead, giftwrapped fish** my **penguin** parents always give me!

Gee, that gets you right in the **heart**!

Yeah! From now on I'm going to use a **better grade of toilet paper** to show him that I **care**!

These are my parents, **peacefully sleeping**!

Why are they so far **apart**?

That's how they **slept** when they were **alive**! They didn't want to take a chance of **ever** having **another one** of those!

Extra! Penicillin in **Gotham Globe** says, "I **Forgive** My Folks"!

"**Love Is What It's All About**," Bird Guy tells the **Daily News**!

Penicillin admits to **Supermarket Sun**, "I **Never Slept With Bill Clinton**"!

I love this **publicity**! By the way, **except** in the movies, when's the last time you saw a **newsboy** hawking papers on a **street corner**?

I know all about your **corrupt scheme**! You're going to build a **giant capacitor**, not a **power plant**! You're going to **store energy**, not **produce it** and therefore have the city at your **mercy**! What do you **think** would happen if the story **got out**?

Nothing would happen! The story is so **confusing** no one could **possibly understand it**! However, just to be on the **safe side**...

Dad, what are you **doing**?

I have a lot of **difficulty** telling employees that they're **fired**! This is an **easier way**!

But she's **going to die**!

Don't get all **bent out of shape**, son. She was only a **temp**!

I'll **never** again complain about the **lousy job** of **snow removal** that Gotham City's sanitation department does!

This **cat** is sweet to give me **mouth-to-mouth resuscitation**, but what am I supposed to do with this **disgusting furball**? Yecch!

Either these kids have been captured by The Penicillin or it's the first day of a new school term!

What are you up to, Neuman?

Penicillin is about to make a speech! I'm going to interrupt his television signal so that nothing comes over!

Are you sure you can do it?

Positive! I did it all the time when I worked for a cable TV company!

Things don't always work out the way you hope! I wanted to have my name up in lights. Instead I get my tush up in lights!

I'm going under! I knew I should have started at the shallow end!

I haven't the heart to tell him this is the shallow end! Goodbye, Penicillin! We won't be seeing you again!

That's not my fault! If this script had been better, they might have brought me back for a sequel!

I feel empty and unfulfilled!

Ha, ha, ha, ha! I got my revenge at last!

I recognize that voice!

It was I, The Jerker, who wrote the terrible screenplay for this miserable movie! Die of embarrassment, Caped Crusader! Revenge is mine!!! HA! HA! HA! HA! HA! HA!

The Pump Shoe offers incredible benefits. No, not for your feet, silly—for the owners of the company that makes them! This product has single-handedly (or is it single-footedly?) pumped up sales and inflated the incomes of everyone selling them. But why should they be the only ones to swell their bank accounts? Why not expand the profits in various industries with...

THE PUMP IDEA IN OTHER PRODUCTS

ARTIST AND WRITER: AL JAFFEE

THE **PUMP** SHOE BEFORE IT IS PUMPED UP

The beauty of the PUMP SHOE is its utter simplicity. To prepare for the pumping process, all you have to do is find the circle marked "pump." (The raised arrow is for illiterates and the visually impaired.)

THE **PUMP** SHOE AFTER IT IS PUMPED UP

After finding the circle marked "pump," it's simple to produce the PUMP SHOE effect. Using any convenient finger, push vigorously in and out until the desired level of comfort is reached.

WARNING! Do Not Overpump!

Manufacturer
is not responsible
for the horrors
of
an exploding
shoe!

THE **PUMP** SOCK

This idea goes the Pump Shoe one better. In fact, you don't even need a Pump Shoe with this hot little item. It makes EVERY shoe a Pump Shoe! No matter how oversized your shoe, boot, or fishing wader, the **PUMP SOCK** expands inside to make a comfortable and cozy fit!

THE **PUMP** DIAPER

No matter how they try they never completely succeed in making disposable diapers leakproof. Babies come in too many different sizes and shapes! The **PUMP DIAPER** solves this problem by tightening snugly around every part of the baby that could possibly produce unwanted fluids. (CAUTION! When deflating, do so in a large, well-ventilated room with adequate drainage!)

THE **PUMP** TIE

This may seem trivial, but for some it's a godsend! Poor wretches like accountants and lawyers must wear ties every day. Tie fashions go from narrow to wide and back without warning and always after you've thrown the old ties away! Staying in style is confusing and expensive. The **PUMP TIE** solves the problem by pumping in for wide and pumping out for narrow!

THE **PUMP** PANTS SEAT

Anyone who's ever sat through a long meeting on a hard chair knows what a pain in the butt that can be! With **PUMP PANTS** the pain is gone! Now plastic chairs, hardwood benches and cement stadium stairs are no longer instruments of torture. (WARNING! Be sure to deflate **PUMP PANTS** before walking out onto the street, or others may suspect you have a serious bodily control problem!)

THE **PUMP** SKI JACKET

Once inflated, the **PUMP** SKI JACKET prevents injuries! You can safely smash into trees and rocks, roll down steep slopes, fall from ski lifts and otherwise make a complete fool of yourself without fear or care. You're even safe in avalanches since you can slowly let out air to breathe till you're rescued!

THE **PUMP** GLOVE

The **PUMP** GLOVE inflates to provide a cushion of air that protects the hand from many hazards. Ice, fire, and closing subway and elevator doors are no threat while wearing these! The only time the **PUMP** GLOVE should not be used is when fighting. Although your hand would be protected when you threw a punch, your nose would not be when you received one (unless, of course, you're able to pull the glove over your head!)

Now that the havoc-filled era known as the 20th century is finally drawing to a close, happy little idealists have begun to crawl gleefully out of the woodwork with a myriad of rosy predictions for the up-and-coming century. While we at MAD do find these optimists altogether cute and cuddly, we refuse to believe that all the world's wrongs will be righted once that big number 2 rolls around. As a matter of fact, given the relative calm-before-the-storm that was the very end of the 19th century, we've thought up a few speculations of our own about...

By 2075, the tabloids will have chronicled three more generations of the Kennedy family—many of them direct descendants of Teddy.

Why The 21ST CENTURY May Be Even WORSE Than This One!

ARTIST: RICK TULKA

WRITER: TOM KOCH

The N.B.A. may continue overexpanding until the 2026 play-offs run well into 2028, and the finals pit Guayaquil, Ecuador, against Pitcairn Island.

All the kids who appeared on "The Cosby Show" will be middle-aged performers still trying to cash in on their cuteness.

Around 2036, we will have a string of U.S. presidents who trained for the job by playing video games and listening to the philosophy of Sinéad O'Connor.

The Forbes Magazine list of the 400 Richest Americans for the year 2009 will be composed entirely of former restaurant bus boys, each of whom won the jackpot in his state's lottery.

The area that was formerly the Soviet Union will have been sub-divided into so many smaller countries that every Russian will be working in New York as a United Nations delegate.

Those entering nursing homes will run the risk of having to share a semi-private room and bath with either Andrew Dice Clay, Sandra Bernhard or Axl Rose.

Antique dealers will be asking \$350 for one of those gosh-awful plastic dancing Coke cans like your parents just threw away.

Dan Rather will retire while Geraldo Rivera is still young enough to apply for his job.

State-of-the-art oil tankers will be roughly five times as big as any now in use—and a whole bunch of them will be owned and operated by Exxon.

The world's nuclear powers will include not only Iraq, but also North Korea, the PLO, and the nasty street gang that terrorizes your neighborhood.

Those convicted in the Savings & Loan Scandal will be out of prison and back at work in their Savings & Loan offices.

By 2008, the average American will earn \$100,000 a year—but \$97,000 of that will go for health insurance premiums.

By 2009, there will be enough TV channels to allow all the lousy shows ever made to be re-run simultaneously.

The first best-seller of the 21st century just might be Kitty Kelly's unauthorized bio of former First Lady, Marilyn Quayle.

The next century will witness the decline into middle age and senility of Michael Jackson—which won't be a pretty sight.

2099 could very well be the Chicago Cubs' 155th straight season without a pennant.

It's part *Fatal Attraction*, part *Body Heat*, part *Jagged Edge*! It's got nudity, hype and controversy! It should be a classic, but...

BASICALLY IT STINKS

Tell me...
How's it
going with
the **most**
disturbed
cop I've
ever
treated?

I'm clean,
Doctor
Groaner!
I've given
up **booze**,
drugs
AND sex!

Nurk, you're
a **very**
attractive
man! You don't
have to give
up **ALL** of
those things!

You're
right!
I'd give
anything
for a **drink**
right now!

My
God,
this
is
a
tough
dating
town!

Here's the scoop on this
Tumble chick—she's a
novelist and a **psycholo-**
gist! Now get this... In
her last novel she wrote
about a **rock star** who
gets **murdered** during sex!

With an **Ice pick?**
While he's tied to
a **bedpost** with a
white silk scarf??
She wrote about
the **murder** before
it happened!

She was also seen
at the **Texas**
School Book
Depository in
Dallas on **Nov.**
22, 1963!

Okay! Let's
bring her in!

Coincidence!

Could be a **frame-up!**

Did you kill him?

Sex? That's all?

Fondled? Really? Wow!

We're cops! We've seen it all!
There's **nothing** you could
do that would **unnerve** us!

Gas!
Stop
that
Now!
Geez!

No, I didn't
kill him!
I **had sex**
with him!

Yes! I liked
having sex with
him! I liked the
way he **fondled** me!

Tell me, does my
sexually blunt manner
and **provocative outfit**
unnerve you gentlemen?

Zoweee!!! I see England, I see France,
I see Miss Tumble has **no underpants!**

We have a
strict rule!
We do not
allow **smoking**
here!

So, what are
you going
to do...
Arrest me?

Not you!
I'm
talking
about
them!

What's
your
new
book
about?

It's about a
detective who
falls for the
wrong woman!

Would
that
be
me??

Well, it
ain't the
fat
guy!

Isn't
this
weird
and
abnormal?

That you're
having sex
with your
psychiatrist?

No, that
we're **not**
doing it
on the
couch!

So it was Racy! Racy was trying to kill me!

What happened?

She was jealous! She tried to run me over! I followed! We had a standard movie car chase, then her car went north in south-bound traffic!

Ironical! Even her CAR went both ways!

Racy's death is my fault! Everybody that I'm close to dies!

Don't blame yourself!

I'm devastated with grief!

I'm sorry! Is there anything I can do?

Yes... Oh, Yes...

THIS is it? This is how you grieve???

Yes, but out of respect to Racy, this time I'll tie you up with a black scarf and we'll make it a "quickie!"

Whoops! That's the umpteenth time in this film! I should have seen it coming!

That there'd be another brutal murder?

That there'd be another "moment" lifted from a classic movie. So far we've ripped off *Jagged Edge*, *Body Heat*, *Sea of Love* and *Fatal Attraction*! This scene is directly from *Dressed to Kill*!

Tell me, Nurk, why... why did you shoot me???

In an implausible series of plot twists it was discovered you were having an affair with Catty in college, and I assumed you stabbed Gas to cover up your Bisexual past, only now it turns out you may not be the killer! Gosh, I'm all farblugett!

You want to... gasp... talk about it?

I love it! A psychiatrist to her dying breath!

Well, the big, remaining question is—am I going to pull an Ice pick from under the bed and stab you? Or...are we going to make passionate love for the 14th time in two days???

Who cares??! Either way I'm a DEAD MAN!!!

Freakland Mint Proudly Presents

America's Favorite Dictators!

They've Held The Fate Of Entire Nations In Their Hands—Now YOU Can Hold Them In Yours!

Now, you no longer need to wait until you're the leader of the Free World to start owning totalitarian rulers from around the globe! Thanks to Freakland Mint's decision to commemorate recent U.S. Foreign policy fiascos, you too may now own the same ruthless thugs deemed by our State Department as "valued allies essential to our national security"!

Each figurine is painstakingly handcrafted and complete down to the minutest detail, including the blood-stained hands, the ever-present arrogant scowl and the bulging pockets lined with currency looted from national treasuries! Each figurine also has a built-in "laugh" microchip... To activate it, just make an empty threat to cut off arms shipments if they don't improve their human rights records... then listen to them snicker!

Best of all, each hateful, two-bit despot is small enough to fit into the back pocket of anyone who can afford to buy them! How much for all this? Just a few thousand dollars a month, every month, until we decide you've paid enough! Act now and we'll throw in the deluxe velvet-lined travel case FREE—just the thing for those last-minute flights to asylum in Bolivia!
